B. F. Worshom, Notary Public.

My commission expires the 12th day of December, 1932.

MINUTES OF MEETING OF BOARD OF DIRECTORS OF THE
PURE MOTOROIL SYSTEM OF CORINTH.

The Board of Directors of the Pure Motoroil System, of Corinth, Miss., met at its place of business pursuant to call and for the special purpose of considering an Amendment to its Charter. The President presiding over the meeting and there being present a quota when the following proceedings were had and attended to, to-wit:

It was brought to the attention of the Board that the Amendment to its Charter as set out in the Minutes of the last meeting of this Board was perhaps incorrect in that some of the shares were of one par value and some of another par value; and especially was it brought to the attention of the Board that the Attorney General, to whom the Amendment had been submitted, objected to the Amendment to the Charter as submitted and suggested the change in the Amendment so as to make each share of common stock of equal value.

It was considered and discussed that it was of no special concern of the Company as to whether the shares were divided into \$1.00 par value of \$25.00 par value and that it would be satisfactory to amend the Charter so that all of the stock would be common and of the same class and so that instead of having 400 shares of the par value of \$25.00, that the stock might be divided into 10,000 shares of the par value of \$1.00 per share. Whereupon the following resolution was offered, to-wit:

"WHEREAS, The Charter of Incorporation of the Pure Motoroil System of Corinth, Miss., provides for a total issue of \$10,000.00 of stock, the same being all common stock and being in 400 shares of the par value of \$25.00 each, and it is desired and considered best by the Board of Directors that the said stock should be divided as follows: 10,000 shares of the par value of \$1.00 each instead of as provided in the Original Charter; and

WHEREAS, In so far as the Company is concerned this would in no way affect the status of the Company nor increase nor diminish its obligations nor in any way interfere with its affairs or operations.

NOW, THEREFORE, Be it resolved by the Board of Directors, that the Fifty Clause of the said Charter be, and it is hereby, amended to read as follows, instead of as it appears in the Original Charter, to-wit:

"5. Number of shares for each class and the par value thereof: Ten Thousand (10,000) Shares of the par value of \$1.00. All common stock."

Be it further resolved that J. F. Perkins, President, J. P. Huggins, Secretary and L. M. Erwin be and they are hereby appointed a Committee to apply for the Amendment for the said Charter as aforesaid.

Be it further resolved that the resolution adopted at the last meeting of the Board as shown on the Minutes thereof made concerning the Amendment of this meeting be, and the same is hereby, set aside and cancelled."

The foregoing resolution was presented and on motion duly made and unanimously carried it was adopted.

There being no further business, the meeting adjourned.

J. F. Perkins, President.

J. P. Huggins, Secretary-Treasurer.

Amendment to Corporate Charter of

THE SOUTHERN COMPANY.

At a special meeting of the stockholders of The Southern Company, a corporation chartered under the laws of the State of Mississippi, held in the office of the corporation in the City of Jackson, State of Mississippi, on the 25th day of February, 1929, the following resolution was duly and regularly passed by the affirmative vote of a majority of the holders of preferred stock, and by the affirmative vote of a majority of the holders of common stock, having no par value, of said corporation:

"Resolved, That paragraphs four and five of the original charter of said The Southern Company be amended so as to read as follows:

4. Amount of capital stock and particulars as to class or classes thereof:

(a) Five Hundred (500) shares of 7% preferred stock, each share of the par value of One Hundred Dollars (\$100.00), making the total amount of par value of preferred stock Fifty Thousand Dollars (\$50,000.00). The said Fifty Thousand Dollars (\$50,000.00) of preferred stock shall be entitled to receive dividends at the rate of 7% per annum payable annually on January 1st, in each year, out of the earnings of said company in preference to any dividends upon the common stock, and said dividends shall be cumulative so that any deficiency in the dividends to be paid on said preferred stock in any year shall be made good out of the earnings of subsequent years before any dividend shall be paid upon the common stock; and on liquidation of this corporation, after all of the debts of the corporation shall have been paid, the assets, property and effects thereof shall first be applied to the payment of the said preferred stock at par, with any unpaid accumulation thereon, and before any payment is made to the holders of the common stock. The shares of preferred stock of this corporation shall have at all times full and equal voting power with the shares of common stock except that the preferred shares shall not be entitled to vote on the question of retiring the preferred stock. And the corporation shall have the option of retiring the preferred stock in whole or in part at any time or times by paying to such holders thereof the sum of One Hundred and Five Dollars (\$105.00) for each share of such preferred stock, together with any accumulated dividends due thereon. But such retirement or redemption of preferred stock can only be done on one month's notice by publication made one time in some newspaper published in the City of Jackson, Hinds County, Mississippi, after drawing by lot the share to be retired, when less than the whole number of outstanding shares are to be retired; provided, however, that such stock may not be retired if the corporation would be thereby rendered insolvent or its paid in capital be thereby reduced to less than the minimum amount required by its charter.

