## **Governor Musgrove Presents Funding to Prentiss Regional Hospital and City of Prentiss**

(Prentiss, MS) – Governor Ronnie Musgrove today presented checks representing grant funding to two separate projects in Prentiss. Prentiss Regional Hospital has been awarded \$200,000 in funding through the Delta Regional Authority to support the expansion of the hospital and its services.

“Every Mississippian needs to have access to quality health care, and these funds will help make sure that happens here in Prentiss,” Musgrove said.

The City of Prentiss was also presented with a check representing \$300,000 in Community Development Block Grant funds. The funds will be used for water and sewer improvements.

“A quality infrastructure is a key component in growing our communities,” said Musgrove.
