SECTION B

REGULATIONS SPECIFIC TO SOCIAL WORKERS

(for additional information, see MS Code of 1972, Sections 73-54-1 et.seq.)

I. DEFINITIONS

"Social work Practice" means the professional activity directed at enhancing, protecting or restoring people's capacity for social functioning, whether impaired by physical, environmental, or emotional factors. It is the professional application of social work values, principles, skills, and knowledge directed to one or more of the following ends: helping people obtain tangible services; counseling or psychotherapy with individuals, families, and groups; helping communities or groups to provide and/or improve social and health services; engaging in consulting, research, and teaching relating to those ends and principles; and administering organizations and agencies engaging in such practice and participating in relevant legislative processes.

Social work practice is based on a specific body of knowledge and includes, but is not limited to, a special knowledge of social resources, social systems, human capabilities, and the part that past experiences play in determining present behavior. Social work practice is focused on the client's interaction with social systems and directed at helping people to achieve more adequate, satisfying, productive, and self-realizing social adjustments.

Social work practice includes, but is not restricted to, casework and the use of social work methodology of a non-medical nature with individuals, families, and groups and other measures to help people modify behavior or personal and family adjustment; providing information and referral services; explaining and interpreting the psycho-social aspects in the situation of individuals, families, or groups; helping communities to analyze social problems and human needs and the direct delivery of human services; and education and research related to the practice of social work. Engaging in activities which may overlap social work practice does not constitute social work practice.

B. "Clinical Social work Practice" means the application of social work methods and values in diagnosis and treatment directed at enhancing, protecting, or restoring people's capacity for social functioning, whether impaired by physical, environmental, or emotional factors.

C. "Examination" means that test or other measurement which is endorsed and prescribed by the Association of Social Work Boards (ASWB.)

D. "Association of Social Work Boards" (ASWB) is the national Association of Social Work Boards.

E. "Council on Social Work Education" (CSWE) is the national entity which accredits schools, departments, and programs of social work in higher education.

F. "Board of Examiners for Social Workers and Marriage and Family Therapists" (BOE SW/MFT) is the legislatively authorized regulatory board for practitioners in the respective disciplines of social work and marriage and family

therapy.

II. SOCIAL WORK LICENSES

A. Issuance of Licenses:

Professional licenses may be issued by the Board during any regular meeting at which there is a quorum present. Board staff may not issue licenses independently of Board action.

B. Types of License:

1. "LSW" (Licensed social worker) is the license held by an individual licensed to practice social work in the state of Mississippi at the baccalaureate level. (See Section VII-A: Guidelines of Practice LSW.)
2. "LMSW" (Licensed Master Social worker) is the license held by an individual, with a masters or doctoral degree, who is licensed to practice social work in the state of Mississippi at the masters level. (See Section VII-B: Guidelines of Practice LMSW.)
3. "LCSW" (Licensed certified social worker) is the license held by an individual who has fulfilled the requirements for LMSW and completed professional the requirements of the BOE SW/MFT for post-masters level and may supervision. This individual is licensed at the certified worker." hold himself/herself out to the public as a "clinical social worker." (See Section VII-C: Guidelines of Practice LCSW.)

C. Status of License:

1. Regular: Licensee has met all requirements for licensure and has maintained the necessary requirements for his/her license.
2. Probationary: The probationary status is issued to a licensee who is is non-compliant with social work regulations, whether it be failure to acquire and verify continuing education (SWUs) or an appropriate end to a disciplinary procedure.

When probation is the result of a continuing education deficiency, probations will continue until the next regular renewal cycle.

No probationary license will be renewed unless all continuing education deficiencies are collected AND current renewal requirements are met. For example, if a probationer lacks 1.5 SWUs, the probationer would require 5.5 SWUs to renew at the next renewal cycle. No licensee may go through a second renewal cycle without bringing all educational requirements up to date.

3. Inactive: Upon written request and submission of the annual renewal application and renewal fee, the Board may grant inactive status to a licensee who:
 - a. Does not practice as a social worker for compensation in the State of Mississippi.
 - b. Does not hold himself or herself out as a social worker or by any title set out in these Regulations that is likely to cause public confusion.

