Governor Musgrove Announces \$50,000 Grant for City of Clarksdale

Jackson, MS – Governor Ronnie Musgrove today awarded a \$50,000 Community Development Block Grant to the City of Clarksdale for downtown improvements. The funds will be used to install decorative lighting in the downtown area.

“This grant represents an investment in our cities and their future,” Musgrove said. “By improving the areas of our towns and cities with elements such as lighting, we can strengthen the economic potential for the businesses that operate in those areas.”

The City of Clarksdale is matching with grant with \$50,000 of local funds. The Community Development Block Grant is made through the Mississippi Development Authority.