(b) Five Thousand (5000) shares of common stock, without nominal or par value, may be issued and sold for One Dollar (\$1.00) per share which price must be paid in cash or in property or in services at a valuation fixed by the board of directors of the corporation. The shares of common stock shall have full voting power on all questions, but shall be subordinate to the preferred stock as to 7% annual cumulative dividend during the life of the corporation and to the payment, upon liquidation, of the corporation, of the preferred stock at par value plus accumulated unpaid dividends out of the assets of the corporation; and thereupon and thereafter the common stock shall be entitled to receive all assets remaining after such payment of the preferred stock.

5. Number of shares for each class and par value thereof:

(a) Five Hundred (500) shares of 7% preferred stock of the par value of One Hundred Dollars (\$100.00) per share, aggregating Fifty Thousand Dollars (\$50,000.00).

(b) Five Thousand (5000) shares of common stock without nominal or par value, sale price of which is fixed at One Dollar (\$1.00) per share.

Resolved further that the Secretary shall take appropriate action to procure approval and recordation of this amendment."

I, E.D. Kenna, Secretary of The Southern Company, a corporation of Jackson, Mississippi, hereby certify that the above and foregoing is a true and correct copy of the resolution passed by the affirmative vote of a majority of the holders of preferred stock and a majority of the holders of common, or no par value stock, of said corporation, at a special ~~meeting~~ meeting of the stockholders of said corporation called for the purpose, held in the office of the company on the 25th day of February, 1929.

Believing that the business affairs of your Company now necessitates the immediate convening of the stockholders in a special meeting, I, the undersigned, duly elected, qualified and acting President of the NuGrape Bottling

RECORD OF CHARTERS 29-STATE OF MISSISSIPPI

Works, under the authority and discretion vested in me abovequoted, do hereby issue this call for a special meeting of the stockholders of this corporation, to be held in the office of the Company, at its plant in the City of Columbia, Marion County, Mississippi, on Tuesday, the 12th day of March, 1929, at 2:00 o'clock P.M., to the end th at the stockholders thereof may consider and act upon such matters pertaining to the Company's welfare as will then be submitted, as fully and legally as if said meeting were a regular meeting.

Attest:

T. V. Lott
President NuGrape Bottling Works,
a corporation.

G. W. Blackledge,
Secretary.

(Seal)

Thereupon the President stated that the object of said meeting was to discuss the advisability of increasing the capital stock of this corporation. He explained that the financial condition of the corporation, as heretofore reported, at the last stockholders' meeting, was such that additional working capital was imperative to prevent the insolvency and dissolution of the Company's business. That numerous past due bills had been presented and payment urged thereon; that claims were in the hands of attorneys against the Company, others had been sued upon and others reduced to judgment, and that the Company's income would not be sufficient to meet said pressing obligations on account of this being its off-season and its products not in demand until the return of warm weather. That the officers and directors of the Company, after careful consideration, desire to recommend to the stockholders an increase in the company's capital stock, to the end that the same might be immediately sold and the proceeds thereof used for the liquidation of the company's obligations now past due and unpaid.

Thereupon, after a full discussion of the situation, on motion of G. W. Blackledge duly seconded and passed, it is resolved that the Charter of Incorporation of the NuGrape Bottling Works of Columbia, Mississippi, be and the same is hereby authorized to be amended so that the paid-in capital stock of the said NuGrape Bottling Works be increased from the sum of \$4,000.00 to the sum of \$15,000.00, and that when said amendment is procured, that the Secretary be and he is hereby authorized to dispose of said additional \$11,000.00 of new capital stock and for the price of \$100.00 per share, cash, depositing the proceeds of the sale of said increased authorized capital stock to the Company's credit, to be used in the ordinary course of its business in the liquidation of its due and unpaid accounts.

That the Secretary, in selling and disposing of said stock, first, offer the refusal thereof to the present stockholders of record in proportion to the amount of stock that they now own and hold in this corporation, and th at no part of said increased capital stock be offered for sale to the public generally until after the same has been tendered at the price herein stipulated, to the present and existing stockholders of record.

That the Secretary be and is hereby authorized and empowered to secure the necessary legal assistance for the purpose of securing said amendment to this corporation's charter.

There being no further business to come before the stockholders, the meeting is adjourned, on this the 12th day of March, 1929.

