RECORD OF CHARTERS 26-STATE OF MISSISSIPPI

#27067

State of Mississippi,
County of Hinds,
City of Jackson.

Know all men by these presents, That at three P.M. Thursday, February 4, 1926, strictly in accordance with the by-laws of the Bankers & Merchants Fire Insurance Company and strictly in accordance with the laws of the State of Mississippi, there was held in the Home Office of the Bankers & Merchants Fire Insurance Company, at 116 North Congress Street, Jackson, Mississippi, the annual meeting of the stockholders of the Bankers & Merchants Fire Insurance Company.

"The 1st Vice President, Mr. H.V. Watkins, stated that inasmuch as the President, Mr. Kennington, was absent from the State, it became his duty to preside over the meeting and that the first question to come up would be the determination of whether or not a majority of the stock was represented either in person or by proxy."

"There being 18,383 shares represented as against 30,725 outstanding, a quorum was declared, and the meeting was ready to transact business."

"Mr. Watkins stated that while our construction of that part of Paragraph Four of Article 111 of the Articles of Association of the Bankers & Merchants Fire Insurance Company, which refers to the writing of collision insurance on automobiles is quite sufficient, still some question had arisen in another State in which we are entered as to whether the term, 'collision' would also include 'property' damage."

After further explanation by the Secretary as to just what each term implies, O.B. Taylor offered the following resolution which was seconded by C.E. Thompson and duly adopted:

"Motion to amend the Articles of Association of the Bankers and Merchants Fire Insurance Company.

"Resolved that Paragraph Four of Article 111 of the Articles of Association of the Bankers & Merchants Fire Insurance Company be amended to read as follows:

"Fourth: To insure against automobile fire, theft, collision and property damage and loss through parcel post.

"Be it further resolved that the President, or First Vice President, and Secretary be and are hereby directed and clothed with plenary authority forthwith to take all proceedings required by law to present this amendment to the proper State authorities and to any and all things necessary or required to put the same into effect."

We, H.V. Watkins, 1st Vice President of the Bankers & Merchants Fire Insurance Company, and Chairman of the annual stockholders' meeting, and W.C. Sours, Secretary of the Bankers & Merchants Fire Insurance Company, and Secretary of the Annual Stockholders' meeting thereof, do hereby certify that the foregoing is a true, correct and authenticated copy of that part of the minutes of the annual stockholders' meeting of the Bankers & Merchants Fire Insurance Company, held at 3 P.M. Thursday, February 4, 1926, at the Home office of the Bankers & Merchants Fire Insurance Company, 116, North Congress Street, Jackson, Mississippi, which has any reference of any kind whatsoever to the amendment of the Articles of Association of the Bankers & Merchants Fire Insurance Company; that said meeting was legally conducted in every particular and in strict compliance with said by-laws of the Bankers & Merchants Fire Insurance Company and the statutes of the State of Mississippi.

And that the minutes of said meeting are found recorded on Page 189, et. seq. of the minutes of Stockholders Meetings of the Bankers & Merchants Fire Insurance Company, Volume 1.

Certified to by us under the corporate seal of the Bankers & Merchants Fire Insurance Company, this the 20th day of February, 1926.

Approved February 23, 1926.

Filed and certificate of Incorporation issued Feb. 13, 1925.

Charles U. Becker, Secretary of State.

St. Louis, Missouri, June 22, 1925.

Be it Known by These Presents:

On the 8th day of May, 1925, a meeting of the stockholders of the St. Louis Agricultural Credit Corporation, a corporation under the laws of the State of Missouri, was held at its office in the City of St. Louis, State of Missouri, for the purpose of increasing the capital stock of said corporation from Twenty Thousand Dollars (\$20,000.00) to Eight Hundred Thousand Dollars (\$800,000.00) and to provide for the classification of said stock as "Class A. Common Stock" and "Class B. Common Stock" and to divide the number of shares into six thousand (6,000) shares of "Class A Common Stock" and two thousand (2,000) shares of "Class B Common Stock" each of the par value of \$100.00 each; also to increase the number of directors of said corporation from eight (8) to nine (9); also to amend Section Seven of the Articles of Incorporation relative to the purposes for which said corporation was formed; also to elect an additional director; and to amend Section Four of Article Two of the by-laws of said corporation. Notice as to the time of holding such meeting was waived by the unanimous consent of all the stockholders of said corporation.

