

## MEMORANDUM

September 10, 2003

TO: Governor Musgrove  
FROM: Shannon McMullan  
RE: MLEOTA visit

Commissioner Huggins and Col. Claiborne should be in attendance according to Rusty.

This event will take place in the cafeteria. You can walk around and shake their hands and eat if you would like too (you will also be meeting with the members of the HWY patrol class after this class, you might want to eat with them instead)

Rusty recommended that you give a short speech to the members of the Basic Police Class. They will be graduating at 10am today.

The class is ten weeks long and is offered to new full-time, sworn officers of municipal, county and state law enforcement officers. There are 48 graduates representing 32 different departments.

For the patrol class, Rusty recommends you give a very short, off the cuff speech. They still have a while to go before they graduate.

You will have plenty of time. You will either have extra time here or in Tupelo.
