Governor Musgrove Orders Flags to Half-Staff at State Buildings

Jackson, MS – In response to today’s terrorist attacks, Governor Ronnie Musgrove issued an executive order for the American flag and the state flag to be flown at half-staff on all buildings and grounds of the state.

“Today, America experienced acts of unspeakable terror and evil,” Musgrove said. “Our hearts are saddened by this national tragedy, and our thoughts and prayers are with those who suffered personal loss or injury today.”

Executive Order No. 849 orders flags to be flown at half-staff until further notice.
