Governor Musgrove Awards Grants in Wilkinson County

(Jackson, MS) – Governor Ronnie Musgrove has awarded grants to the towns of Centreville and Woodville through the Community Development Block Grant (CDBG) program. Centreville will receive \$292,612 for improvements to its wastewater treatment system. Woodville will receive \$300,000 for to correct problems with its water system.

“We are working hard to help our communities improve their infrastructure and other services,” said Musgrove. “Strong communities build a strong economy and a better way of life for our citizens.”

CDBG is a program of the Community Services Division of the Mississippi Development Authority. Among the division’s goals are assisting communities in analyzing their strengths and weaknesses, involving their leadership in economic development, planning development strategies, strengthening development organizations, and implementing and financing community projects. The Community Services Division also administers other Economic Development grant and loan programs.
