Governor Musgrove Calls for Recognition of Excellence in Business and Education

Jackson, MS – Saying it’s time to recognize the leaders in business and education for their contributions, Governor Ronnie Musgrove has established the Governor’s Business and Education Achievement Awards.

“There are so many people around the state doing great things to improve the business climate and the educational arena, and their efforts shouldn’t go unnoticed,” Musgrove said. “We should reward excellence.”

Awards will be presented in the following areas: Large Business, Small Business, K-12, and Higher Education. Winners of the awards will be recognized during the Mississippi Quality Award ceremony on April 19, 2002.

For more information on the awards and how to make a nomination, visit the Governor’s website at www.governor.state.ms.us.
