WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of forming and incorporating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the "Agricultural Association Law", and any amendments thereto, with all the benefits, rights, powers, privileges, and immunities given or allowed by said statute, or other laws of the State of Mississippi, in relation to corporations so formed, or amendments thereto; and for the purpose hereby adopt the following Articles of Association and Incorporation:

ARTICLE I. The name of the Association shall be THE COOPERATIVE GIN COMPANY OF INDIANOLA, A.A.L.

ARTICLE II. The domicile of the Association shall be at Indianola, Sunflower County Mississippi.

ARTICLE III. The period of existence of the association shall be fifty years from date hereof.

ARTICLE IV. The association shall be organized and operated under Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V. The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping, and otherwise handling cotton-seed and cotton-seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized under Article 1 Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The Association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI. The association shall have all the powers granted, authorized or allowed to associations organized under Article 1 of Chapter 99, of the Mississippi Code of 1930, or other laws of the State of Mississippi, or amendments thereto, granting corporate powers to cooperative associations.

ARTICLE VII. Section 1. The authorized capital stock of the association shall be \$25000.00, of which the sum of \$500.00 shall be common stock, divided into 100 shares of a par value of \$5.00 each, and \$24500.00 shall be preferred stock, divided into 245 shares of a par value of \$100.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm, or corporation shall own or hold at any one time more than one share of such common stock. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations, or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purpose and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold at any one time more than 15% of the preferred stock outstanding.

Section 3. All transfers of stock shall be made on the books of the association on surrender of the certificate covering the same by the holder thereof, or by attorney properly authorized, but only with the consent and approval of the board of directors, and when the stockholder is free from indebtedness to the association. N. Carpenter, having voluntarily offered to advance to the Bank, \$100,000.00 in cash and accept from the bank preferred stock to the amount of \$100,000.00; and

WHEREAS, on the 24th day of February, 1937 the Charter of the City Bank & Trust Company was further amended, converting the said preferred stock into common stock, the said Mr. J. N. Carpenter having voluntarily offered to surrender his preferred stock and accept therefor common stock; and

WHEREAS, these amendments had the effect of increasing the capital stock of the Bank from the previous capitalization of \$100,000.00 to the amount of \$200,000.00; and

WHEREAS, since the increase in the capital stock the surplus of the Bank has reached the sum of Fifty-five Thousand (\$55,000.00) Dollars; and

WHEREAS, the present capitalization and surplus of the City Bank & Trust Company amounts to the sum of Two Hundred Fifty-five Thousand (\$255,000.00) Dollars and in addition thereto there exists at this time undivided profits in ~~the~~ excess of the sum of Twenty-five Thousand (\$25,000.00) Dollars; and

WHEREAS, this large amount of capital stock surplus and undivided profits entails a great amount of taxes to be paid by the Bank and this large amount of capital stock surplus and undivided profits is unnecessary in order that the Bank may receive and hold the amount of deposits available in this community at this time; and

WHEREAS, it would tend to reduce the expenses of operation of the Bank by way of taxes for a portion of the capital stock to be retired; and

WHEREAS, the said capital stock has an actual value in excess of par and it is deemed by the stockholders and directors to be to the interest of the Bank that a portion of the capital stock be retired at par, provided the Department of Bank Supervision and the State Comptroller of said Department approve of said procedure;

Now, therefore, be it Resolved:

Section (1) That the Charter of the City Bank & Trust Company be and the same is hereby amended so that the outstanding capital stock shall be reduced from the present amount of \$200,000.00 to

RECORD OF CHARTERS 38-39 STATE OF MISSISSIPPI

"The Charter of the City Bank & Trust Company of Natchez, Mississippi is hereby amended so as to reduce the capital stock of said Bank from two thousand (2000) shares of the par value of \$100.00 a share to the amount of one thousand seven hundred fifty (1750) shares of the par value of \$100.00 per share so that the par value of the outstanding capital stock of City Bank & Trust Company, after the adoption and approval of this amendment as provided by law, shall be \$175,000 instead of \$200,000.00 as at present.

Section (2) Be it further resolved that offers be made to the stockholders of City Bank & Trust Company to purchase and pay for at par value \$25,000.00 of capital stock to be taken up and cancelled and retired and that the stockholder or stockholders agreeing to accept par value upon approval of this amendment to the Charter be offered the opportunity of surrendering certificates of capital stock to the amount of \$25,000.00 and receiving par value therefor.

Section (3) Be it further resolved that in the event a sufficient number of holders of capital stock shall not voluntarily agree to surrender their stock and accept par that then the capital stock of each stockholder be reduced in the proportion necessary to reduce the total outstanding capital stock to the sum of \$175,000.00 par value and that payment of \$25,000.00 of par value of the capital stock be made pro-tanto among the stockholders and capital stock to the amount of \$25,000.00 retired and the certificates of all outstanding stock reduced proportionately.

No. 8135 W

TO THE GOVERNOR OF THE STATE OF MISSISSIPPI:

Pursuant to and in compliance with the requirements of Section 6066 of Mississippi Code of 1930, as amended by Section 1 of Chapter 347 (approved March 18, 1938) of the General Laws of Mississippi of 1938, the undersigned persons, desiring the creation and organization of a railroad corporation, hereby apply therefore and declare:

(a) The name, residence and postoffice address of each of the applicants are as follows:

Name	Resident and Postoffice Address	Name	Residence and Postoffice Address
E. G. Bond, Jr.	Jackson, Mississippi	J. E. Heidelberg	Jackson, Mississippi
M. E. Collum, Jr.	Jackson, Mississippi	Walter L. Johnson	Jackson, Mississippi
E. E. Flournoy	Jackson, Mississippi	Edwin H. Rea	Jackson, Mississippi
W. F. Goodman	Jackson, Mississippi		

(b) The terminal points of the railroad are East St. Louis, in the County of St. Clair in the State of Illinois, and the City of Mobile in the County of Mobile, State of Alabama, and the City of Montgomery in the County of Montgomery in the State of Alabama. The said line extends southwardly from East St. Louis across the State of Illinois, the west end of the State of Kentucky and the western part of the State of Tennessee, and through the State of Mississippi, crossing the Mississippi-Tennessee boundary line in the County of Alcorn, State of Mississippi, at a point about 4 miles north of the City of Corinth in the said County of Alcorn and crossing the Mississippi-Alabama line at a point near the village of State Line in the County of Greene, State of Mississippi, and a line extends from Artesia, Mississippi, to Montgomery, Alabama, crossing the Mississippi-Alabama line at a point about 8 miles easterly from the City of Columbus, in the County of Lowndes, State of Mississippi.

(c) The authorized capital stock of the Corporation shall consist of 915,597 shares without par value of which 305,750 shares shall be \$5 Preferred Stock and 609,847 shares shall be Common Stock. The privileges, restrictions and other distinguishing characteristics of each class of stock are and shall be as follows:

1. Holders of shares of \$5 Preferred Stock shall be entitled to receive in respect of each calendar year dividends at the rate of \$5 per share per annum, payable quarterly on the first days of January, April, July and October of each year but only when and as declared by the Board or Directors, before any dividends shall be declared or paid upon or set apart for the Common Stock in respect of such calendar year. Holders of shares of \$5 Preferred Stock shall likewise be entitled to receive dividends at said rate in respect of the unexpired portion of the calendar year in which the shares shall be issued.

