The determinations and findings of the board required to be made in the preceding sentence shall be set forth in the proceedings under which the proposed bonds are to be issued; and before the issuance of such bonds, the authority shall lease the project to a lessee under an agreement conditioned upon completion of the project and providing for payment to the authority of such rentals as, upon the basis of such determinations and findings, will be sufficient (a) to pay the principal of and interest on the bonds issued to finance the project, (b) to build up and maintain any reserve deemed by the board to be advisable in connection therewith, and (c) unless the agreement of lease obligated the lessee to pay for the maintenance and insurance of the project, to pay the cost of maintaining the project in good repair and keeping it properly insured. Such lease shall be made upon such other terms and conditions and for the time which may be determined by the authority and may contain provisions authorizing the purchase of the entire project or any portion thereof by the industry or its assignee after all bonds issued thereunder have been paid in full, for such consideration and upon such terms and conditions as the authority may determine.

Any agreement made under this chapter may provide that the project will be owned by the authority, and leased to the industry; may provide the industry with an option to purchase the project upon such terms and conditions as the board and the industry shall agree upon, at a price which represents the fair market value at the time of purchase or may provide that the project shall become the property of the industry upon the acquisition thereof. Any such agreement may also, but is not required to, include a guaranty agreement whereby a corporation, foreign or domestic, other than the industry guarantees in whole or in part the obligations of the industry under the lease or sale upon such terms and conditions as the board may deem appropriate.

Article XXX. Nothing in this section shall be construed so as to conflict with or modify any existing statute, or to limit the powers of any party state, or to repeal or prevent legislation, or to authorize or permit

The authority conferred by this compact shall not be construed as an exemption from the provisions of Tennessee Code Annotated, Title 65, or from the provisions of Section 77-3-1 et seq., Mississippi Code of 1972, as to the requirements for obtaining a certificate of public convenience and necessity, the jurisdiction of the Tennessee Regulatory Authority or the jurisdiction of the Mississippi Public Service Commission to regulate rates or any other provisions of the laws of either state, and to the extent that the authority provides telephone, telegraph and telecommunications services or any similar services in Tennessee, the authority is deemed to be a public utility subject to the jurisdiction of the Tennessee Regulatory Authority. Furthermore, nothing in this compact shall be construed to deprive, prevent, or hinder an electric or other public utility from exclusively providing its services in those portions of the compact area that are now or hereafter included within a certificate of public convenience and necessity issued to the public utility by the Tennessee Regulatory Authority, the Mississippi Public Service Commission or other appropriate regulatory agency. The authority conferred by this compact shall not be construed as a grant of authority to provide electric, telephone, telegraph, telecommunications services, cable television, video transmission, video programming services or other similar service, and this compact shall be subject to all federal, state and local laws, ordinances, rules and regulations governing such services.

Article XXXI. This compact shall continue in force and remain binding upon each party state until the Governor, with the consent of the Legislature, of each or either state takes action to withdraw therefrom; provided that such withdrawal shall not become effective until six (6) months after the date of the action taken. Notice of such action shall be given by the Secretary of State of the party state which takes such action.
