RE: September 11, 2003

As you are all aware, the second anniversary of September 11, is this Thursday. The Governor will be flying around the state that day to honor Mississippi's heroes, our troops, law enforcement personnel and first responders, who put their lives on the line for us every day.

Governor Musgrove issued a proclamation on September 5, 2003, to lower the US flag and the State of Mississippi flag to half-staff. This will begin at sunrise and end at sunset on September 11. The proclamation also requested the following:

- A moment of silence at precisely 7:46 a.m. on Thursday, September 11, 2003 to honor the victims of the terrorist attacks; and
- Encouraged all Mississippians to give blood to honor those who died and those who continue to serve in the line of duty (the Governor will be giving blood on Wednesday, September 10, 2003; the MS Blood Services Donor Coach will be outside the Woolfolk Building on Wednesday, September 10); and
- To observe Patriot Day as proclaimed by President George W. Bush in honor of the victims of the terrorists attacks.

Governor Musgrove will be traveling to the following towns on September 11. Everyone, including your friends and family, is invited to attend the state prayer service at the War Memorial Building in Jackson. The War Memorial is located at 120 N. State Street (next to the Old Capital Building).