Such dividends shall be non-cumulative for a period of two years from the date on which operation hereunder is begun, so that, except to the extent that the Board or Directors shall declare dividends on the \$5 Preferred Stock within said period of two years, all rights of the holders of \$5 Preferred Stock to dividends in respect of such period shall terminate, regardless of the earnings of the Corporation for such period and of any application thereof not hereby prohibited.

Such dividends in respect of any calendar year after the expiration of said two years' period, shall be cumulative to the extent, and only to the extent, that the Corporation's net income for such calendar year available for dividends, after deducting

(a) all cash payments made by the Corporation during such calendar year to sinking and retirement funds and the cost to it of bonds and obligations delivered by it thereto in lieu of cash (except to special retirement funds for the retirement of mortgage bonds of the Corporation issued or to be issued to acquire equipment), and

(b) a sum equal to 3% of the total railway operating revenues of the Corporation for such calendar year, less net depreciation of roadway and structures charged as an operating expense during such calendar year,

shall be in excess of the dividends declared on the \$5 Preferred Stock in respect of such calendar year; provided, however, that the amounts by which accumulations or dividends on the \$5 Preferred Stock are reduced in respect of any calendar year or years by reason of the making of deductions pursuant to clauses (a) and (b) above shall constitute a special surplus account which, so long as any shares of \$5 Preferred Stock shall remain outstanding, may be used only for (i) the payment of dividends on \$5 Preferred Stock but only if and to the extent that such dividends cannot be declared and paid out of other earnings, profits or surplus of the Corporation, or (ii) the redemption or purchase and retirement of \$5 Preferred Stock; further provided that dividends paid and accumulated on the \$5 Preferred Stock in respect of any calendar year shall never exceed \$5 per share. Dividends shall correspondingly be cumulative during the unexpired portion of the calendar year during which said two year period terminates, and for the purpose of determining the extent of accumulations during said portion, the various items or account above enumerated, for the entire calendar year, and the maximum annual rate of dividend shall be prorated to said portion. In addition to all other restrictions herein contained on the declaration of dividends on the Common Stock, no dividend on the Common Stock shall be declared or paid or set apart unless and until all unpaid cumulative dividends on the \$5 Preferred Stock for prior dividend periods shall have been declared and paid or set apart nor unless and until dividends on the \$5 Preferred Stock for the then current dividend period shall have been declared and paid or set apart at the rate of \$5 per share per annum. Arrears in cumulative dividends shall not bear interest.

Subject to the foregoing restrictions upon the declaration of dividends on the Common Stock, dividends may at any time be declared and paid on the Common Stock, as the Board of Directors shall determine, out of earnings, profits or earned surplus of the Corporation.

For the purposes hereof, net income available for dividends shall be determined in the manner at the time uniformly prescribed for steam railroads by the Interstate Commerce Commission or other governmental authority having similar jurisdiction, or if no such authority shall so prescribe the same, then in accordance with sound accounting practice.

2. The Corporation, at the Board or Directors expressed by resolution, may at any time redeem the whole, or from time to time may redeem any part, of the \$5 Preferred Stock at the price of \$100 per share, plus an amount equal to the sum of (a) all declared or cumulative dividends thereon through the calendar year next preceding that in which the redemption date shall occur and remaining unpaid, and (b) dividends accrued thereon from the beginning of the then current calendar year to the redemption date at the rate of \$5 per share per annum and remaining unpaid. If less than all the outstanding shares of \$5 Preferred Stock are at any time to be called for redemption, the shares to be redeemed shall be selected by lot or pro rata in such manner as may be prescribed by the Board or Directors.

Notice of the intention of the Corporation to redeem any shares of \$5 Preferred Stock and of the date and place of redemption shall be mailed not less than thirty (30) days prior to the date of redemption to each holder of record of the shares to be redeemed at his last known postoffice address as shown by the records of the Corporation. The failure to mail any such notice to one or more such holders shall not affect the validity of such redemption as to the other holders. On and after the date of redemption stated in such notice (sometimes referred to as the "redemption date") each holder of shares called for redemption shall surrender his certificate for such shares to the Corporation at the place designated in such notice and thereupon shall be entitled to receive the redemption price. In case less than all the shares represented by any certificate are redeemed,

RECORD OF CHARTERS 38-39 STATE OF MISSISSIPPI

a new certificate shall be issued representing the unredeemed shares. If such notice of redemption shall have been given as aforesaid and if on or before the redemption date the aggregate redemption price of the shares to be redeemed shall have been set aside so as to be and continue to be available for the redemption of such shares, then, notwithstanding that the certificates representing any shares or stock so called for redemption shall not have been surrendered, the dividends on such shares shall cease to accrue after the redemption date and all rights with respect to the shares so called for redemption shall forthwith, after such redemption date, cease and determine, except only the right of the holders to receive the redemption price without interest. At any time after such notice of redemption or all or any part of the \$5 Preferred Stock shall have been mailed as aforesaid, the Corporation may deposit with any bank or trust company, referred to herein as the "depository", selected by the Board of Directors for that purpose in trust for the payment of the redemption price of the shares called for redemption, an amount in cash sufficient to pay the aggregate redemption price of such shares. After the making of such deposit, such shares shall not be deemed to be outstanding for any purpose and the rights of the holders thereof shall be limited to the right to receive payment of the redemption price (without interest) from such fund and such holders shall look for the payment of the redemption price only to such fund and in no event to the Corporation. All shares of \$5 Preferred Stock so redeemed shall be cancelled and shall not be reissued.

No shares of \$5 Preferred Stock shall be purchased by the Corporation or redeemed unless and until all unpaid cumulative dividends on the \$5 Preferred Stock for prior dividend periods shall have been declared and paid or set apart nor unless and until dividends on the \$5 Preferred Stock for the then current dividend period shall have been declared and paid or set apart at the rate of \$5 per share per annum. Except as herein provided the right of the Corporation to purchase shares of \$5 Preferred Stock at not exceeding their redemption price shall be unrestricted. So long as any of the \$5 Preferred Stock shall remain outstanding the Corporation shall not purchase any shares of Common Stock, or otherwise acquire any thereof for value, or otherwise make any distribution upon any Common Stock except by payment of dividends as hereby permitted.

Subject to the provisions hereof, of the Board of Directors shall have the authority to prescribe from time to time the manner in which the \$5 Preferred Stock shall be redeemed.

3. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, holders of shares of \$5 Preferred Stock shall be entitled, before any distribution shall be made to the Common Stock of the Corporation, to be paid in cash an amount per share equal to the redemption price thereof had they been called for redemption on the date such payment shall be made available to holders of \$5 Preferred Stock, regardless of whether dividends shall have been earned or declared. If upon such liquidation, dissolution or winding up of the Corporation, the net assets of the Corporation shall be insufficient to permit the payment upon all outstanding shares of \$5 Preferred stock of the full preferential amount to which they shall be respectively entitled as aforesaid, then the entire net assets of the Corporation shall be distributed ratably to all outstanding shares of \$5 Preferred Stock in proportion to the full preferential amount to which each such share shall be entitled as aforesaid.

