
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: SMITH
SUBJECT: MISSISSIPPI HEALTH ADVOCACY FORUMS
DATE: 11/13/01
CC: MAYO
JUMPER

FYI- I have been watching your schedule and see that on **November 29** that you are tentatively scheduled for the Intergovernmental Policy Advisory Commission (IGPAC) on Trade in Washington D.C. from 9:30-12:30. If you do not attend this meeting, there will be a forum in Hernando that you could present your health care proposal at 9:00am. Since we need to get you out as much as possible, **plus we could get some publicity in the Hernando area**, I have alerted Lee Ann and Jill to help me watch this date. This is one of nine forums, three of which you are already committed.

If you do not attend the IGPAC meeting, would you like to do the presentation? Otherwise, I will present on your behalf.

Thanks.
