Governor Musgrove Presents CDBG Funds to City of Laurel

(Laurel, MS) – Governor Ronnie Musgrove presented the City of Laurel with a check representing \$450,000 in Community Development Block Grant funds today. The grant through the Mississippi Development Authority will be used to improve water and sewer drainage.

“When we work to bring new businesses and jobs into our communities, they want to know that the infrastructure is in place to support them,” Musgrove said. “Our infrastructure, especially with regards to water and sewer issues, is part of the foundation on which we are growing Mississippi.”