Neither a consolidation nor a merger of the Corporation with or into any other corporation or corporations, nor the sale of all or substantially all of the assets of the Corporation shall be deemed to be a liquidation, dissolution or winding up within the meaning of any of the provisions of this instrument.

4. Each share of \$5 Preferred Stock and each share of Common Stock held of record at the time fixed for determining stockholders entitled to vote shall entitle the record holder thereof to one vote on all questions presented to meetings of stockholders.

5. No holder of stock of any class of the Corporation shall be entitled, as such, as a matter of right, to subscribe for or purchase any part of any new or additional issue of stock of any class whatsoever or of securities convertible into or evidencing the right to purchase stock of any class whatsoever, whether now or hereafter authorized and whether issued for cash, property, services or otherwise.

6. The Corporation shall not be required to issue fractional shares of stock but in lieu of fractional shares it may issue scrip in such form, of such denominations and, consistently with the provisions hereof, containing such terms, conditions and limitations as the Board of Directors may at the time of the issue thereof, prescribe. Scrip shall not entitle the holders to receive dividends or to vote or to any other rights of a stockholder unless and until consolidated with other similar scrip and exchanged into full shares; provided that, upon any liquidation, dissolution or winding up of the Corporation, holders of scrip shall be entitled to share in the distribution of the assets of the Corporation to the same extent as though their scrip represented fractions of shares; further provided that dividends, when declared on any class of stock, shall be declared upon the number of full shares of such class represented by scrip outstanding and dividends upon such number of full shares, when paid, shall be set aside to be paid over appropriately, without interest, upon the issue of stock certificates in exchange for scrip; further provided that scrip may specify a date, not less than two years from the date of original issue of any scrip of the same class, after which the Board of Directors may cause to be sold, at public or private sale, for the account of holders of such scrip, the number of full shares issuable in exchange therefor, the proceeds of such sale (plus dividends, set aside as aforesaid, upon the shares sold) to be held by the Corporation in trust for payment to such holders, against the surrender of their scrip, in accordance with their respective interests.

7. None of the provisions contained in this Article (c) shall be amended without the affirmative vote of the holders of at least a majority of the shares of \$5 Preferred Stock, and at least a majority of the shares of Common Stock, at the time outstanding, voting separately.

(d) The board of directors of the Corporation shall have authority to fix from time to time the consideration for which shares of stock of the Corporation without par value, of each class, may be issued and, from time to time, in the discretion of the board of directors, to change any consideration so fixed.

(e) 30,575 shares of Preferred and 60,984 shares of Common Stock will be subscribed and paid for before the Corporation commences business.

(f) The main line of the railroad in the State of Mississippi extends from the point where it crosses the Mississippi-Tennessee boundary line in the County of Alcorn through the counties of Alcorn, Prentiss, Lee, Chickasaw, Monroe, Clay, Lowndes, Noxubee, Kemper, Lauderdale, Clarke, Wayne and Greene, approximately 270 miles to the point where it crosses the Alabama-Mississippi line in Greene County, aforesaid; and a branch line extends from Artesia, Mississippi, approximately 23 miles to the Mississippi-Alabama line in the County of Lowndes in the State of Mississippi; and a branch extends from Muldon approximately 9 miles to Aberdeen in the County of Monroe, and another branch extends about 12 miles from Artesia, in the County of Lowndes, to Starkville in Oktibbeha County.

(g) The Corporation is to be known by the name of Gulf, Mobile and Ohio Railroad Company.

(h) The lines of railroad described herein are now in existence and are the lines known as the Mobile & Ohio Railroad. It is the purpose to acquire, improve and operate the said lines. It is hoped that the acquisition will be effected and the operation begun within two years from this date.

IN WITNESS WHEREOF, We, the applicants above named, have hereunto set our hands this the 9th

Each member shall also pay all obligations which may from time to time become due and payable by such member to the corporation as and when the same shall become due and payable.

Section 4. Each member shall be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members. Amendment to Charter of Incorporation
of
MAGNOLIA CASKET COMPANY INC.

At a meeting of the stockholders of Magnolia Casket Company Inc., held in the principal office or place of business of the company in Jackson, Hinds County, Mississippi, upon the 16th day of December, 1938, pursuant to notice legally and timely given, at which meeting there were present in person or by proxy the holders of a majority of the outstanding capital stock of the company, the following resolution amending the charter of incorporation was unanimously adopted, to wit:

"Whereas, under articles or paragraphs 4 and 5 of the charter of this corporation the amount of capital stock was fixed at one thousand (1000) shares of common stock without nominal or par value which was fixed to sell at not more than \$5.00 per share, and authority to the board of directors to fix or change the sale price thereof, and

"Whereas, the stockholders deem it advisable and for the best interest of the company that the charter of incorporation of the company be amended so as to provide for an authorized capital of ten thousand (10,000) shares of Class "A" Common Stock of the par value of one dollar (\$1.00) per share, and ten thousand (10,000) shares of Class "B" Common Stock of the par value of fifty cents (.50¢) per share; the Class "A" Common Stock to have a prior right to receive dividends of five cents (.05¢) per share before any dividend shall be paid on Class "B" Common Stock, and thereafter the two classes of stock to receive equal amount of dividend per share.

"Therefore, be it resolved that article or paragraph 4 and 5 of the charter of incorporation be amended to read as follows;

4. The authorized capital shall consist of ten thousand (10,000) shares of Class "A" Common Stock of the par value of \$1.00 per share, each share of class "A" Common Stock to have prior right to receive a dividend of .05¢ before any dividend shall be paid to the Class "B" Common Stock and thereafter the two classes to receive equal amount of dividend per share; and ten thousand (10,000) shares of Class "B" Common Stock of the par value of .50¢ per share, no dividend to be paid to the outstanding Class "B" Common Stock unless each share of outstanding Class "A" Common Stock shall receive .05¢ more dividend than the dividend paid per share on the Class "B" Common Stock.

5. The Board of directors has no authority to fix or change the sale price per share as is stated in 4.

"Further resolved that the president of the company be and he is hereby authorized to take all necessary procedure to effectually procure the foregoing amendment to the charter."

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of forming and incorporating a co-operative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the "Agricultural Association Law," and any amendments thereto, with all the benefits, rights, powers, privileges, and immunities given or allowed by said statute, or other laws of the State of Mississippi, in relation to corporations so formed, or amendments thereto; and for that purpose hereby adopt the following Articles of Association and Incorporation:

ARTICLE I. The name of the association shall be Co-operative Gin of Pickens, Mississippi (A.A.L.)

ARTICLE II. The domicile of the association shall be at Pickens, Holmes County, Mississippi.

ARTICLE III. The period of existence of the association shall be fifty years from date hereof.

ARTICLE IV. The association shall be organized and operated under Articles 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V. The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping, and otherwise handling cotton-seed and cotton-seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI. The association shall have all the powers granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or other laws of the State of Mississippi, or amendments thereto, granting corporate powers to cooperative associations.