G. W. Blackledge Secretary

The holders of the preferred stock shall be entitled to receive, when, and as declared by the Board of Directors, dividends from the surplus or net profits of the corporation at the rate of seven per centum (7%) per annum and no more, payable at such date or dates and in such installments as may from time to time be fixed by said board; and such dividends shall be cumulative and shall be payable or shall be set apart before any dividends shall be paid upon or set apart for the common stock, so that if all accrued dividends shall not at any time have been paid upon or set apart for the preferred stock, such deficiency shall be fully paid or set apart, but without interest, before any dividends shall be paid or declared upon the common stock.

In event of any dissolution, liquidation or winding up of the corporation the holders of the preferred stock shall be entitled, before any assets of the corporation shall be distributed among or paid over to the holders of the common stock, to be paid in full the par amount of their shares, together with all accrued and unpaid dividends thereon; and if such liquidation be voluntary, then the holders of preferred stock shall be entitled to receive an additional amount equal to five per centum (5%) of the par value of such shares. Except as otherwise required by the Constitution and Statutes of the State of Mississippi, and as herein otherwise provided, the holders of the common stock shall exclusively possess voting power for all purposes, and the holders of preferred stock shall possess no voting power; provided, however, that in case the corporation shall be in default in respect to the declaration and payment of full dividends on the preferred stock for a period equal to three years, then and in every such case the holders of preferred stock shall possess voting power for all purposes until all dividends for past dividend periods shall have been paid, whereupon such voting powers except that required by law, shall cease. When entitled to vote, holders of preferred stock shall have equal voting power, share for share, with holders of common stock, one vote for each share.

Out of any surplus or net profits of the corporation remaining after full cumulative dividends on the outstanding preferred stock for all previous dividend periods shall have been paid, and for the current dividend period shall have been declared and paid or provided for, then, and not otherwise so long as any of the preferred stock shall remain outstanding, dividends may be declared and paid upon the common stock in such amounts and at such time as may be determined by the board of directors.

OF
MISSISSIPPI OUTDOOR ADVERTISING COMPANY.

2. The names of the incorporators are: Garner W. Green, Jackson, Mississippi; Clara Melton, Jackson, Mississippi; P. Z. Jones, Jr., Jackson, Mississippi.
3. The domicile is at Jackson, Mississippi.
4. Amount of capital stock and particulars as to class or classes thereof:

The capital stock of this corporation shall consist of First Preferred stock, whereof there shall be One Thousand (1,000) shares, each of the par value of One Hundred Dollars (\$100.00) with the rights, privileges and obligations hereinafter set out under paragraph (a); and Common Stock, whereof there shall be Fifteen Hundred (1500) shares, without nominal or par value, with the rights, privileges and obligations hereinafter set out under paragraph (b). All shares shall possess the rights, privileges and obligations declared in paragraphs One to Six, both inclusive, which provide the particular rights of the respective classes.

1. From time to time by proper amendment any class of stock may be increased or decreased, or one or more additional classes of stock may be created, with such preferential, special, or qualified rights as may be lawfully determined and permitted, provided, however, that the amount of the First Preferred stock now authorized shall not be increased and no different or additional classes of stock shall be created which shall be on a parity with, or preferred thereover, in respect of payment of dividends and/or payment on retirement, liquidation or otherwise; nor shall the rights of said First Preferred stock be in any way added to, varied and/or altered, if written objection thereto shall be filed with the corporation by the holders of record of twenty five per cent (25%) in value of any class of Preferred stock now authorized and then outstanding, within twenty (20) days after mailing written notice of such proposed action to said Preferred stockholders at the addresses shown in the stock register, provided no notice need be given to any class when its rights, privileges and obligations are in no way affected by such proposed amendment.

2. All persons who shall acquire stock herein shall take the same, subject to the provisions hereof, but nevertheless a statement of the rights, privileges and obligations shall be set forth on the back of each certificate.

3. No stockholder shall have any pre-emptive or preferential right of subscription to any class of stock or to any obligations convertible into stock, or any right of subscription of any character other than such, if any, and at such price as the Board of Directors, in its absolute discretion, from time to time may determine, wherefor authority is herein conferred.

The directors may, when lawfully authorized, in accordance herewith and subject hereto, issue the stock or obligations convertible into stock without offering this or any part thereof to the stockholders; granting rights of subscription shall not be a waiver hereof, and the acceptance of stock shall be a contractual release effectually waiving any pre-emptive or preferential rights which otherwise existed.

4. Any unissued shares of stock may be issued from time to time by the corporation in such manner, amounts and proportions, and for such considerations as may be determined by the Board of Directors and as may be permitted by law, provided the common stock shall not be sold for more than One Dollar per share nor the First Preferred stock for more than One Hundred Dollars per share, and all issued shares when there shall have been received, therefor that fixed in accordance herewith by the Board of Directors, shall be fully paid and non-assessable.

5. Any shares of stock may be issued from time to time to any of the employees (including officers and directors) on such basis of classification and eligibility, with such payment therefor at such price, and with such credits for compensation for services as may be determined from time to time by the Board of Directors as fully paid and non-assessable.