Reasons for requesting inactive status must be sent to the Board in writing. The Board will consider the request and will notify the licensee of its decision in writing. If inactive status is granted, the continuing education requirement will be waived. Inactive status is limited to all or part of only one two year renewal period. Any extension of inactive status will be made at the discretion of the Board, based upon a licensee's written request and justification. Request for inactive status shall be submitted at the licensee's specified time for renewal. If the licensee fails to return to active status at the end of the renewal period and no extension is granted by the BOE, the license will be considered lapsed. The licensee must then meet all the educational and testing requirements of a new licensee.

The regular active license and ID card must be surrendered to the Board within thirty days from the date of approval for inactive status. A return to active status will call for adherence to all rules and regulations for regular license as set forth in this document.

Disciplinary action will be taken against a licensee on inactive status who performs social work services for compensation or presents him/herself as a licensed social worker. One may continue to use academic indicators of degrees such as B.S.W., M.S.W., Ph.D., etc. Disciplinary action MAY include revocation of license for a period to be determined by the Board.

4. Retired: Licensees who are in good standing, may request retirement status designation from the Board. Retired, in this instance, means no longer receiving monetary compensation as a practitioner in the field of social work. Upon approval of such status, the licensee must surrender his/her regular license for a license bearing a status of "retired". The retiree must complete a signed affidavit of retirement as supplied by the BOE. The document should then be filed with the BOE. Note: Individuals, who hold licenses in this category, may not engage in social work practice for compensation.

All relicensure requirements are waived for a "retired" license, but processing costs will be charged for issuing the Aretired@ license. (See schedule in Section XI.) A licensee holding "retired" status must

meet

licensure requirements current at the time reinstatement is

requested.

5. Retiree Reinstatement: Should a licensee's period of retirement exceed two (2) years, retired licensees deciding to return to active practice in the field of social work must comply with the following:

- a. Submit an application for reinstatement to the MS BOE SW/MFT.
- b. A request must be made in writing to the Board in order to return to active status. The request should include the following:
 1. An explanation of the circumstances of the new practice setting;
 2. A description of the practitioner's proposed duties;
 3. A description of the agency's environment;

If the request is granted, the retiree will be expected to earn the full number of SWU's (4) for the licensure period in question.

Note: Failure to complete all steps in the retiree reinstatement process will result in the surrender of the applicant's license.

6. Denied: The Board may deny an applicant a license or fail to renew a license for the following reasons, including but not limited to: unacceptable

practice of the applicant; violation of the ethical code and/or standard of conduct; current (active) addiction to alcohol or drugs, other substances, or any other type of addiction; declaration of mental incompetence by the court or licensed qualified professional, pending disciplinary action; lack of appropriate social work degree; failure to renew license properly; probation broken by failure to acquire the continuing education hours required; or conviction of a felony.

7. Reinstatement: Licensees, who have had licenses revoked or denied, may apply for reinstatement by completing the following steps:
 - a. Making application for reinstatement
 - b. Paying all applicable costs
 - c. Providing documentation that previous infractions have been addressed/corrected, i.e., treatment for mental illness, alcohol and/or drug addiction or abuse or other substance addiction or type of abuse

G. Reporting Procedures for Continuing Education:

1. Sponsor Responsibility: It is the responsibility of each organization or sponsor of continuing education to provide the attendee with a written statement, verification, or certificate of attendance, which verifies the completion of the continuing education offering. This verification must include the following:

- a. Name of attendee
- b. Name of offering
- c. Date of offering
- d. Designated provider name as approved by the Board
- e. Location of offering
- f. Signature of organizer/sponsor or designee
- g. Amount of approved continuing education credit awarded

Issuance of the verification should be provided at the conclusion of an offering. Lists/rosters/receipts will not be accepted by the Board as verification of attendance.

Licensee Responsibility: It is the sole responsibility of the licensee to provide proof of participation in approved continuing education to the Board.