ARTICLE VII. Section 1. The authorized capital stock of the association shall be \$36,000.00, of which the sum of \$1000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$35,000.00 shall be preferred stock, divided into 1400 shares of a par value of \$25.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm, or corporation shall own or hold at any one time more than one share of such common stock. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations, or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold at any one time more than 20% of the preferred stock outstanding.

Section 3. All transfers of stock shall be made on the books of the association on surrender of the certificate covering the same by the holder thereof, or by attorney properly authorized, but only with the consent and approval of the board of directors, and when the stockholder is free from indebtedness to the association. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each share of stock shall entitle the holder thereof to one vote, provided, however, that holders of preferred stock shall have only such voting rights as are granted under Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends or distributions, or any part thereof, may be paid in certificates of preferred stock and/or credits on preferred stock, or ad interim certificates representing fractional parts thereof, subject to conversion into full shares.

Section 6. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be retired by the association at its par or book value, whichever is less; and the association may pay therefor in cash or by certificate of indebtedness payable within one year from date thereof. The preferred stock, or any part thereof, may be redeemed or retired from time to time, provided said stock is retired in the same order as originally issued. All such preferred stock so retired shall be paid for in cash at the par value thereof, plus any dividend declared thereon and unpaid. No stock shall bear dividends or be eligible for voting after it has been called for retirement.

Section 7. In the event of dissolution or liquidation of the association, no holder of stock shall receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock.

Each of the parties hereto hereby subscribe for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting to be held after the issuance of the association's charter by the Secretary of State.

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I. The name of the association shall be ISSAQUENA GIN ASSOCIATION (A. A. L.).

ARTICLE II. The domicile of the association shall be at Mayersville, Issaquena County, Mississippi, where its principal business will be transacted.

ARTICLE III. The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV. The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V. The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI. The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII. Section 1. The authorized capital stock of the association shall be \$25,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$24,000.00 shall be preferred stock, divided into 2400 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6 percent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be called for retirement immediately following the termination of such membership, and retired within thirty days from date thereof. All such common stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors, and payment therefor may be made by a certificate of indebtedness payable within one year from date thereof. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement shall bear dividends or carry any voting rights after the date fixed in the call for its retirement. Upon failure of the holder to deliver the certificate or certificates evidencing stock called for retirement the association may cancel same on its books by providing for the payment thereof on demand.

Section 8. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, and the retirement of all stock and credits on stock, at par value, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribe for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

ARTICLE I. The name of the association shall be SILVER CITY GIN COMPANY (A.A.L.).

ARTICLE II. The domicile of the association shall be at Silver City, Humphreys County, Mississippi, where its principal business will be transacted.

ARTICLE III. The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV. The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V. The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI. The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII. Section 1. The authorized capital stock of the association shall be \$15,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$14,000.00 shall be preferred stock, divided into 560 shares of a par value of \$25.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930 or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be called for retirement immediately following the termination of such membership and retired within thirty days from date thereof. All such common stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors, and payment therefor may be made by a certificate of indebtedness payable within one year from date thereof. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement shall bear dividends or carry any voting rights after the date fixed in the called for its retirement. Upon failure of the holder to deliver the certificate or certificates evidencing stock called for retirement the association may cancel same on its books by providing for the payment thereof on demand.

Section 8. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, and the retirement of all stock and credits on stock, at par value, shall be distributed on a patronage basis as provided in the by-laws."

ARTICLE I. The name of the association shall be BAY SPRINGS FARMERS GIN (AAL)

ARTICLE II. The domicile of the association shall be at BAY SPRINGS, Jasper County, Mississippi.

ARTICLE III. The period of existence of the association shall be fifty years from date hereof.

ARTICLE V. The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping, and otherwise handling cotton-seed and cotton-seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized under Article I or Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part of all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLES OF ASSOCIATION AND INCORPORATION
OF
STRINGER FARMERS GIN (AAL)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of forming and incorporating a cooperative association with capital stock under the "Agricultural Association Law," and any amendments thereto, with all the benefits, rights, powers, privileges, and immunities given or allowed by said statute, or other laws of the State of Mississippi, in relation to corporations so formed, or amendments thereto; and for that purpose hereby adopt the following Articles of Association and Incorporation:

ARTICLE I.

The name of the association shall be STRINGER FARMERS GIN (AAL).

ARTICLE II.

The domicile of the association shall be at Stringer, Jasper County, Mississippi.

ARTICLE III.

The period of existence of the association shall be fifty years from date hereof.

ARTICLE IV.

The association shall be organized and operated under Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V.

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping, and otherwise handling cotton-seed and cotton-seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized under Article I of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part of all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI.

The association shall have all the powers granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or other laws of the State of Mississippi, or amendments thereto, granting corporate powers to cooperative associations.

ARTICLE VII.

Section 1. The authorized capital stock of the association shall be \$30,000.00, of which the sum of \$6000.00 shall be common stock divided into 600 shares of a par value of \$10.00 each, and \$24,000.00 shall be preferred stock, divided into 960 shares of a par value of \$25.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm, or corporation shall own or hold at any one time more than one share of such common stock. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations, or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold at any one time more than 20% of the preferred stock outstanding.

Section 3. All transfers of stock shall be made on the books of the association on surrender of the certificate covering the same by the holder thereof, or by attorney properly authorized, but only with the consent and approval of the board of directors, and when the stockholder is free from indebtedness to the association. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each share of stock shall entitle the holder thereof to one vote, provided, however, that holders of preferred stock shall have only such voting rights as are granted under Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends or distributions, or any part thereof, may be paid in certificates of preferred stock and / or credits on preferred stock, or ad interim certificates representing fractional parts thereof, subject to conversion into full shares.

Section 6. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be retired by the association at its par or book value, whichever is less; and the association may pay therefor in cash or by certificate of indebtedness payable within one year from date thereof. The preferred stock, or any part thereof, may be redeemed or retired from time to time, provided said stock is retired in the same order as originally issued. All such preferred stock so retired shall be paid for in cash at the par value thereof, plus any dividend declared thereon and unpaid. No stock shall bear dividends or be eligible for voting after it has been called for retirement.

Section 7. In the event of dissolution or liquidation of the association, no holder of stock shall receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock.

Each of the parties hereto hereby subscribe for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting to be held after the issuance of the association's charter by the Secretary of State.

ARTICLE III. The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV. The Association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V. The purpose of the Association shall be, primarily, to engage in the business of marketing, handling, buying, selling and distributing of farm supplies including seed, feed, fertilizer, groceries, dry goods, tools, implements and equipment; to engage in the storing, shipping, handling and distributing of farm products of all kinds for its members; however, it may engage in any other business granted, authorized or allowed to the association organized and operating under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The Association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members; the Association may maintain and operate branch stores and warehouses for the extension and furtherance of its business.

ARTICLE VI. The Association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

Section 2. The common stock of the Association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the Association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25 per cent of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the Association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the Association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement shall bear dividends or carry any voting rights after the date fixed in the call for its retirement. Upon failure of the holder to deliver the certificate or certificates evidencing stock called for retirement the Association may cancel same on its books by providing for the payment thereof on demand.

