**HARRISON COUNTY DEVELOPMENT COMMISSION AWARDED
ECONOMIC DEVELOPMENT MARKETING MATCH GRANT**

JACKSON, MS – Governor Ronnie Musgrove recently announced the latest round of Economic Development Marketing Match Grants. The Harrison County Development Commission, of Gulfport, MS, was one of the awardees.

“This grant program is only one way that the state of Mississippi supports communities with economic development efforts,” said Governor Musgrove. “We are striving to provide each community with the tools they need to grow and prosper for the good of all of our citizens.”

The Harrison County Development Commission was awarded \$5052.50, for funding of the 3rd Quarter Trade Advertising Campaign.

The Economic Development Marketing Match Grants Program, administered by the Community Services Division of the Mississippi Development Authority (MDA), assists nonprofit economic development entities in marketing regions of the state and communities as a site for business and industrial development. The goal is to enhance the marketing of the State of Mississippi by enabling regions and communities to market themselves.

To be considered for funding, projects must have a definable impact on business and industrial attraction or retention. Projects should take a regional approach rather than focusing on a single community. Eligible applicants include nonprofit economic development entities that serve at a minimum countywide.