There were present at such meeting in person all of the share holders of said corporation. The meeting was called to order at nine o'clock A.M. and was organized by choosing L.L. Beavers, a Director in said Company, Chairman and D.M. Hardy, Secretary thereof.

Thereupon, a proposition was submitted to increase the capital stock of said corporation from Twenty Thousand Dollars (\$20,000.00) to eight Hundred Thousand Dollars (\$800,000.00), and to divide said stock into six thousand (6000) shares of "Class A Common Stock" and two thousand (2000) shares of "Class B Common Stock" of the par value of \$100.00 each that three thousand (3000) shares of "Class A Common Stock" and one thousand (1000) shares of "Class B Common Stock" having been subscribed and actually paid for in lawful money of the United States and is in the treasury of said company, that certificates for said stock shall issued in due course; that the additional unissued stock shall be issued as paid for at the rate of \$100.00 per share, provided that the additional unissued stock shall be issued only at the ratio of three (3) shares of "Class A Common Stock" to one (1) share of "Class B. Common Stock"; that each class of stock shall have full voting powers; that neither class of stock shall be subject to call; that each class of stock shall have the rights under the laws of the State of Missouri as ordinary common stock except as otherwise hereinafter provided."

"That "Class A. Common Stock" shall be paid dividends at the rate of seven per cent. (7%) per annum before any dividends may be paid on "Class B. Common Stock" said dividends on "Class A. Common Stock" to be cumulative and said dividends to be payable from the net profits or surplus of the corporation if, when and as declared by the directors thereof. Thereafter "Class B. Common Stock" shall be entitled to receive if, when and as declared from the net profits or surplus of the corporation, dividends at the rate of seven per cent. (7%) per annum, which dividends shall be cumulative. After the dividends at the rate of seven per cent. (7%) per annum shall have been paid on each of the two classes of stock, including accumulated dividends, then all additional dividend payments made during that year shall be equally divided between the two classes of stock, i.e. the outstanding "Class A Common Stock" shall be entitled to fifty per cent (50%) of such payments after the dividends at the rate of seven per cent (7%) per annum on each class of stock. and "Class B. Common Stock" shall be entitled to the remaining fifty per cent (50%); it being meant that, if in any fiscal year, the earnings of the corporation shall be sufficient, after payment of a dividend of seven per cent (7%) on the outstanding shares of "Class A Common Stock", plus accrued dividends, and seven per cent (7%) on the outstanding shares of "Class B. Common Stock" plus accrued dividends, to permit the payment of additional dividends in that year, then the outstanding shares of "Class A Common Stock" shall share equally in fifty per cent. (50%) of said excess dividends, as if and when paid, and the outstanding shares of "Class B. Common Stock" shall share equally in the remaining fifty per cent. (50%) of said excess dividends."

"That in case of liquidation, whether voluntary or involuntary, "Class A Common Stock" shall be entitled, first, to payment at par, and accrued dividends and then "class B. Common Stock" shall be paid up to par and accrued dividends; and thereafter, if there is a surplus or any additional assets left for distribution, fifty per cent. (50%) thereof shall be divided equally among the shares of "Class A Common Stock" and the remaining fifty per cent. (50%) thereof to be divided equally among the shares of "Class B Common Stock";

"That the owners and holders of the present outstanding stock of the corporation shall surrender said stock and receive therefor one (1) share of "Class B Common Stock" for each share of said stock surrendered."

And upon canvassing the votes cast it appeared that all of the stock of the corporation had been voted in favor of such proposition.

The amount of the capital stock of the Company paid up is Four Hundred Thousand Dollars (\$400,000.00).