6. The rights, privileges and obligations of the respective classes of stock hereunder created and/or to be created are as follows:

(a) First Preferred Stock:

(1) Each share of first Preferred stock shall be fundamentally and in all particulars co-equal with every other share thereof.

(2) The holders shall be entitled to receive when and as may be lawfully declared, cash dividends at the rate of six per cent (6%) per annum, payable annually, semi-annually, or quarterly, as the Board of Directors may elect, which six per cent (6%) dividends shall be cumulative, so that if any default shall be made in the payment of any dividend, the deficiency shall be fully paid or set apart, without interest, before any dividends shall be paid or set apart upon any other classes of stock.

(3) In addition to said six per cent (6%) cumulative dividend, the First Preferred stock shall be entitled to received when, if and as dividends are paid on the Common stock, and equal additional amount per share not to exceed the amount paid per share on the Common; but this extra amount of dividend shall not exceed on the Preferred Two Dollars (\$2.00) per share per annum, and when and after said six per cent (6%) is paid and this additional amount, not to exceed said Two Dollars (\$2.00) has been paid, then the Preferred stock shall have received as to dividends all that it shall hereunder be entitled to have. Said additional payments are not cumulative.

(4) In the event of any forced liquidation, the holders of the First Preferred stock shall be entitled, before any of the assets of the corporation shall be distributed among or paid over to the holders of any other class of stock, to be paid in full the par value of their shares plus an amount equal to six per cent (6%) per annum of the par value of such shares from the date of the issue thereof to the date of the payment, less the total amount of cumulative six per cent (6%) theretofore paid thereon, notwithstanding that the corporate assets may contain no surplus or net profits; and if the liquidation of the corporation be voluntary and not enforced, the holders of the First Preferred stock shall be entitled to the amount hereinbefore set forth, plus five per cent (5%) of the par value of each share then to be retired.

(5) The first preferred stock may be retired in whole or in part on any dividend payment date at the option of the Board of Directors, upon not less than sixty (60) days' prior notice in writing to the stockholders, given in such manner as may be prescribed by the directors by payment for each share of said stock at 105% of the par value, thereof plus an amount equal to six per cent (6%) per annum of the par value of such shares from the date of issue thereof to the date of payment, less the total amount of dividends theretofore paid thereon, notwithstanding the corporate assets may contain no surplus or not profits. If less than all the outstanding First Preferred shares are to be retired, such retirement may be made by lot or pro rata, as may be prescribed by the Board of Directors. From and after the date fixed in any such notice as the date of retirement, unless default shall be made by the corporation in payment of the retirement price, all dividends on the First Preferred stock thereby called for retirement, or to the extent of the retirement, if not fully retired, shall cease to accrue, and all rights of the stockholders hereof, except as aforesaid as stockholders of the corporation, except the right to receive the retirement price, shall cease and determine, if in full, or if pro tanto, then to that extent. No purchase by the corporation of shares of its First Preferred Stock shall be made at prices in excess of said retirement price, and no First Preferred stock held by the corporation shall be in any manner voted.

(6) So long as any of the First Preferred stock shall be outstanding, the

RECORD OF CHARTERS 29-STATE OF MISSISSIPPI

corporation shall not mortgage any of its fixed assets or pledge any of the shares of stock owned by it in any affiliated company or any subsidiary company, or create any funded debt, unless authorized so to mortgage, pledge or create such debt, by a vote or written consent of the holders of two-thirds in amount of the First Preferred stock then outstanding, but this provision shall not apply to purchase money mortgages, or property acquired subject to mortgage.

(7) Each share of the First Preferred stock shall have one vote.

(b) Common Stock:

(1) Each share of common stock shall be fundamentally and in all particulars co-equal with every other share thereof.

(2) The Common stock shall be subject to the rights of the First Preferred Stock.

(3) No dividends on the Common stock shall be paid or set apart until the Preferred stock shall have received all amounts of six per cent (6%) cumulative dividends whereto it may be entitled.

(4) Each share of Common stock shall have one vote.

5. Number of shares for each class and par value thereof:

1,000 shares First Preferred;

1,500 shares non par Common, with the rights, privileges and obligations hereinabove set forth.

6. The period of existence (not to exceed fifty years) is Fifty years.

7. The purpose for which it is created: The corporate purposes are to carry on, conformably to law, at one or more places, a general outdoor display, advertising and publicity business, to the same extent that any natural person might so do, namely:

1. Either as principal or as representative of another in any lawful capacity, generally to conduct a display advertising and publicity business.

2. Acquire, own and utilize commodities of every kind and character, manufacture and or condition any substance of any kind or character, and engage as principal, agent, or otherwise in any commercial activity.
