Mr. Johnny Franklin
The Public Education Forum of MS
666 North Street
Suite 104
Jackson, MS 39202

Dear Johnny:

I am forwarding to you, from Robin Costa of the Maddox Foundation, a check for \$500,000 for the Computers in the Classroom Project.

We appreciate the hard work of the Governor's Classroom Technology Task Force in our effort to place an Internet accessible computer in every classroom across the state of Mississippi.

Thanks for your dedication to this project.

Very truly yours,

RONNIE MUSGROVE
