This has just been brought to my attention this morning. Fourth-degree = assault!!! When will this inhumane treatment of women ever end?=20

How pathetic that Nicole and her baby are dead and the brutal attack = upon her by her husband, yet! 10 days before the 2 deaths stand as = nothing more than allegations! And, her abuser/attacker can simply = continue to be some kind of "star". I can't even begin to imagine a = woman being in such great physical condition as to be any kind of match = against a hot-headed football player! =20

Some example the Colts are setting for young boys aspiring to be = football players. Do they think their only fans are spouse abusers or = what?

Perhaps the powers that be for the Colts are letting us know what kind = of "men" they are behind closed doors?

Dark moment=20

Shortly after the draft concluded, the (Indianapolis) Colts announced = the signing of 14 undrafted rookie free agents. Colts President Bill = Polian called success in the collegiate free agent process "terribly = important" in today's NFL, and he's right -- consider the immense impact = of undrafted rookie WR/return man Terrence Wilkins to the Colts last = season.

One of these 14 players is Ibn Green, a 6-2, 220-pound pass-catching TE = from Louisville. Green caught a school-record 33 TDs during his = collegiate career (an NCAA record for a TE, along with his 215 career = catches), earning him several All-America honors.

But Green also is coming off an arrest less than a month ago that should = be a cause for major concern -- especially given the NFL's current = stormy climate.

On March 23, Green was arrested by Louisville police and charged with = fourth-degree assault and intimidating a witness after a dispute with = his girlfriend.

According to reports, the woman says Green chased her into two separate = rooms in her apartment, breaking several of her possessions and = threatening to break down the doors. When the woman emerged from hiding, = Green allegedly grabbed her by the throat and threw her against the = bedroom door. After she called the police, Green smashed the phone and = left -- only to return to be arrested soon after.

In the wake of the haunting Steve Muhammad abuse allegations, the claims = of the late Nichole Muhammad were eerily similar to the ones in this = case. You would think the Colts would have steered clear of Green.
