MESC ANNOUNCES NISSAN-RELATED JOB FAIRS

CANTON, MS – The Mississippi Employment Security Commission’s (MESC) Nissan Office recently announced several job fairs to be held around the state for people interested in obtaining a job at the new Nissan plant in Canton, MS.

“These job fairs offer people the opportunity to find out about the hiring process at Nissan, and allow them the chance to apply,” said Robert J. Rohrlack, Jr., executive director of the Mississippi Development Authority (MDA). “Nissan is committed to hiring Mississippians to work in the plant, and we hope as many people as possible will take advantage of the information available to them through these job fairs.”

Scheduled dates and locations for the job fairs are:

April 16, 2002	Biloxi, MS	Southern
