IQ Reference List
For the
State of Mississippi

US Congress:

Rep. Charles Pickering
427 Cannon HOB
Washington, DC 20515
    Contact: Sharon Johnson, Systems Administrator, 202-225-5031
    Note: This is a Quorum*Power* customer. Quorum*Power*, is a windows based
        predecessor of IQ (the system I showed you).

Rep. Ronnie Shows
509 Cannon HOB
Washington, DC 20515
    Contact: Larry Denman, District Director, 601-352-1355
    Note: This is an IQ Customer

Rep. Bennie Thompson
1408 Longworth HOB
Washington, DC 20515
    Contact: Minnie Langham, Systems Administrator, 202-225-5876
    Note: This is an IQ Customer

Rep. Roger Wicker
206 Cannon HOB
Washington, DC 20515
    Contact: John Keast, Chief of Staff, 202-225-4306
     Note: This is a Quick Response customer. Quick Response is another windows
        based predecessor of IQ. Quick Response, however, was written in Fox
        Pro instead of Oracle. The programmer who wrote Quick Response was
        the primary programmer for the Boards & Commissions module of IQ.

Governors:

Governor Jesse Ventura
State of Minnesota
130 State Capitol
St. Paul, MN 55155
    Contact: Paula Brown, Director of Operations, 651-296-0065
    Note: This was our first Governor.   They are an IQ Customer

Governor Roy Barnes
State of Georgia
Room 100
State Capitol
Atlanta, GA 30334
    Contact: Dianne Harnell Cohen, Deputy Chief of Staff, 404-463-7485
    Note: This was our second Governor. They are an IQ Customer. They have
        helped drive our Boards & Commission development effort.

Governor Jim Gilmore
State of Virginia
202 North Ninth St.
Richmond, VA 23219
    Contact: Kevin Massengill, Deputy Director, 804-786-2211 x2353

Governor Don Siegelman
State of Alabama
600 Dexter Avenue
Suite EB-06
Montgomery, AL 36104
    Contact: Jim Nolan, Systems Administrator, 334-324-3333
    Note: This contract has been recently awarded and has not been installed yet.
        The install is currently scheduled for July 5, 2000.
