## **Governor Musgrove Names David Lee Boone to Local Governments and Rural Water Systems Improvements Board**

(Jackson, MS) – Governor Ronnie Musgrove has named David Lee Boone of Gallman to the Local Governments and Rural Water Systems Improvements Board for a term concurrent with that of the governor. Boone will represent the manager of a rural water system.

“The infrastructure of our rural areas in Mississippi is key to economic development, and David Lee Boone will help us build that infrastructure,” Musgrove said. “I appreciate his willingness to serve.”

Boone has worked with the Copeiah Water Association in Gallman since 1987. He currently works as general manager of the system, which serves 3,200 customers. A board member of Copeiah Academy, Boone is also president of Hazlehurst Youth Sports and a 15-year veteran official for high school football.

Boone and his family attend the Church of Jesus Christ of Latter-day Saints in Hazlehurst. He and his wife, Karen, have three children.