2. Sponsor Responsibility: It is the responsibility of the sponsor to ensure the attendance of attendees at all conference sessions when credit is being requested.

3. If a certificate of attendance is not provided by the sponsor, a licensee may use a form to be provided by the Board to verify attendance, provided it is submitted with all required supporting documents.

4. A notarized statement of having completed continuing education requirements shall only be submitted at the time of renewal with the renewal application and the applicable costs. (See Sections IX-B and IX-D for more detail.)

5. The Board may request verification of the credits submitted, including information regarding content, certification, and attendance from either the sponsoring entity of a CE offering or the respective licensee. It is the responsibility of the licensee to obtain records to substantiate credits. Failure to substantiate credits submitted or to submit documentation of insufficient continuing education credits will result in refusal by the Board to renew a license.

H. Random Audit of Continuing Education Documents (SWUs):

Approximately sixty days following each renewal deadline, the Board will conduct a random audit of continuing education documents. Audited licensees will be required to submit original certificates of continuing education within thirty (30) days of

the request. No photocopies of documents will be accepted. Licensees found to be fraudulent in reporting will be given opportunity for a hearing before the Board. Licensees determined to be negligent may be sanctioned accordingly.

I. Re-evaluation of Continuing Education:

A licensee who feels that evidence of continuing education was appraised incorrectly, may make a written request for re-evaluation. Verbal requests will not be honored.

If the Board suspends summarily a license under the provisions of this subsection, a hearing must begin as soon as practically possible after such a suspension begins, unless continued at the request of the licensee.

The Board may order a licensee to submit to a reasonable physical or mental examination, if the licensee's physical or mental capacity to practice safely is an issue in a disciplinary proceeding. All licensees consent to this procedure as a condition of licensure.

Failure to comply with a Board order to submit to a physical or mental examination

- B. The Board may revise the rules and regulations from time to time as the Board deems necessary.
- C. Once new or revised rules and regulations are adopted by the Board, the Board and all applicants and licensees must operate under the new rules and regulations. Marriage and Family therapy includes, without being limited to, individual, group, couple, sexual, family and divorce therapy. It involves an applied understanding of the dynamics of marriage and family systems, including individual psycho dynamics, the use of assessment instruments that evaluate individuals, couples and family members with regard to marriage and family functioning, and the use of psychotherapy and counseling.
- C. "Code of Ethics" means the current Code of Ethics of the American Association for Marriage and Family Therapy.
- D. "AAMFT" means the American Association for Marriage and Family Therapy.
- E. "COAMFTE" means the Commission on Accreditation for Marriage and Family Therapy Education.

MARRIAGE AND FAMILY THERAPY LICENSES

- A. Type of License: Licensed Marriage and Family Therapist (LMFT) is the license granted to an individual who has met and maintained all the qualifications necessary for licensure and the renewal of the license.
- B. Status of License
 1. Active or in Good Standing: When the licensee has met and maintained all the qualifications necessary for licensure, has renewed the license before the September 30 expiration date, has paid all fees and administrative costs on time, and there are no disciplinary actions against the licensee.
 2. Denied: When the Board determines that the applicant does not meet the requirement for licensure, or the board has substantial evidence that the applicant has violated the standards of conduct of the Code of Ethics or that the applicant is not of good moral character, or the applicant has not corrected the application deficiencies stated to the applicant in writing within the time allowed.
 3. Revoked or Suspended: The Board may revoke or suspend a license on grounds set forth in these regulations. The person may not practice marriage and family

therapy during the time the license is revoked or suspended unless the licensee qualifies to be excluded from licensure as a marriage and family therapist. The board may, at its option, reinstate the license when the conditions for reinstatement, if any are allowed by the Board, have been met, and the reinstatement process is followed.

4. Lapsed: Licensees who fail to renew their license biennially before or during September of the appropriate year, shall have their licenses lapsed. A licensee may not practice marriage and family therapy during the time their license is lapsed. The license may be reinstated within a two year period by following the reinstatement process. A license that has lapsed for more than two (2) years cannot be renewed or reinstated. The licensee must apply for a new license under the requirements, set forth in the rules and regulations that are in effect at the time the new application is received by the Board.

