Governor Musgrove Congratulates Phillip Cash

(Jackson, MS) – Governor Ronnie Musgrove presented Phillip Cash of Forest with a certificate of recognition for his many accomplishments in wheelchair tennis this year.

“Phillip is an extraordinary athlete and his spirit is representative of the people of Mississippi,” Musgrove said. “I extend my congratulations to him.”

Cash recently won the junior division at the Music City Classic tennis tournament in Nashville, Tennessee and placed second at a tournament in Baton Rouge, Louisiana in April. He also won the Junior Sportsmanship Award for the second time. The award is voted on by players and is given for sportsmanship on and off the tennis court.

Cash is coached by Henry Harris of Jackson.
