(Message: 8-10 min., including brief testimony, then incorporating the spirit of unity)

- Good Afternoon
- (Your brief testimony)
- I applaud organizations like Mission MS that are working to bring Christians in Mississippi together.
- We are crossing racial and denominational lines.
- This is an example of a **new** Mississippi.
- A Mississippi that has evolved into America's State of Promise.
- **Unity** is helping us move forward.
- To create a better state for us to live, work and raise our families.
- We are looking toward the **future**.
- Not just seeing what is best for us, but what is best for our children.
- I encourage you to look for more opportunities to bring our state together.
- It will take leadership to make these changes continue.

- It will take **positive, Christian** role models to continue making a difference.
- You are here today because you care and want to make a difference.
- Together, we **can** make a difference.
- Thank you.
