| BA 2 |
| MA |
| Ph.D. |

(the number of children is the total number -related and non-related)

## Income options

Please run each staffing pattern with

- $75 \%$ of families with income of $\$ 45,000$ or less with 2 pre-schoolers as you did before
- $50 \%$ of families with income of $\$ 45,000$ or less with 2 pre-schoolers as you did before
- $25 \%$ of families with income of $\$ 45,000$ or less with 2 pre-schoolers as you did before
- $75 \%$ of families with income of $\$ 60,000$ or less with 2 pre-schoolers in the family as you did before with new staffing patterns

## Parent Educator:

Please run all income options and staffing options with the addition lf $\$ 15$ an hour for 19 hours a week to serve $20 \%$ of children $0-3$ years of age ( 24,000 children)

Please run all income options and staffing options with the addition lf $\$ 15$ an hour for 19 hours a week to serve $10 \%$ of children $0-3$ years of age ( 12,000 children)

Please run all income options and staffing options with the addition lf $\$ 15$ an hour for 19 hours a week to serve $5 \%$ of children $0-3$ years of age ( 6,000 children)

ALL benefits, administrative costs and travel are included in the $\$ 15$ per hour for parent educator.

We want to stay with option 8 as the financing approach.
We want to keep the non-eligibility conditions and eligible child care types as in Round 1.
Run the affordability analysis for HHS with two children in care under 5 as you did before. SORRY!

I do need to talk about question \#5.