Section 8. In the event of dissolution or liquidation of the Association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. RECORD OF CHARTERS 38--39 STATE OF MISSISSIPPI

TUCKER PRINTING HOUSE JACKSON MISS

No. 8413 W

Minutes of the
EAST MISSISSIPPI HORSE & LIVESTOCK ASSOCIATION, Inc.
April 5, 1939.

A meeting of representative citizens from Laurel, Macon, Tupelo and Columbus was held at the Gilmer Hotel at 10 o'clock on Wednesday, April 5th. The meeting was called jointly by R. K. Booth of Laurel and Kenneth G. Sickler of Columbus.

The purpose of the meeting was to consider the feasibility and desirability of the formation of a spring horse show circuit for the eastern portion of the state of Mississippi. Mr. R. K. Booth of Laurel presided.

After a general expression of ideas, it was agreed that an organization, to be known as the East Mississippi Horse & Livestock Association, Inc., be formed and that the association should be a non-profit organization, having for its purpose the advancement of the livestock activity in the eastern portion of the state of Mississippi.

Those in attendance voted Mr. George Booth of Tupelo to act as president, Mr. Charles Thompson of Laurel as vice-president, Mr. Ray Waters of Columbus as vice-president, and Mr. Kenneth G. Sickler of Columbus as secretary-treasurer.

President Booth brought to the attention of the group the necessity of incorporating as a non-profit organization. Mr. Booth suggested that each town represented turn over to the secretary-treasurer, Kenneth G. Sickler, ten dollars (\$10.00) each to be held in the treasury for necessary and incidental expenses. Mr. Booth, acting upon his own suggestion, contributed \$10.00 for Tupelo, whereupon Mr. Charles Thompson of Laurel contributed \$10.00 for the city of Laurel. Mr. J. A. McCrary, president of the Columbus Fair & Livestock Association, advised that a check would be issued in the amount of \$10.00 for Columbus' proportionate share.

It was agreed that the officers named should act as incorporators in seeking a charter for the organization.

Discussion was held with reference to the participation of other communities and it was set out that communities desiring to join the working forces of the organization may do so and that such communities may contribute in an amount comparable to the amount contributed by the three original communities - Laurel, Columbus, and Tupelo. Any community wishing to join will be allowed to name a director for the organization.

It was agreed that the first activity of the newly formed organization would be to sponsor a spring horse show circuit in Columbus on Tuesday, May 16th; in Laurel, Tuesday, May 30th, and in Tupelo, June 13th. Each show shall be managed locally but shall be operated in line with a policy to be formed by the Association. It was agreed that judging of horse shows should conform to specifications agreeable to the communities involved and that the judging in each community should be on the same basis and conducted in the same manner. It was further agreed that the last show in the circuit should be designed to pick the first, second, and third sweep-stakes winner in the 5-gaited class, the same in the 3-gaited class, and the same in the walking class. Sweep-stake awards will be made in each class on the following basis: \$25.00 first prize; \$15.00, second prize; \$10.00, third prize. The basis of judging shall be for the highest total score earned during all three shows, it being understood that to participate in the sweepstakes award, the same animal must be shown in all of the three spring shows named.

It was agreed that each of the three towns named should contribute \$50.00 to the East Mississippi Horse & Livestock Association, Inc., before the close of their respective shows in order that the East Mississippi Horse & Livestock Association, Inc., in turn may pay the Sweepstake awards in the last show.

It was mutually agreed that the last or sweep-stake show be held in Tupelo in 1939, in Columbus in 1940, and in Laurel in 1941, and that any other towns wishing to join the circuit may have a sweep-stake show in their community in the order in which they join the organization.

AMENDMENTS TO CHARTER OF INCORPORATION OF GRENADA BANK GRENADA, GRENADA COUNTY, MISSISSIPPI

RESOLVED, FIRST, That the aggregate par value of the outstanding preferred stock of this corporation be decreased from \$600,000 to \$300,000 and that the par value per share of such outstanding preferred stock be charged from \$100 to \$50; that certificates representing one share of preferred stock of the par value of \$50 for each share of preferred stock of the par value of \$100 represented by certificates now outstanding shall be issued in exchange for such outstanding certificates upon the surrender for cancellation of such outstanding certificates in transferable form and, if required, properly stamped for transfer; and that until such certificates are exchanged as aforesaid the outstanding certificates for shares of preferred stock of the par value of \$100 per share shall be deemed to represent a like number of shares of preferred stock of the par value of \$50 per share.

RESOLVED, SECOND, That the capital of the Corporation be increased in the sum of \$175,000 by the issuance and sale, at a price of \$100 per share, of 3,500 shares of additional preferred stock of the par value of \$50 per share, under the provisions of Section 52 of Senate Bill No. 227, Laws of 1934, making the total capital of the Corporation \$600,000, of which \$475,000 is preferred stock and \$125,000 is common stock.

RESOLVED, THIRD, That no distribution of assets shall be made to any shareholders of the Corporation by reason of the aforesaid decrease in the aggregate par value of the outstanding preferred stock of the corporation, but that an amount equal to such decrease, plus an amount equal to the difference between the aggregate price at which the aforesaid additional preferred stock is to be sold and the aggregate par value of such additional preferred stock, shall be used to charge off or write down losses and substandard and/or unacceptable assets and/or shall be transferred to surplus, undivided profits or reserves.

RESOLVED, FOURTH, That the Charter of Incorporation of the Corporation, as heretofore amended, by striking out Article 3 and inserting in place thereof the following:

Article 3. (1) Amount, classes and shares of capital stock. The amount of capital stock of the Corporation shall be \$600,000, divided into classes and shares as follows:

(a) \$475,000 par value of preferred stock (subject to retirement as hereinafter provided) divided into 9,500 shares of the par value of \$50 each; and

(b) \$125,000 par value of common stock (subject to increase upon retirement of preferred stock as provided in the second paragraph of section (4) of this article 3) divided into 2,500 shares of the par value of \$50 each.

(2) Assessability of stock. The holders of preferred stock shall not be held individually responsible as such holders for any debts, contracts or engagements of the Corporation and shall not be liable for assessments to restore impairments in the capital of the Corporation.

(3) Dividends on preferred stock. The holders of preferred stock, in preference to the holders of common stock, shall be entitled to receive, when and as declared by the Board of Directors, out of net profits of the Corporation (determined as provided in section (5) of this article 3) accruing after January 21, 1935 (hereinafter referred to as the "Recapitalization Date"), cash dividends thereon to and including January 31, 1940, at the rate of Three Dollars and Fifty Cents per share per annum, and no more, and thereafter at the rate of Four Dollars per share per annum, and no more. Such dividends shall be payable semiannually on each February 1 and August 1, and shall accrue, as to any given share of such stock, from the date of receipt of the purchase price therefor in cash by the Corporation. Such dividends shall be cumulative, so that if dividends at the full rates required by this section (3) to be paid on the preferred stock shall not have been paid upon or declared and set apart for such stock, the deficiency shall be fully paid or declared and set apart before any dividend or other distribution, whether in cash, property, stock or otherwise, shall be declared, ordered, set apart, paid or made in respect to the common stock. Dividends on the preferred stock shall be deemed to accrue from day to day.