The amount of the assets of the company is Four Hundred Thousand Dollars (\$400,000.00).

The amount of the Liabilities is Four Hundred Thousand Dollars (\$400,000.00).

The amount to which the capital stock of the company is increased is Eight Hundred Thousand Dollars (\$800,000.00). Divided into six thousand (6000) shares of "Class A Common Stock" at the par value of \$100.00 each, and two thousand (2000) shares of "Class B Common Stock" of the par value of \$100.00 each.

Fifty per cent. (50%) of said increase of capital stock has been actually paid up in lawful money of the United States, and is in the hands of the board of directors of the Company.

Thereupon a proposition was submitted to amend Section Five of the Articles of Incorporation to change the number of the Board of Directors from Eight (8) to nine (9) share-holders.

And upon canvassing the votes cast it appeared that all of the stock of the corporation had been voted in favor of such proposition.

Thereupon, a proposition was submitted to amend Section Seven of the Articles of Incorporation, relative to the purposes for which the corporation was formed, so that said section seven shall read as follows:

"Seventh: That the corporation is formed for the following purposes:

(1) To make advances upon, to discount, rediscount, or purchase, and to sell or negotiate, with or without its endorsement or guaranty, notes, drafts, or bills of exchange and to accept drafts or bills of exchange, which are issued or drawn for an agricultural purpose, or the proceeds of which have been or are to be used for an agricultural purpose in harmony with the purposes of Sections "202 and 203" of the "Federal Farm Loan Act" and with non contrary to the laws of the State of Missouri.

 (7) To do any or all things set forth in this certificate as objects, purposes, powers, or otherwise, to the same extent and as fully as natural persons might do and in any part of the world".

And upon canvassing the vote cast thereon it appeared that all of the Stock of said corporation had been voted in favor of such amendment.

Dear Sir:

Re: Domestication-Yellow Cab Company of New Orleans.

I beg to return herewith enclosed copy of the original charter of the above corporation which you referred to me under Section 4090 of Hemingway's Code some months ago. For various reasons action on this matter was deferred.

In my opinion this corporation may be domesticated in Mississippi, and that its provisions are not violative of the constitution or laws of the State. While the corporate existence as stated by the charter is for ninety-nine years, yet in my opinion this is not sufficient to deny domestication. The reason for this is that Section 178 of our constitution which provides that corporations should be formed under general laws only, also makes as the maximum period of existence for corporations ninety-nine years. Section 4070 of Hemingway's Code in setting out the application form for domestic corporations seems to place a limit of fifty years as the period of existence but we hold that this section is applicable only to such corporations as are created in and by the State of Mississippi; that there is no prohibition by statute as to any period between fifty years and that set by the Constitution. There were other matters considered by us in passing on this domestication, and, in fact, it was held up for considerable period, but in order to clear our files and by reason of careful study of its provisions, we have come to the conclusion that domestication may be had.

We herewith return all papers in regard to the matter.

Yours very truly,

Rush H. Knox, Attorney General

I beg to return herewith enclosed copy of the original charter of the above corporation which you referred to me under Section 4090 of Hemingway's Code some months ago. For various reasons action on this matter was deferred.

In my opinion this corporation may be domesticated in Mississippi, and that its provisions are not violative of the Constitution or laws of the State. ~~XXXXXXXXXX~~ While the corporate existence as stated by the charter is for ninety-nine years, yet in my opinion this is not sufficient to deny domestication. The reason for this is that Section 178 of our constitution which provides that corporations should be formed under general laws only, also makes as the maximum period of existence for corporations ninety nine years. Section 4070 of Hemingway's Code in setting out the application form for domestic corporations seems to place a limit of fifty years as the period of existence but we hold that this section is applicable only to such corporations as are created in and by the State of Mississippi; that there is no prohibition by statute as to any period between fifty years and that set by the constitution. There were other matters considered by us in passing on this domestication and in fact, it was held up for considerable period, but in order to clear our files and by reason of careful study of its provisions we have come to the conclusion that domestication may be had.

We herewith return all papers in regard to the matter.
