

DONATING BLOOD

09/10/03

United Blood Services

- In honor of those lives lost at the World Trade Center on September 11, I am asking all Mississippians to take the pledge.
- Donating blood saves lives.
- By donating blood at least twice a year, we would never have another blood shortage.
- Giving blood is free and takes less than an hour of your time to save as many as three lives.
- Together, by donating blood, we can make a difference and honor the memory of those who lost their lives September 11.
- Please contact your local blood center today.
