**NATCHEZ-ADAMS COUNTY DEVELOPMENT AUTHORITY RECEIVES
ECONOMIC DEVELOPMENT MARKETING MATCH GRANT**

JACKSON, MS – Governor Ronnie Musgrove recently announced the latest round of Economic Development Marketing Match Grants. The Natchez-Adams County Development Authority in Natchez, MS, was among the awardees.

“As we demonstrate our commitment to invest in our communities, business and industry leaders will be attracted to Mississippi and all that we have to offer their companies,” said Governor Musgrove.

The Natchez-Adams County Development Authority was awarded \$10,000.00, to be used to fund the Prospect Profile.

The Economic Development Marketing Match Grants Program, administered by the Community Services division of the Mississippi Development Authority (MDA), assists nonprofit economic development entities in marketing regions of the state and communities as a site for business and industrial development. The goal is to enhance the marketing of the State of Mississippi by enabling regions and communities to market themselves.

To be considered for funding, projects must have a definable impact on business and industrial attraction or retention. Projects should take a regional approach rather than focusing on a single community. Eligible applicants include nonprofit economic development entities that serve at a minimum countywide.
