
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: SMITH
SUBJECT: HFMA/ REQUEST FOR HEALTH CARE PROPOSAL PRESENTATION
DATE: 10/26/01
CC: STACEY FERRERI AND JOHN SEWELL

You already confirmed that you would like to speak, as requested, to this group on November 15, 2001. However, there was a typo in their request concerning the time of your speech and I am working with their staff, Jill, Marilyn and Stacey to reschedule for another time on the same day since you have a conflict 9-10:00 am. They are requesting that you speak 4:15-5:00. I know Carmen Rae has a ballgame at 5:00 in Clinton and you also have a fund-raiser in DeSoto County 6:30-8:30. Is this okay with you?

YES _____ NO _____

Healthcare Financial Management Assn. (HFMA) also has some money they want to donate in honor of the September 11, 2001 tragedy to a group, such as the Burn Center in Greenville that may be overlooked frequently. The Burn Center is funded by all counties in the state, individuals, and associations. This should not cause any conflict for you politically. If things can be worked out by November 15th, they would like to present the check to you during this meeting. They stated they would like to keep the money in-state.

Thanks.
