Governor Musgrove Awards \$250,000 Grant to New Hebron

(Jackson, MS) – Governor Ronnie Musgrove has awarded the Town of New Hebron a \$250,000 grant through the Mississippi Rural Impact Fund Program on behalf of Dollar General.

“The Mississippi Rural Impact Fund Program is one of the ways we continue to support our local communities with their community improvement and economic development projects,” said Musgrove. “We are determined to provide all of our communities with the resources they need to continue to grow and prosper.”

The funds are awarded by the Mississippi Development Authority (MDA), which also approves grant recipients.

“We will continue to work closely with local officials to make the most of job creation opportunities, and this program is one way for us to accomplish that goal,” said Steve Hale, executive director of the MDA.