5. Inactive: Licensed Marriage and Family Therapists, who notify the Board, may place their licenses on inactive status and shall be excused from paying renewal fees until they notify the Board in writing of the intention to resume active practice.

a. All conditions related to the suspension or revocation of the license have been cured, and all requirements or disciplinary actions of the Board have been met or resolved to the satisfaction of the Board.

b. No fact, circumstance, or condition exists which, if the license were reinstated, would justify its revocation, suspension, or disciplinary action by the Board.

c. The former licensee verifies, by submitting to the Board a notarized affidavit, that they have not engaged in the practice of marriage and family therapy in this state or any other state, or used a title denoting marriage and family therapist qualifications since the expiration, suspension or revocation of their license, unless they qualify for exclusion from licensure as a marriage and family therapist, or they hold a valid license issued by another state and their practice was confined to the state which issued the license.

2. Reinstatement Application Process

a. The former licensee must submit to the Board a completed application for reinstatement on a form obtained from the Board, with all supporting documents attached.

b. The former licensee includes a letter with the application for reinstatement explaining the reasons for applying for reinstatement.

c. The former licensee provides evidence of having obtained acceptable continuing education to meet the requirements for the two (2) year period prior restoration.

5. Inaccurate information or misrepresentation of facts on any form submitted to the board may result in a denial of licensure or revocation of the license at a later date.

B. Board Consideration of Licensure Applications:

1. The Board will consider all applications under the rules and regulations for licensure that are in effect on the date the application was received by the Board.
2. The Board will consider the applications when all related items are in the file. If the Board approves the application, the applicant will be notified in writing. If the application is not approved, the applicant will be notified in writing of the reason(s).

Applicants may, at the discretion of the Board, be granted one additional extension, not to exceed six (6) months, for unusual extenuating circumstances upon a written request, with full explanation of circumstances, submitted to the Board before the expiration of the initial six months extension.

2. Abandoned Applications:

- a. Incomplete application on file for more than six (6) months from the date the first material was received from the applicant, or applications that have not been completed or made sufficient during the extended time granted by the board, will be declared abandoned by the Board and will be given no further consideration.

maintain an accurate address in their file by sending promptly to the Board a signed notice of any change of address.

d. Completed Application for Renewal: The Board cannot act on an application for renewal until it is complete with all the supporting documents, continuing education summary and the renewal fee.

e. Renewal Fee: the renewal fee covers the two year term, and must be paid in full with the renewal application and supporting documentation and no later than the expiration date of the license.

f. Responsibility of License for Renewal: It is the responsibility of the licensee to obtain a renewal application packet from the board, to obtain the required continuing education with verification, and to see that their license is renewed on time. Failure to receive a notice of renewal does not absolve the licensee of their responsibility to renew the license before the expiration date. Practice under an expired licence is prohibited. It is, likewise, a misdemeanor punishable by law.

g. Inactive Renewals: Anyone returning from inactive status must meet the continuing education requirements for the immediate two years prior to the application for renewal.

2. Reporting Continuing Education: The continuing education hours will be reported once every two years as part of the license renewal process. No continuing education hours are required for the first renewal period.
3. Sponsor Responsibility: It is the responsibility of each organization or sponsor of continuing education to provide the attendee with a written statement, verification, or certificate of attendance or CEU certificate which verifies completion of the offering. This verification must include:
 - a. Name of attendee
 - b. Name of offering
 - c. Date of offering
 - d. Designated provider name as approved by the Board
 - e. Signature of organizer/sponsor or designee
 - f. Amount of continuing education hours/CEUs awarded

5. The supporting documentation verifying the continuing education should be kept by the licensee and not sent to the Board unless the Board makes a request in writing for the documentation as a part of the audit process.