(4) Dividends on common stock. Except as provided in the second paragraph of this section (4), no dividend or other distribution, whether in cash, property, stock or otherwise, shall be declared, ordered, set apart, paid or made in respect of the common stock of the Corporation, unless at the date of declaration thereof the fair value of the assets of the Corporation, determined as provided in section (15) of this article 3 (after deducting the amount of the dividend proposed to be paid), is at least equal to all the liabilities of the Corporation to its depositors and other creditors, plus the aggregate par value of the outstanding common stock and the aggregate retirement price of

RECORD OF CHARTERS 38--39 STATE OF MISSISSIPPI

TUCKER PRINTING HOUSE JACKSON MISS

the outstanding preferred stock.

If any retirement of preferred stock would decrease the outstanding capital of the Corporation below the minimum amount required by law, the Board of Directors, prior to or simultaneously with such retirement, shall transfer an amount equal to the aggregate par value of the preferred stock so retired from reserves set up for the retirement of such preferred stock to a special reserve fund for the payment of common stock dividends, and shall declare on the common stock, out of such special reserve fund, a dividend payable in common stock in an amount equal to the aggregate par value of the preferred stock so retired, and the shares of common stock required for the payment of any such stock dividend shall be issuable without any further vote on the part of the holders of stock of any class or any further approval on the part of the State Comptroller.

(5) Determination of net profits. For the purpose of this article 3, the net profits or net loss (as distinguished from usage of the terms "net profits" and "net loss" in reports required by the State Comptroller) of the Corporation shall be determined for each six months' period ending on December 31 or June 30 by deducting from the gross earnings from all sources for such period:

(a) All expenses for such period;

(b) All interest accrued during such period;

(c) All losses determined during such period, and such charge-offs and write-downs of assets and transfers to reserves (whether from income, undivided profits or surplus) for such period (including all charge-offs, write-downs and transfers to reserves requested by the State Comptroller for such period) as may be reasonably necessary to make proper provision for doubtful assets, depreciation and undetermined losses, but to the extent only that such losses, determined or undetermined, charge-offs and write-downs of assets exceed reserves previously set up therefor in such period or any prior period, or available unallocated reserves;

(d) Provision for all taxes for such period, including taxes measured by income and taxes based on the ownership of stock in the Corporation, paid or payable by the Corporation for the account of its shareholders;

(e) Such transfers for such period to surplus as may be required by law: Provided, however, That transfers to earned surplus as required by section 7-(b) of Senate Bill No. 227, Laws of 1934, shall not be deducted from gross earnings in determining net profits available for the dividend and retirement requirements of the preferred stock; and

(f) The net loss, if any, determined in accordance with the provisions of this section (5), accrued since the Recapitalization Date, accumulated to and existing at the beginning of such period: Provided, however, That no deduction from gross earnings for any period or periods ending on or prior to December 31, 1939, shall be made by reason of charge-offs or write-downs of assets or transfers to reserves made on or prior to December 31, 1939, on account of losses or depreciation sustained or determined, or assets determined to be of doubtful value, on or prior to January 14, 1939.

All recoveries over net book value on assets previously charged off or written down or against which reserves have been set up, and all transfers from reserves to surplus or undivided profits (other than transfers made to reflect recoveries already treated as gross earnings), shall be considered gross earnings for the respective periods during which such recoveries or transfers are effected.

(6) Application of net profits. As long as any shares of preferred stock are outstanding, the Corporation, on each February 1 and August 1, shall apply the net profits of the Corporation for the six months' period ending on the next preceding December 31 or June 30, as the case may be, to the following purposes and in the following order of priority, and not otherwise:

(a) To the payment of dividends on the outstanding preferred stock accrued to such February 1 or August 1, as the case may be;

(b) To the payment into the preferred stock retirement fund (referred to in section (8) of this article 3), on each February 1 and August 1, to and including February 1, 1940, of a sum equal to one-half of one per cent of the aggregate par value of the preferred stock at the time outstanding, and on each February 1 and August 1 thereafter of a sum equal to one per cent of the aggregate par value of the preferred stock at the time outstanding. In the event that the net profits of the Corporation shall on any such February 1 or August 1 be insufficient to permit the payment into such preferred stock retirement fund of the full amount hereinabove provided for, the deficiency shall be fully paid before any net profits of the Corporation shall be thereafter applied to any of the purposes hereinafter specified in this section (6);

(c) To the payment into the preferred stock retirement fund (referred to in section (8) of this article 3) of a sum equal to forty per cent of the remainder, if any, of such net profits; Provided, however, That the aggregate amount paid into the preferred stock retirement fund in any one year in accordance with the requirements of this paragraph (c) need not exceed \$47,500; Provided, further, however, That unless otherwise elected, from time to time, by the Corporation by action of its Board of Directors, it shall not be required to make the payments into the preferred stock retirement fund required by paragraphs (b) and (c) of this section (6) except from such net profits as may have accrued from and after June 30, 1939;

(d) To such other lawful purposes as may be determined by the Board of Directors, subject, however, to the provisions of sections (4) and (7) of this article 3, and to compliance with the provisions of section 7-(b), Senate Bill No. 227, Laws of 1934.

(7) Limitations on retirement of stock. Except with the approval of the State Comptroller, no preferred stock shall be called or purchased for retirement by the Corporation unless the then unimpaired capital, surplus and undivided profits of the Corporation, and the retirement funds provided for herein (after giving effect to the proceeds of the issuance of any stock issued to provide funds for such retirement) exceed \$700,000 by an amount at least equal to the sum necessary to effect such retirement. No shares of preferred stock shall be called or purchased for retirement unless all accrued dividends (whether or not earned or declared) to the dividend payment date next preceding the date of such retirement shall have been paid on all shares of preferred stock at the time outstanding.

(8) Retirement of preferred stock by purchase. Subject to the provisions of section (7) of this article 3, whenever the balance in the preferred stock retirement fund shall amount to as much as \$19,000, the Corporation shall (unless the Board of Directors shall elect to use the entire amount of such balance in the preferred stock retirement fund for the retirement of preferred stock by call, as provided in section (9) of this article 3) within ten days thereafter mail, first-class postage prepaid, to all holders of record of preferred stock at their respective addresses as shown on the books of the Corporation, a notice specifying the balance in such fund and stating that the same is available for the purchase for retirement of preferred stock at the lowest prices (not in excess of \$100 per share plus all unpaid dividends thereon, whether or not earned or declared, accrued to the date of purchase) offered within twenty days after the date of such notice. At the expiration of such twenty days, the Corporation shall apply such balance to the purchase for retirement of preferred stock, if obtainable, in accordance with the terms of such notice. Within ten days after such expiration, subject to the provisions of section (7) of this article 3, the Corporation shall call for retirement, in the manner provided in section (9) of this article 3, the largest number of shares of preferred stock which can be retired from the balance in such retirement fund remaining after deducting the amount paid or to be paid for the purchase for retirement of preferred stock as aforesaid, and shall set aside from such retirement fund the sum necessary to effect such retirement, but the minimum capital shall in no event be reduced below the minimum amount of capital required by law. Subject to the provisions of section (7) of this article 3, at any time, and from time to time, the Corporation may make such lawful transfers from

RECORD OF CHARTERS 38--39 STATE OF MISSISSIPPI

TUCKER PRINTING HOUSE JACKSON MISS

its surplus and/or undivided profits to the preferred stock retirement fund as the Board of Directors may determine. All shares of preferred stock purchased for retirement by the Corporation, whether from the retirement fund or otherwise, shall be cancelled forthwith and shall not be reissued.

