RE: 2/20 special forces homecoming

Attached are your remarks for the homecoming ceremony of the 2nd Battalion, 20th Special Forces group on Saturday, October 25. The soldiers were a part of Operation Enduring Freedom and were based out of Afghanistan.

There should be about 300 people in attendance (family and friends). The ceremony begins at 11:45 am. General Lipscomb will introduce you.

FYI - the special forces troops will start jump out of an airplane earlier that morning and will be done by the time you arrive at the ceremony. After the ceremony, there is a cookout for the troops and their family members.

An agenda is attached.

Lee Ann and I will meet you at the 172nd.

Thanks!
