**OFFICE OF GOVERNOR RONNIE MUSGROVE**  
**INTEROFFICE MEMORANDUM**

---

**TO:** GOVERNOR  
**FROM:** SMITH  
**SUBJECT:** CLEMENCY REQUEST FROM REPRESENTATIVE JOE WARREN  
**DATE:** 2/18/03  
**CC:** RENICK, PROSPERE

---

Representative Warren came by and left the attached papers for your review. He said that you may not even consider these but there are a lot of Sanders in Covington County who would vote for you if you pardon this one. He knows the case and said that the whole county knows Perry Sanders took the fall for his ex-wife who murdered her boyfriend after they divorced. The boyfriend was beating her and rumor is she killed him. The ex-husband, Perry Sanders, still loves her and took the blame.

Representative Warren said he'd understand if you didn't pardon Mr. Sanders. He promised the family he'd give you the papers. I am giving Peyton a copy of the papers too but wanted you to see them in case Representative Warren asks you about them.
