Issue: Tort Reform

Street_Address: po box 452

City: sumrall

State: MS

Zip_Code: 39482

Phone: 601-758-4409

Message: Dear GOVENOR

My concerns are for the well being of the people
of mississippi related to the ill effects of the lack of tort reform in this state. I
presently own 4 grocery stores in the state of ms flora,bassfield,sumrall and stonew
all. In stonewall where burlington is leaving after a long and healthy relationship w
ith that town and the state mainly because of overseas competition but also because o
f high insurance but if something is not done great things like the nissan plant will
be a thing of the past and small
factories will also lie in that past. The negative effect that has on small towns is
devastating, also my concerns are health related because I used to be able to offer h
ealth insurance to my employees I had to make a decision based on the inability to o
btain reasonable coverage after blue cross and blue shield has rated us up more than
57 % in two years I had to make the decision to not offer this to my employees I only
employ around 200
people but that is 200 that i feel like needed insurance badly also my general liabil
ity has almost doubled with absolutly no claims in over 7
years they say the mississippi buisness climate is
not where they wont to be. MR GOVENOR i employe
you to take a look at this issue and to take a stance for the people of ms for without
t buisness
there would be no jobs. My stake in this is strickly personal for if this continues m
y career
as i chose it is in jeopardy and my dreams for my kids are too.
