Governor Musgrove Announces CDBG Grant For Hickory Flat, Mississippi

Jackson, MS – Governor Ronnie Musgrove today announced the award of a Community Development Block Grant for the Town of Hickory Flat, Mississippi, in the amount of \$18,050. The funds will be used to rehabilitate the town’s sewer system.

“The sewer system in Hickory Flat has been a potential public safety problem, and it is time to get it fixed,” Musgrove said. “These funds will ensure the people of Hickory Flat have a safe and reliable system, and enjoy a protected water supply.”

The funds are awarded for an Emergency Public Facilities CDBG application submitted by the Town of Hickory Flat earlier this year.
