Governor Musgrove Announces Grant for Montpelier Volunteer Fire Department

(Jackson, MS) – Governor Ronnie Musgrove announced today that Montpelier Volunteer Fire Department will receive a \$42,300 grant through the Department of Homeland Security. The grant will be utilized for fire operations and firefighter safety.

“The funds will be used by the Montpelier firefighters in their continuing efforts to make sure the people and property in the communities they serve are safe,” said Musgrove. “We have worked closely with the Department of Homeland Security to secure funding for our first responders and insure they have the proper training and equipment to carry out their duties.”

The funds for firefighters and firefighter safety programs will be used to provide training, wellness and fitness, firefighting equipment, personal protective equipment, and modifications to fire stations and facilities.
