Governor Musgrove Honors Veterans

(Jackson, MS) – Governor Ronnie Musgrove honored America’s veterans today at the “Trail of Honor,” a series of live re-enactments of our nation’s soldiers from the Civil War through present day. The event was held at Harley Davidson of Jackson, as hundreds of motorcyclists riding as part of “Rolling Thunder” gathered in town on their way to Washington, D.C.

“Our soldiers have responded to the call to weed out those who would attack the innocent, and then run and hide in a cave,” Musgrove said. “They responded with their own ‘rolling thunder,’ and it’s a thunder that’s still echoing in the ears of our enemies. They will never forget it.”

Musgrove was joined by retired U.S. Congressman G.V. “Sonny” Montgomery and Jack Lucas, a Mississippian and Congressional Medal of Honor winner.

The event also marked the 84th anniversary of American Legion, Post 1, in Jackson.