(9) Retirement of preferred stock by call. Subject to the provisions of section (7) of this article 3, the Corporation may at any time, at its election, as expressed by resolution of the Board of Directors, retire the outstanding preferred stock as a whole, or from time to time in part, pro rata or by lot, in such equitable manner to carry out the purpose of this section (9) as the Board of Directors of the Corporation in its discretion shall from time to time determine (and provide always that the capital shall in no event be reduced below the minimum amount of capital required by law), by paying for each share to be retired a retirement price equal to \$100 per share plus all unpaid dividends thereon, whether or not earned or declared, accrued to the date of such retirement.

At least thirty days' prior written notice of every such retirement, stating the retirement date and the retirement price, and the place of payment thereof, shall be mailed, first-class postage prepaid, to the holder of record of each share to be retired, at the address of such holder as shown on the books of the Corporation. Such notice having been so mailed, each holder of shares so called for retirement shall be entitled to receive payment of the retirement price of such shares (without interest) upon surrender to the Corporation, on or after the retirement date, at the place designated in such notice, of the certificate or certificates therefor in transferable form and, if required, properly stamped for transfer. In case less than all of the shares represented by any such certificate are retired, a new certificate shall be issued representing the unretired shares. From and after the retirement date (unless the Corporation shall default in payment of the retirement price), all dividends on shares called for retirement shall cease to accrue, such shares shall be deemed to be no longer outstanding, and all rights of the holders thereof as shareholders of the Corporation, except the right to receive the retirement price, shall terminate. All shares so retired shall be cancelled forthwith and shall not be reissued.

(10) Increase or decrease of capital stock; amendments of Charter of Incorporation, etc. By the affirmative vote of the holders, voting by classes, of at least two-thirds of the shares of each class of stock at the time outstanding, and not otherwise, and subject to such approval by the State Comptroller and such other conditions as at the time may be required by law:

(a) The capital stock of the Corporation may be increased at any time, and from time to time, through issuing additional shares of preferred stock and/or common stock, and/or through the creation of one or more additional classes of stock: Provided, however, That no vote of the holders of preferred stock shall be required with respect to any issue of additional shares of common stock if the entire proceeds of such issue are to be used for the retirement of shares of preferred stock: And provided further, That no vote of the holders of stock of any class shall be required with respect to any issue of additional shares of common stock as a stock dividend, pursuant to the second paragraph of section (4) of this article 3, in connection with the retirement of shares of preferred stock;

(b) The capital stock of the Corporation may be decreased at any time, and from time to time, to any amount not below the amount at the time required by law: Provided, however, That no vote of the holders of stock of any class shall be required with respect to the retirement of preferred stock;

(c) The name of the Corporation and/or the place where its operations of discount and deposit are to be carried on may be changed, but this clause shall not be construed to abridge the powers of the Board of Directors under applicable law with reference to the establishment or change of location or closing of branches;

(d) This Charter of Incorporation may be amended at any time, and from time to time, in any other respect;

(e) The Corporation may be consolidated or merged into or with any other bank, or may acquire all or substantially all of the assets and business of any banking corporation or trust company.

(f) All or substantially all of the assets and business of the Corporation may be sold or otherwise disposed of;

(g) The Corporation may go into voluntary liquidation; and

(h) Any plan of reorganization of the Corporation may be carried into effect: Provided, however, That, if, and as long as, the voting rights of the preferred stock are increased in accordance with the provisions of section (12) of this article 3 or the fair value of the assets of the Corporation, determined as provided in section (15) of this article 3, shall be less than an amount equal to all its liabilities to its depositors and other creditors plus the aggregate par value of the outstanding common stock and the aggregate retirement price of the outstanding preferred stock, any of the actions specified in the foregoing paragraphs (a) to (h), inclusive, of this section (10) may be taken by the affirmative vote of two-thirds of the votes to which the holders of all classes of stock, voting as one class, are at the time entitled, and not otherwise, except that the Corporation may not be put into voluntary liquidation without the approval of the State Comptroller.

(11) Preemptive rights. In case of any increase in the capital stock of the Corporation of any class other than by way of a stock dividend, the new shares shall be offered for subscription to the holders of record of all shares of stock of that class at the time outstanding, in proportion to the number of shares of such stock of that class held by them respectively, by mailing, first-class postage prepaid, to such holders at their respective addresses as shown on the books of the Corporation, transferable subscription warrants exercisable at any time on or before thirty days from the date of such mailing. If at the expiration of such subscription rights, any of the new shares have not been subscribed for, such shares shall be offered for subscription to the holders of record of all other shares of stock of all other classes at the time outstanding, in proportion to the number of such shares held by them respectively, and notice shall be given as above provided. If at the expiration of both of such subscription rights any of the new shares have not been subscribed for, such unsubscribed new shares may be issued and sold at such price, not less than the par value thereof, to such persons and on such terms as the Board of Directors may determine.

(12) Voting rights. (a) Except as otherwise provided in sections (10) and (13) of this article 3 and in this section (12), each holder of stock of any class shall be entitled to vote on all matters one vote for each share of stock of any class held by him.

(b) In all elections of directors, each holder of stock of any class shall have the right to vote the votes allocable to the number of shares owned by him for as many persons as there are directors to be elected, or to cumulate such votes and give one candidate as many votes as the number of directors multiplied by the number of votes allocable to his shares shall equal, or to distribute such votes on the same principle among as many candidates as he shall think fit.

(c) If at any time while the total number of shares of preferred stock outstanding is less than twice the total number of shares of common stock:

(1) The Corporation shall be in arrears in the payment of as many as two semiannual dividend payments (whether or not consecutive and whether or not earned or declared) on the preferred stock (exclusive of any such dividend which may be payable at any time within three months from the date of issuance of the preferred stock); or

(2) The amounts paid into the preferred stock retirement fund (referred to in section (8) of this article 3) in accordance with the requirements of paragraph (c) of section (6) of this article 3), or transferred to such retirement fund in accordance with the provisions of section (8) of this article 3 from surplus or undivided profits accumulated from net profits since the Recapitalization Date, shall not on August 1, 1940, or on any August 1 thereafter, have amounted

RECORD OF CHARTERS 38--39 STATE OF MISSISSIPPI

TUCKER PRINTING HOUSE JACKSON MISS

in the aggregate to at least \$47,500 multiplied by the number of full calendar years which shall have elapsed since January 1, 1939; or

(3) The fair value of the assets of the Corporation, determined as provided in section (15) of this article 3, shall be less than an amount equal to all its liabilities to its depositors and other creditors plus the aggregate par value of the outstanding common stock and the aggregate retirement price of the outstanding preferred stock; or

(4) The Corporation shall violate or fail to observe any of the other terms, provisions or conditions of its Charter of Incorporation --

then after written notice from the holders of at least a majority in amount of the preferred stock of the existence of any of the conditions mentioned in the above subparagraphs (1), (2), (3) and (4) of this paragraph (c) and as long as any of said conditions shall continue, the holders of the preferred stock at the time outstanding shall be entitled, as a class, to vote on all matters twice the number of votes to which the holders of common stock, as a class, are at the time entitled, and each holder of preferred stock shall be entitled to a pro rata share of the votes to which his class is entitled.

