The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or other laws of the State of Mississippi, or amendments thereto, granting corporate powers to cooperative associations.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$23,500.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$22,500.00 shall be preferred stock, divided into 900 shares of a par value of \$25.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm, or corporation shall own or hold at any one time more than one share of such common stock. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations, or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold at any one time more than 25 % of the preferred stock outstanding.

Section 3. All transfers of stock shall be made on the books of the association on surrender of the certificate covering the same by the holder thereof, or by attorney properly authorized, but only with the consent and approval of the board of directors, and when the stockholder is free from indebtedness to the association. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each share of stock shall entitle the holder thereof to one vote, provided, however, that holders of preferred stock shall have only such voting rights as are granted under Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 7 % per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends or distributions, or any part thereof, may be paid in certificates of preferred stock and/or credits on preferred stock, or ad interim certificates representing fractional parts thereof, subject to conversion into full shares.

Section 6. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be retired by the association at its par or book value, whichever is less; and the association may pay therefor in cash or by certificate of indebtedness payable within one year from date thereof. The preferred stock, or any part thereof, may be redeemed or retired from time to time, provided said stock is retired in the same order as originally issued. All such preferred stock so retired shall be paid for in cash at the par value thereof, plus any dividend declared thereon and unpaid. No stock shall bear dividends or be eligible for voting after it has been called for retirement.

Section 7. In the event of dissolution or liquidation of the association, no holder of stock shall receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock.

Each of the parties hereto hereby subscribe for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting to be held after the issuance of the association's charter by the Secretary of State.

"Be it further resolved that the name of the corporation shall be GREENWOOD JUNIOR AUXILIARY, and its domicile shall be at Greenwood, Mississippi, and application for a charter shall be for a non-share corporation."

On the introduction of said resolution, a motion was duly made by Mrs. Janie Mann Craig that the resolution be adopted as read, which motion was seconded by Mrs. Lelia DeLoach Abbott, and after a general discussion of the said resolution the same was put to a vote by the President and unanimously adopted.

In accordance with the resolution, the President appointed the members named in the resolution to proceed with the business of securing a corporate charter for the organization, and the Treasurer was directed to pay the expense of securing the charter of the corporation.

The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such nonmembers is not greater in value than that transacted with its members.

ARTICLE VI. The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

Section 2. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. ARTICLE I

The name of the association shall be DIXIE GIN ASSOCIATION (A.A.L.).

ARTICLE II

The domicile of the association shall be at Jonestown, Coahoma County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Articles 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such nonmembers is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$30,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$29,000.00 shall be preferred stock, divided into 2900 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 8% per annum, payable annually, and to be transferable only upon approval of said board of directors.

ARTICLES OF ASSOCIATION AND INCORPORATION  
OF  
FARM FUEL AND SUPPLY ASSOCIATION (AAL)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I. The name of the association shall be FARM FUEL AND SUPPLY ASSOCIATION (AAL).

ARTICLE II. The domicile of the association shall be at Ruleville, Sunflower County, Mississippi, where its principal business will be transacted.

ARTICLE III. The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV. The association shall be organized and operated under the provisions of the Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V. The purpose of the association shall be, primarily, to engage in the business of distributing petroleum products and other farm supplies to its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such nonmembers is not greater in value than that transacted with its members.

ARTICLE VI. The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII. Section 1. The authorized capital stock of the association shall be \$10,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 200 shares of a par value of \$5.00 each, and \$9,000.00 shall be preferred stock, divided into 9,000 shares of a par value of \$1.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 8 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors; said certificates to bear interest at a rate determined by the board of directors, not to exceed 8% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid; before any distribution is made on the common stock. Any Assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$5.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

## MINUTES OF STOCKHOLDERS' MEETING OF THE STAUB-STEWART HARDWARE COMPANY, INC.

At a specially called meeting of the stockholders of the Staub-Stewart Hardware Company, a corporation organized and existing under the laws of the State of Mississippi, held at its principal place of business in Amory, Monroe County, Mississippi, on Tuesday, the 4th day of March, 1941, at 7 P. M. at the office of said corporation in pursuance of the following waiver of notice of said meeting to decrease the amount of the capital stock of said corporation so as to take up the outstanding stock certificates and to issue in lieu therefor shares in proportion to the amount of the present capital stock in accordance with the actual value thereof as represented by an inventory of the actual assets of said corporation, said waiver being as follows:

We, the undersigned incorporators and subscribers to the capital stock of the Staub-Stewart Hardware Company, a corporation created under the laws of the State of Mississippi, do hereby waive all legal and statutory requirements as to notice of the time and place of the meeting for the purpose of considering a proposition to decrease the company's capital stock, and the number of shares thereof, so as to take up the present outstanding stock of said corporation and to issue to the stockholders of said corporation the number of shares of stock in said corporation of the present par value of said stock which will represent the actual value of the stock of said corporation rather than the book value of said stock, decreasing the total amount of said stock in said corporation to such a sum as will represent the actual value of said stock now outstanding as shown by an inventory of the assets of said corporation, issuing to each stockholder his proportion of the total of said stock to be issued based on the amount of said stock now owned by each stockholder as represented by the actual value of said stock in proportion to the book value thereof, and do hereby consent that such matters may be considered at a meeting of the incorporators and subscribers to the capital stock of said corporation to be held at the office of such corporation in the City of Amory, Mississippi, on the 4th day of March, A. D., 1941, at the hour of 7 o'clock P. M. and for the consideration of such other matters as may be relevant and necessary in order to reissue said stock in such proportion as set out hereinabove; and we do also consent and agree that at the said meeting or any other meeting, the Board of Directors may be authorized and directed to take appropriate action in that regard and from time to time issue the shares of said stock and take up the present outstanding shares in accordance with any resolution or order of the Board of Directors and stockholders of said corporation. And to amend the charter of said corporation by decreasing its paid in capital stock to \$11,750.00.

