## **Governor Musgrove Brings Funds to Greene County**

McLain, MS – Governor Ronnie Musgrove today presented Greene County with a check for \$1.2 million. The amount represents the total award of Community Development Block Grant funds to municipalities in the county for public facility improvements. Included in the total amount was a \$450,000 grant to the Town of McLain for improvements in the water and sewer system.

“We are investing in the infrastructure of Mississippi, and those investments are an important part of our economic development efforts,” Musgrove said. “The improvements funded by this award will raise the quality of life for the residents of Greene County.”

Musgrove presented the check at a reception hosted by McLain Mayor Mary Bolton and other local officials, including councilmen, supervisors and legislators.