(d) If at any time while any shares of preferred stock are outstanding, any of the conditions mentioned in subparagraphs (1), (2), (3) or (4) of paragraph (c) of this section (12) shall exist (irrespective of whether or not the total number of shares of preferred stock then outstanding is less than twice the total number of shares of common stock then outstanding) and as long as any of such conditions shall continue, any one or more of the directors, officers or employees of the Corporation may be removed at any annual or special meeting of the shareholders, for or without cause, and their successors elected, by the affirmative vote of two-thirds of the votes to which the holders of all stock are at the time entitled.

(13) Other voting rights. At any time while the number of shares of preferred stock outstanding is at least equal to twenty-five per cent of the number of shares of preferred stock authorized under section (1) of this article 3 or the voting rights of the preferred stock shall have been increased in accordance with the provisions of paragraph (c) of section (12) of this article 3:

(a) All directors, officers and employees of the Corporation shall receive compensation at rates not exceeding such maximum limitations as may be fixed by the vote of the holders of a majority of the shares of preferred stock at the time outstanding;

(b) The Corporation shall not directly or indirectly purchase or otherwise acquire any real estate for its own use, or lease any real estate for its own use for a term longer than one year, without in each case the affirmative vote of the holders of a majority of the preferred stock at the time outstanding, or a written waiver of voting rights with respect thereto by the holders of such majority: Provided, however, That this limitation shall not apply to real estate acquired under the provisions of sub-divisions 2 and 3 of section 53 of Senate Bill No. 227, Laws of 1934;

(c) The Corporation shall not incur indebtedness maturing more than one year from the creation thereof, without in each case the affirmative vote of the holders of a majority of the preferred stock at the time outstanding, or a written waiver of voting rights with respect thereto by the holders of such majority: Provided, however, That the indebtedness herein referred to shall not be construed to include the acceptance of time deposits, which may continue to be accepted by the Corporation under such conditions as may be provided by law.

(14) Rights of preferred stock on liquidation. In the event of any receivership, conservatorship, liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, before any payment or other distribution, whether in cash, property or otherwise, shall be made to the holders of common stock, the holders of preferred stock shall be entitled to receive, for each share of such stock held by them, the sum of \$100 plus an amount equal to all unpaid dividends thereon, whether or not earned or declared, accrued to the date of payment, but shall not be entitled to any other or further payment: Provided, however, That a merger or consolidation in accordance with law and this Charter of Incorporation shall not be deemed a liquidation, dissolution or winding up of the Corporation within the meaning of this section (14).

(15) Determination of fair value of assets. The determination of the fair value of the assets of the Corporation for the purposes of this article 3 shall, unless and except as hereinbefore or hereinafter otherwise expressly provided, be based upon the last available report of examination of the Corporation made by such person or persons as may be designated to make the same by the Federal Deposit Insurance Corporation or such body or agency created under the laws of the United States as may succeed to its authority to make examinations of banking institutions and at that time be vested with such authority with respect to the Corporation. In the event that the Corporation shall become a member of the Federal Reserve System, such determination shall be based upon the last available report of examination of the Corporation made by such person or persons as may be designated to make the same by the Board of Governors of the Federal Reserve System or such body or agency created under the laws of the United States as may succeed to its authority to make examinations of banking institutions and at that time be vested with such authority with respect to the Corporation. In the event that the Federal Deposit Insurance Corporation or the Board of Governors of the Federal Reserve System (if the Corporation shall become a member of the Federal Reserve System), or such successor body or agency, shall cease to have authority to examine the Corporation or shall decline to make such determination, then such determination shall be made by a person or persons and in a manner satisfactory to the holders of a majority of the shares of preferred stock outstanding, as expressed in an instrument in writing signed by the holder or holders of such majority.

Article 7. (a) Officers. The Board of Directors shall elect one of its members President of the Corporation. Article 8. Special meetings of shareholders. Except as otherwise specifically provided by statute, special meetings of the shareholders may be called for any purpose at any time by the Board of Directors or by the holders of at least ten per cent of the then outstanding shares of any class. ARTICLES OF ASSOCIATION AND INCORPORATION OF GRAYSPORT COOPERATIVE GIN (A.A.L.)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of forming and incorporating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the "Agricultural Association Law", and any amendment thereto, with all the benefits, rights, powers, privileges, and immunities given or allowed by said statute, or other laws of the State of Mississippi, in relation to corporations so formed, or amendments thereto; and for that purpose hereby adopt the following Articles of Association and Incorporation:

ARTICLE I. The name of the association shall be GRAYSPORT COOPERATIVE GIN (A.A.L.)

ARTICLE II. The domicile of the association shall be at Graysport, Grenada County, Mississippi.

ARTICLE III. The period of existence of the association shall be fifty years from date hereof.

ARTICLE IV. The association shall be organized and operated under Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V. The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping, and otherwise handling cotton-seed and cotton-seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized under Article I of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI. The association shall have all the powers granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or other laws of the State of Mississippi, or amendments thereto, granting corporate powers to cooperative associations.

ARTICLE VII. Section 1. The authorized capital stock of the association shall be \$20,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 200 shares of a par value of \$5.00 each, and \$19,000.00 shall be preferred stock, divided into 3800 shares of a par value of \$5.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold at any one time more than one share of such common stock. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations, or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold at any one time more than 20% of the preferred stock outstanding.

Section 3. All transfers of stock shall be made on the books of the association on surrender of the certificate covering the same by the holder thereof, or by attorney properly authorized, but only with the consent and approval of the board of directors, and when the stockholder is free from indebtedness to the association. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each share of stock shall entitle the holder thereof to one vote, provided, however, that holders of preferred stock shall have only such voting rights as are granted under Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends or distributions, or any part thereof, may be paid in certificates of preferred stock and/or credits on preferred stock, or ad interim certificates representing fractional parts thereof, subject to conversion into full shares.

Section 6. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be retired by the association at its par or book value, whichever is less; and the association may pay therefor in cash or by certificate of indebtedness payable within one year from date thereof. The preferred stock, or any part thereof, may be redeemed or retired from time to time, provided said stock is retired in the same order as originally issued. All such preferred stock so retired shall be paid for in cash at the par value thereof, plus any dividend declared thereon and unpaid. No stock shall bear dividends or be eligible for voting after it has been called for retirement.

Section 7. In the event of dissolution or liquidation of the association, no holder of stock shall receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$5.00 in cash, at the first meeting to be held after the issuance of the association's charter by the Secretary of State.
