

Dear Kelly:

I was happy to see you and the Governor today at the Superintendent's meeting in Vicksburg. I wanted to speak to you but you had left before I got the chance. I know you are very busy right now, but I wanted to ask if you had a date in sight for the December JMG Board Meeting. Please let me know.

I also wanted to tell you about one of our student's Johnathan Kimbrough that will be speaking in Washington at the JAG Leadership Awards and receiving an award. Johnathan's story is amazing and all of us at the JMG office have basically adopted him. He has just graduated basic training in the army and will be stationed in VA. I truly wish the Governor would reconsider attends the JAG Leadership Awards in Washington so that he would be able to get a chance to see Johnathan speak.

Thanks for all your help and let me know about the board meeting date.

Joe Haynes
