CITY OF BATESVILLE AWARDED COMMUNITY SELF-HELP GRANT

JACKSON, Miss. – Governor Ronnie Musgrove recently announced the latest Community Self-Help Grant in the amount of \$239,280 awarded to the City of Batesville.

“The Community Self-Help Grants program helps communities empower themselves for economic growth. The state of Mississippi is pleased to be a part of this community building effort,” commented Governor Musgrove.

The funds, received through the Community Development Block Grant (CDBG) program, will be utilized to renovate the Patton Lane Community Building in Batesville.

CDBG is a program of the Community Services Division of the Mississippi Development Authority. Among the division’s goals are assisting communities in analyzing their strengths and weaknesses, involving their leadership in economic development, planning development strategies, strengthening development organizations, and implementing and financing community projects. The Community Services Division also administers other Economic Development grant and loan programs.
