The Honorable Ronnie Musgrove
PO Box 139
Jackson, MS 39205

Governor Musgrove:

I heard that smoking was going to be banned in all public buildings. Is that true, are is it just a rumor. I am for the banning of smoking in public places. Smoking has absolutely no benefits. Smoking I think should be illegal because of all the health risk that go along with it, especially for non-smokers who have to breathe it in. Because everyone knows that second-hand smoke is worse than what the smoker is smoking. Smoking is something I think that really needs to be looked into.

Sincerely,

Ben Shoemaker
