Happy Holidays to all of you as well! I will tell Edna to meet with us at your office on January 5th at 10 AM. I will be in the office on the 29th if you have news. Cathy

Sorry for delayed response - I was out yesterday. As I mentioned at church Sunday morning, Bill knew the Barksdale money was used and he thinks it was probably all used for matching, but for what program he doesn't know. He doesn't think there are any available matching opportunities (i.e., all of money was "used") and that anything new will require actual new money or matches. However, he is going to check and he knows that we need a specific figure for enhancement and/or certificate program(s). He is out this week, though, so I know we won't know anything before next week.

I got your voicemail about meeting with Edna on the 5th. I would say we should meet here in our offices, as she might feel more comfortable and be more open if she is not at DHS.

Merry Christmas!!
