Honorable Lee M. Russell, Governor,
Jackson, Mississippi.

Dear Sir:

This is to advise you that I have examined the certified copy hereto attached of the charter of incorporation of the Mid-Central Oil & Gas Company, Inc. a corporation chartered under the laws of Louisiana, which desires to be domesticated under the laws of this State.

There are two matters contained in this charter that I desire to call your attention to in order that you may take care of them and obviate the objection in your certificate. The first is that the charter is for ninety nine years, whereas if they had incorporated under the laws of this State, it could have been but for fifty years. And I think that in your certificate you should expressly state that a domestication is for a period of fifty years only. The second matter is in reference to the rights granted the corporation as set forth in Article three, whereby the corporation is authorized to acquire land. I think your certificate should distinctly state that the acquisition and use of lands by the corporation is distinctly understood not to be in violation of the laws of this State,.

With these two matters taken care of in your certificate I think that the other rights and powers granted in the charter are in keeping with the rights and powers that might be granted a corporation chartered under the laws of this State.

Very truly yours,
FRANK ROBERSON, ATTORNEY GENERAL
BY D.C.ENOCHS, Assistant Attorney General.

The State of Mississippi.
Executive Department,
Jackson,

The within and foregoing Charter of Incorporation of "The Mid-Central Oil and Gas Company, Incorporated" is hereby approved with the following modifications, to-wit:

First, in Article I, the words "ninety-nine years" are hereby stricken out and the words "fifty years" are inserted in Lieu thereof.

Second, at the end of Article 3, the following is hereby inserted:
"Provided, however, that the acquisition and use of lands under the provisions of this Charter shall not be in violation of the laws of this state."

Third, in Article 4, the last sentence, to-wit:
"The capital stock of the incorporation may be increased to $500,000.00" is hereby stricken out.

In testimony whereof, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed this the 27th day of May, A.D., I922.

Amendment to Charter of Incorporation of Scranton Fire Co. No. 1.

Be it remembered that the regular meeting of the members of the Scranton Fire Co. No 1, held at the regular office and place of business of said corporation at which all the present members of said corporation were present either in person or by proxy, the following resolution was duly presented, seconded and unanimously adopted, to-wit--

Whereas, since this corporation was chartered andorganized, the legal and colloquial name of the City formerly Scranton, wherein this corporation is domiciled and doing business, has been changed to the City of Pascagoula, and the charter name of this corporation is not therefore territorially descriptive thereof, and whereas, on account of the growth in population and material wealth of said city, the limitation of $10,000.00 on the value of property which this corporation might legally own and possess has become insufficient particularly in view of the fact that this corporation proposes to erect at an early date a brick building to cost in excess of said limitation;

Now therefore, be it resolved as follows, to-wit: (1) that Section 1 of the charter of incorporation of Scranton Fire Co No 1 be and the same is hereby changed and amended so as to read as follows--Richard P Blalack, Martin V B Carey and Steven A Thompson and their associates are hereby incorporated by the name and style of the Pascagoula Central Fire Company and they are hereby authorized and empowered to sue and be sued, to have, hold, occupy, possess and enjoy goods and chattels, lands and tenements of the value of Fifty Thousand Dollars and to adopt a seal, the same to alter or renew at pleasure, and to adopt or make such bylaws, rules and regulations for the proper organization and government of said company, not inconsistent with the Constitution and laws of the United States and of the State of Mississippi, and the provisions of this act of incorporation, as they deem proper. (2) Be it Further Resolved, that hereafter the official name and style of this corporation shall be the Pascagoula Central Fire Fire Co. (3) That certified copy of this resolution beforwarded to the Secretary of State to be by him submitted to the Governor and Attorney General as provided by law for ratification, and upon such ratification that the same do take effect from date hereof.

W W Walker, Secretary.
