

2001 Miss Mississippi Scholarship Pageant
Letter from Governor Musgrove

April 25, 2001

Welcome!

On behalf of the people of the State of Mississippi, I am pleased and honored to welcome the participants, sponsors and supporters of this years Miss Mississippi Scholarship Pageant.

Young ladies from across the state will vie for the opportunity to promote awareness of their community service platforms and receive thousands of dollars in college scholarship money.

Each young lady is an advocate for a specific interest, and she strives to increase participation in her program and make an impact in her community. In addition, these contestants serve as a positive role model to their peers and to young ladies across the state. They prove that hard work, dedication and a positive attitude do make a difference.

Congratulations to each young lady and to the state and local directors for your involvement in the 2001 Miss Mississippi Scholarship Pageant.

Best wishes for a memorable and successful pageant.

Very truly yours,

Ronnie Musgrove
