First. That it is a railroad corporation duly chartered, organized and existing under and pursuant to the laws of the state of Mississippi, agreeable to application dated Nov. 15, 1897, signed by J. J. Newman and others, the Governor's Proclamation thereon issued November 28, 1897, and statement of organization signed by the directors and sworn to by one of them, dated the 21st day of December, 1897, all of which appears of record in the office of the Honorable Secretary of State, which record is hereby referred to as a part hereof as often as necessary for the purpose of this application.

Second. That section "b" of said application is in the following words and figures, to-wit:

"b. The terminal points of the proposed railroad are Hattiesburg, in the county of Perry, and Columbia, in the county of Marion, both in the state of Mississippi."

Third. The said proclamation of the Governor authorized the parties named in the said application: "to organize a railroad corporation with the terminal points of the said proposed railroad to be Hattiesburg, in the county of Perry, and Columbia in the county of Marion, and that the line of the said railroad shall extend through the portions of Perry and Marion Counties, lying between said points, in as direct a line as practicable, all in the State of Mississippi."

Fourth the said railroad company finds and would respectfully state and show the facts to be, that it is impracticable and inexpedient to extend said road to and use Columbia as its western terminal; that about 15 miles of said road has been constructed in a westward direction from said Hattiesburg, the eastern terminal, and is capable of being operated for freight and passenger traffic; and said company is desirous of soon extending the same about thirty additional miles.

Fifth. That the interest of the public, as well as of said company, will be best subserved by making a point on Pearl River, at or near Monticello, in Lawrence County, Mississippi, the Western terminal of said railroad—so that when completed it will extend in a northwesterly direction from said eastern terminal, in as direct a line as practicable, through the portions of the counties of Perry, Marion, Covington and Lawrence lying between the said last named terminal points—Hattiesburg in Perry county and a point on Pearl River at or near Monticello, in Lawrence county.

Wherefore, the premises considered, the said Pearl and Leaf Rivers railroad company prays this Honorable commission to grant it a hearing on this application; and that upon such hearing this Honorable Commission make an order authorizing it to change its said line of road so as to extend in a northwesterly direction from Hattiesburg, the present eastern terminal, through the counties of Perry, Marion, Covington and Lawrence, and that its western terminal be at a point on Pearl River, at or near Monticello, in Lawrence county, Mississippi, said road to be constructed on the most direct practicable line, and for such further relief as they may be entitled to and as in duty bound will ever pray, etc.

Pearl and Leaf Rivers Railroad Company.

Application of Natchez & Southern Railway Company.

To The Governor of the State of Mississippi:--

The undersigned present this their application for the creation and organization of a railroad corporation in the State of Mississippi, pursuant to the laws thereof, and they resepte fully state and show as follows, to-wit:--

First. On or about the 20th day of July, 1891, the Central Trust Company of New York, trustee as complainant, filed its bill of complaint, in equity, in the circuit court of the United States for the Southern District of Mississippi, against the New Orleans and Northwestern Railway company, a corporation created by the consolidation of the New Orleans & Northwestern Railway Company, said latter named company having been created by a legislative charter granted by the Legislature of the State of Mississippi, and the New Orleans, Natchez and Fort Scott Railway company, a corporation created under the general laws of the State of Louisiana, said consolidation being permitted and authorized by the laws of the State of Louisiana and by the laws of the State of Mississippi, and in which said suit in equity was ~~xxxxxxx~~ sought to foreclose the New Orleans and Northwestern Railway company's first mortgage dated first of July, 1890, and upon or about that day duly executed, acknowledged and delivered by said railway company to said Central Trust Company of New York; in which suit it was proposed to sell the whole of the mortgaged property and premises, being the railroads, property, privileges and franchises of said New Orleans & Northwestern Railway Company, as more specifically described in said first mortgage, which was executed by said Railway corporation under and by virtue of its act of incorporation enacted by the State of Mississippi, on the 14th day of March, 1884, whereby the said corporation was authorized to borrow money and mortgage its works, property, rights, privileges, and franchises, as well as under by virtue of the charter of said New Orleans, Natchez, Fort Scott, Railway Company, and the laws of the State of Louisiana in such cases made and provided. Such proceedings were had in the said cause that on the 14th day of July, 1902, a decree of foreclosure and sale was entered therein by the said circuit court of the United States for the Southern District of Mississippi, at Jackson Miss. Similar decree foreclosing such mortgage was entered in a similar suit brought by the Central Trust Company of New York, complainant, against the New Orleans and Northwestern railway company, as defendant, in the Circuit Court of the United States for the Western District of Louisiana, on the 31st day of May, 1902. In and by said decrees Girault Farrar and Guy M Hornor were appointed special masters to execute the said foreclosure decrees, and to make the sale of property therein provided for and directed.

In pursuance of such appointment the special masters afterwards, to-wit, on the 20th day of September, 1902, after due advertisements and notices of sale as prescribed in the said decree at public auction at the deppot of said New Orleans and Northwestern Railway company in the town of Rayville, State of Louisiana, on the day and at the hour fixed by said special masters in their advertisements of sale, in accordance with the request of the solicitors for complainant, and in the manner specified and directed in the said decree, did sell all and singular the railroad, equipment, property, premises, rights, privileges, franchises, credits and assets which the said special masters were by the said decrees to sell, upon the terms and conditions in the said decrees fully and at large set forth, to which decrees reference is hereby specially and expressly made.

