Governor Musgrove Presents Check for Simpson County Industrial Park

(Mendenhall, MS) – Governor Ronnie Musgrove today presented a check in the amount of \$250,000 to the Simpson County Board of Supervisors. The check represented grant funds for the construction of a water and sewer system for the new industrial park in Mendenhall.

“When we’re working to retain and recruit business in Mississippi, we have to provide them with the basic infrastructure they need to compete,” Musgrove said. “This investment in this industrial park will lift our efforts to the next level of success.”

Musgrove presented the check at the Simpson County Development Foundation, where he and the supervisors were also joined by Foundation board members and other elected officials.
