Said corporation to be located at Johnson City, Tennessee, Sells Bldg., Main & Roan Street, and shall have an authorized capital stock of \$100,000.00, divided into shares of the par value of one hundred dollars each.

The general powers of said corporation are: To sue and be sued by the corporate name.

To have and use a common seal, which it may alter at pleasure. If no common seal, then the signature of the name of the corporation by any authorized officer, shall be legal and binding.

To purchase and hold, or receive by gift, in addition to the personal property owned by said corporation, any real estate necessary for the transaction of the corporate business, and also to purchase or accept any real estate in payment or part payment of any debt due to the corporation, and sell realty for corporation purposes.

To establish by-laws, and make all rules and regulations, not inconsistent with the laws and the Constitution, deemed expedient for the management of corporate affairs.

To appoint such subordinate officers and agents, in addition to a President, and Secretary or Treasurer, as the business of the corporation may require.

To designate the name of the office, and fix the compensation of the officer.

To borrow money, and issue notes or bonds upon the faith of the corporate property, and also to execute a mortgage or mortgages as further security for payment of money thus borrowed.

The following provisions and restrictions are coupled with said grant of powers:

"A failure to elect officers at the proper time does not dissolve the corporation, but those in office hold until the election or appointment and qualification of their successors.

The term of all officers may be fixed by the by-laws of the corporation; the same not, however, to exceed two years.

The corporation may, by by-laws, make regulations concerning the subscription for, or transfer of, stock; fix upon the amount of capital to be invested in the enterprise, the division of the same into shares, the time required for payment thereof by the subscribers for stock, the amount to be called at any one time; and in case of failure of any stockholder to pay the amount thus subscribed by him at the time and in the amounts thus called, a right of action shall exist in the corporation to sue said defaulting stockholders for the same.

The Board of Directors, which may consist of five or more members, at the option of the corporation, to be elected, either in person or by proxy, by a majority of the votes cast, each share representing one vote, shall keep a full and true record of all proceedings; and an annual statement of receipts and disbursements shall be copied on the minutes, subject at all times to the inspection of any stockholder. A majority of the Board of Directors shall constitute a quorum, and shall fill all vacancies until the next election. The first Board of Directors shall consist of the five or more incorporators who shall apply for and obtain the charter.

The books of the corporation shall show the original or subsequent stockholders; their respective interests; the amount which has been paid on the shares subscribed; the transfer of stock, by and to whom made; also other transactions in which it is presumed a stockholder or creditor may have an interest.

The amount of unpaid stock due from a subscriber to the corporation shall be a fund for the payment of any debts due from the corporation, nor shall the transfer of stock by any subscriber relieve him from payment, unless his transferee has paid up all or any of the balance due on said original subscription.

By no implication or construction shall the corporation be deemed to possess any powers except those hereby expressly given or necessarily implied from the nature of the business for which the charter is granted, and by no inference whatever shall said corporation possess the power to discount notes or bills, deal in gold or silver coin, issue any evidence of debts as currency, or engage in any business outside the purpose of the charter.

The right is reserved to repeal, annul, or modify this charter. If this charter is repealed, or if the amendments proposed, being not merely auxiliary, but fundamental, are rejected by a vote representing more than half of the stock, the corporation shall continue to exist for the purpose of winding up its affairs, but not enter upon any new business. If the amendments or modifications, being fundamental, are accepted by the corporation aforesaid in a general meeting to be called for that purpose, any minor, married woman, or other person under disability, or any stockholder not agreeing to the acceptance of the modification, shall cease to be a stockholder, and the corporation shall be liable to pay said withdrawing stockholders the par value of their stock, if it is worth so much; if not, then so much as may be its real value in the market on the day of the withdrawal of said stockholders as aforesaid; provided, that the claims of all creditors are to be paid in preference to said withdrawing stockholders.

SUBJECT: CHARTERS.
Governor H. L. Whitfield,
Jackson, Mississippi,
Dear Governor:

I enclose proposed amendment to the charter of incorporation of Totten Veneer & Lumber Company.

I have examined this proposed amendment and in my opinion the amendment is lawful in some respects and in others, I do not think it can be approved. However, the stockholders of the corporation have agreed, through their attorney, and I now recommend that the proposed amendment, insofar as the capital stock is raised from \$25,000.00 to \$75,000.00 be approved, and that as to the right to continue to do business when \$23,700.00 of the stock is issued and paid in full, that it be approved and that the right to issue first preferred stock should be granted, but this right should be exercised only in a manner not inconsistent with law.

Yours very truly,

Rush H. Knox, Attorney General.
By J. L. Byrd, Assistant Attorney General.

State of Mississippi,
Executive Department, Jackson.

The within and foregoing Amendment to the Charter of Incorporation of Totten Veneer & Lumber Company is hereby approved, provided that the First Preferred Stock may be issued in a manner not inconsistent with law.