At such sale Edwin C Merriam, of the city of St. Louis, State of Missouri, became the purchaser of all such railroad, property, franchise, rights, credits and assets, of such railway company, situated and located in the State of Mississippi and designated in the said decrees as the Mississippi portion of lot, for the price and sum of two hundred and fifty thousand dollars.

The said purchaser in full discharge of his bid therefor, delivered to said special masters the sum of two hundred and fifty thousand dollars in receivers' certificates, operating against said railroad and property as a first lien and privilege, in addition to depositing with such special masters a certified check for the sum of ten thousand dollars, to cover and pay all prior costs and charges operating against said Mississippi portion or lot, such as costs and charges of the complainant, or the fees and disbursements of the solicitors for said complainant as well as the charges of said sale and the compensation of the special masters aforesaid; and as authorized by said decree, the said special masters did duly make their report of the said sale to the said Circuit Courts of the United States for the Southern District of Mississippi and the western District of Louisiana, and the said sale has been by decrees entered of record, duly approved and confirmed by the said courts, subject to the compliance by the purchasers with all the terms and conditions of said foreclosure, decrees, and sale, and the said decrees of confirmation. Pursuant to an order made by the said Courts in the said Suits, the said Girault Farrar and Guy M Hornor, as special masters, upon the terms and conditions, set out in the said decrees of confirmation, have executed acknowledged and delivered a conveyance of all and singular the property, premises, rights, privileges, franchises, credits and assets so sold to the said purchaser thereof, subject to the payment of all outstanding and unpaid receivers' notes and obligations issued under the orders of court in the said suits by the receiver therein, and subject to all other claims and obligations which may properly be due

and chargeable and payable as per said decrees of said courts; and a duly certified copy of which said conveyance is presented herewith, and is to be considered in all respects as though set out in extenso herein.

All the interest of said purchaser at said sale has been duly assigned to your petitioners with the view of organizing the corporation herein proposed..

Second. The amount of money paid for the property by the said purchaser was as above stated.

The real value of the property so purchased is one hundred thousand dollars. The probable future value of the terminals and franchises in and at the City of Natchez will exceed two hundred and fifty thousand dollars, and it is proposed to capitalize such property and terminals in Mississippi at two hundred and fifty thousand dollars, divided into twenty-five hundred shares of \$100 each, the authorized capital stock, one complying with the charter provisions and with the law, to be increased to such an amount as may be deemed necessary and advisable for the purpose of said railway corporation. The said railway corporation is to have the right and authority to issue bonds, secured by mortgage and deed of trust on its railroads, its property, its franchises, its income, earnings, revenues, profits and assets, of every kind and nature, for the purpose of such corporation, and as may be permitted by its charter and the laws of the state of Mississippi.

Third. The name of such former railway company or corporation is the New Orleans & Northwestern Railway Company.

The terminals of such railroad at the present time are Natchez, in the State of Mississippi, and at the boundary line between the States of Louisiana and Arkansas. The location of such railroad is on a continuous line extending northwesterly from Natchez by way of Vidalia La., to the boundary line between the States of Louisiana and Arkansas, crossing the Mississippi state line over the Mississippi River, at or near Natchez Miss. to the town of Vidalia, in the state of Louisiana, and thence running northwesterly through the parishes of Concordia, Franklin Richland, and Morehouse, in the State of Louisiana, to the boundary line between the states of Louisiana and Arkansas, as aforesaid, the total length of said Railroad, now completed, being one hundred and eighteen 25/100 miles, and the total mileage in the State of Mississippi being two and 49/100 miles.

Fourth. The names, residences and postoffice addresses respectively of said applicants are as follows:—

J N Luce, New Orleans, La., Fred G Hudson, Monroe La. Edwin G Merriam, St. Louis Mo.

Fifth. The terminal points of the proposed railroad in Mississippi are from a point on the Mississippi River at or near the City of Natchez in the county of Adams, on or by the route which the said company may ascertain and determine to be the most practicable or desirable toward the city of New Orleans, in the State of Louisiana, and to such point on the line dividing the state of Mississippi from said state of Louisiana as the company may determine upon, and to connect at said point with any railroad leading out or from said city of New Orleans to said point on said dividing line. It is furthermore proposed to build a branch line from said city of Natchez, in a southeasterly direction toward the city of Mobile, in the State of Alabama to the boundary line between said states of Mississippi and Alabama to some point on the Gulf coast of the state of Mississippi, and ~~such other branches~~ such other branches of their said road in the State of Mississippi as the directors thereof may deem necessary and proper to the business of said road ~~XXXXXX~~.

Sixth. The line of the proposed railroad in this state is the present line of the aforesaid New Orleans and Northwestern Railway company now actually operating in this state and as per the charter and amendments thereto, of said New Orleans and Northwestern Railway Company.

Seventh. The name by which the corporation is to be known is the Natchez and Southern Railway company.

Eighth. The railroad is now partially completed.

To expedite the recording of this application and for other purposes, eight counterparts thereof have been simultaneously executed, acknowledged and delivered; and this is to certify that although said number of counterparts are executed and delivered to the end that all or any one or more of them may be recorded, and used for such purposes, as aforesaid, any one or more of such counterparts when executed shall severally and collectively be deemed to be an original and for all intents and purposes to be one instrument.

And your petitioners respectively pray that your Excellency will, as provided by law, issue your proclamation authorizing your petitioners and their assigns to organize a railroad corporation as hereinbefore set forth.