G. Random Audit of Continuing Education Documents

1. The Board may randomly audit a fixed percentage of the continuing education reports accompanying the renewal applications. Licensees whose reports are audited will be required to provide a copy of the official documentation of their continuing education activities. If a licensee fails to provide the Board in a timely manner (not to exceed thirty {30} days following the time they are notified of the audit) with official documentation of the total hours listed on their renewal application, the renewal application will not be approved and the license will lapse.
2. If, during the audit, the Board disqualifies any of the documented continuing education hours and the licensee does not have sufficient acceptable hours remaining for that renewal period, the Board, at its discretion, may renew the license under the conditions that the continuing education hours will be obtained within six (6) months of the notice of deficiency. Continuing education hours acquired to meet the deficiency may not be applied to any other renewal period. If the licensee does not rectify the deficiency within that six (6) month period, the license will be subject to revocation for failure to comply with the continuing education requirements.

H. Waiver of Continuing Education:

The Board may grant a waiver for up to one-half of the thirty-five (35) hours of continuing education required for any two year renewal period, if it can be shown to the Board that the ability to comply was beyond the capabilities of the licensee, i.e., severe illness, disability, residence abroad or other reasonable cause. The license must state in a written request for waiver that they did not practice marriage and family therapy during the

portion of the renewal period for which the waiver is requested. Such request for waiver must be accompanied by written documentation acceptable by the Board.

C. Change in Name: It is the responsibility of the licensee to notify the Board promptly, no later than 30 days following the change of name, of any change in their name and to request a new certificate of licensure showing the appropriate name. All requests for a name changed must be made in writing, signed and notarized, and accompanied by a certified copy of the legal document which changed the name, and the appropriate fee or administrative cost. Licensees will be in violation of the standards of practice if they practice using a name different from the one appearing on their license certificate, and will be subject to disciplinary action by the Board.

FEES AND ADMINISTRATIVE COSTS FOR LICENSED MARRIAGE AND FAMILY THERAPIST

A. Philosophy: The Board receives no financial appropriation from the State to underwrite the costs of providing the licensure services. The Board is very sensitive to controlling costs, but fees and administrative costs are necessary for licensure to exist.

B. The Fee Schedule is as follows:

1.	Application for licensure fee, non-refundable	\$ 150.00
2.	Initial license fee, covers two (2) years	\$ 200.00
	(May be prorated for first year, see below)	
3.	Renewal fee, for two years	\$ 200.00
4.	The Board may charge administrative costs as follows:

C. General Rules Regarding Fees and Administrative Costs:

1. Fees and administrative costs are payable by cash (paid in person at the Board office only), check or money order, made payable to the Board of Examiners for SW/MFT.

2. Invalid or returned checks may result in the denial or suspension of the license.

3. The Board will not issue or renew a license until all outstanding fees and administrative costs have been paid.

4. The application fee must accompany the completed application, and is non-refundable.

5. When the Board notifies an applicant that their license application has been

approved, the initial license fee (prorated for the first year, if applicable) must be paid in full before the license can be issued.

6. The renewal fee must be paid on or before September 30 of the second year the license is in effect (the expiration date). The full renewal fee for two years must accompany the renewal application.

D. Proration of the First Year Portion of Initial License Fee:

Since all licenses have an expiration date of September 30, the initial license period may be less than two (2) full years, depending on the date the application was approved by the Board. The first years portion of the initial two (2) year fee may be prorated and billed in the following manner:

1. License applications approved between October 1 and March 31 will require the full initial license fee for the first two years.

2. For license applications approved between April 1 and September 30, the first years portion of the initial two (2) years will be reduced by one half, for a total initial license fee of (currently) \$150.00

E. Responsibility of the Applicant or Licensee:

It is the responsibility of the applicant or licensee to see that their license fees and renewal fees are paid in a timely manner. Failure to receive a notice of renewal or payment due from the board does not relieve the person of their responsibility to pay the fees before the deadline. The Board assumes no responsibility for fees that are lost in the mail, arrive late or otherwise do not reach the Board on time.

F. Adjustment of Fee Scale:

The Board may increase the fees at the discretion of the Board, within the limits provided by State Statue.
