Subject: Contact Information

As requested at our meeting yesterday, I am enclosing contact information for each Commission member for your reference.

I have received several phone calls today regarding the Commission's work and a new state flag. I have requested that callers put their comments in writing so that I may ensure that these comments are accurately conveyed to you. I will share received correspondence with you on a regular basis.

I look forward to working with each of you in this endeavor. Please feel free to contact me at any time.
