

Gennie Lacy-Jones, Director of the Minority Business Enterprise Division of MDA, and J.C. Burn, Executive Director of the Mississippi Development Authority, joins Governor Musgrove as he signs House Bill 439 into law. This bill authorizes the creation of the Capital Access Program, which creates a state-run loss reserve fund allowing banks and other qualifying lenders to utilize their underwriting standards for eligible loans without the government approval of the loan making process. For more information on the Capital Access Program, please visit [www.mississippi.org](http://www.mississippi.org) or call 601-359-3449.