Witness our signatures this the 4th day of March, A. D., 1941.

W. G. STEWART  
MRS. A. B. STEWART  
J. C. GREGORY  
W. L. ATKINS  
A. P. WILLARD  
R. A. McPHERSON

At said meeting there were present the following stockholders, officers, and directors of said corporation:

Stockholders: W. G. Stewart, Mrs. W. G. Stewart, A. J. Staub, Jr., R. A. McPherson, J. C. Gregory, and the following officers of said corporation: A. J. Staub, Jr., President and Treasurer; W. G. Stewart, Vice President and Secretary; Mrs. W. G. Stewart, Vice President; J. C. Gregory, Vice President; and all of the directors of said corporation, to-wit: A. J. Staub, Jr., W. G. Stewart, Mrs. W. G. Stewart, J. C. Gregory, and there being absent two stockholders, Mrs. A. P. Willard, W. L. Atkins.

A. J. Staub, Jr., President, called the meeting of the stockholders to order and presented a waiver of all the requirements signed by each of said stockholders which was ordered incorporated in the minutes of this meeting of the stockholders, Whereupon the president of the corporation stated the purpose of the meeting as set out in said waiver to be as follows:

The actual value of the stock of the corporation, as shown by its inventory of this date attached to the minutes of this meeting is \$11,750.00, this being the excess of the assets of said corporation over and above its liabilities.

That the original stockholders and the amount of shares held by each at the time of the chartering of said corporation were A. J. Staub, Jr., who subscribed and paid for 112½ shares of \$100.00 each, W. G. Stewart, who subscribed and paid for 112½ shares of \$100.00 each, and W. C. McFadden, who subscribed and paid for 10 shares of \$100.00 each making a total of \$23,500.00 in cash paid in for shares of stock in said corporation.

That since the organization of said corporation the stock has been transferred by purchase and sale from time to time with the result that the ownership of said stock is now as follows:

Mrs. A. P. Willard, Reform, Alabama, 25 shares,  
W. G. Stewart, Fulton, Mississippi, 67½ shares,  
Mrs. W. G. Stewart, Fulton, Mississippi, 30 shares,  
A. J. Staub, Jr., Amory, Mississippi, 67½ shares  
R. A. McPherson, Columbus, Mississippi, 30 shares,  
W. L. Atkins, Barlow, Kentucky, 10 shares,  
J. C. Gregory, Amory, Mississippi, 5 shares,

all in the amount of \$100.00 each and that W. C. McFadden no longer owns any stock in said corporation. The addresses of said parties are as given above.

That the corporation has for a number of years carried as assets on its books certain items of doubtful value which it has become necessary to charge off, these items being certain accounts incurred during the first few years of the existence of said corporation and which are now absolutely worthless and for this reason it is necessary and advisable for each of the stockholders to take a share of the loss which was thus incurred in order that the shares of stock of said corporation may be of the par value of \$100.00 each.

That the value of the 235 shares of stock outstanding is as a matter of fact, \$11,750.00, and that this meeting is called for the purpose of decreasing the company's capital stock to the total amount of the actual value of the assets of said corporation, to-wit: \$11,750.00, and for the purpose of amending the charter of said corporation to show the actual paid in capital stock on which the corporation is now operating, and for the purpose of procuring the consent of each stockholder to surrender the certificates of stock now held by him and to accept the proportionate number of shares to which he may be entitled under the decreased capitalization in exchange for the stock now held by each stockholder, said proportion to be based upon the number of shares of stock now owned by each stockholder and representing the actual value of the stock of said corporation rather than in proportion to the number of shares originally held in the amount paid in as capital stock of said corporation, each stockholder to receive his proportion of the total of said stock in said corporation as represented by the actual value at this time of said stock originally issued rather than the book value thereof.

After discussion, the stockholders, on motion of W. G. Stewart, adopted the following resolution: said motion being duly seconded by J. C. Gregory, being unanimously adopted.

Whereas, there are now outstanding 235 shares of the capital stock of the Staub-Stewart Hardware Company, Inc. of the book value of \$23,500.00,

And Whereas, each share of said stock is not actually worth one hundred cents on the dollar and in order to place the affairs of the corporation on a stable basis it is the sense of the corporation that the total amount of its capital stock should be reduced to the actual value of the assets of the corporation, to-wit: \$11,750.00.

And Whereas, it is the sense of the stockholders of said corporation in meeting assembled that the original capital stock certificates now outstanding in the hands of the present stockholders should be reduced in number in proportion to the reduction in the capital stock of the corporation as shown by its inventory which shows the actual value of the total amount of the capital stock of said corporation to be \$11,750.00.

And Whereas, in order to do this it is necessary that each of the present stockholders surrender his stock in said corporation and accept as a purchase price therefor the proportionate number of shares in the new capital stock of the corporation to which he may be entitled, based on the number of shares he now owns in proportion to the total amount of the actual value of said stock.

And Whereas, each of said stockholders desires to do this in order that the business of said corporation may be put on a proper and firm basis,

And Whereas it is the sense of the Board of Directors also in meeting assembled at this time that this should be done, all of said directors being present and ratifying the action of said stockholders.

Therefore, be it resolved that the officers of said corporation be and they are hereby directed to proceed in a legal way and manner to amend the charter of incorporation of the Staub-Stewart Hardware Company by filing with the Secretary of State of the State of Mississippi the amendment to the present charter hereto attached, reducing the capital stock of said corporation to \$11,750.00 and the number of shares to be issued to 117 $\frac{1}{2}$ , and upon the approval of same by the proper authorities of the State of Mississippi that each and all of the present stockholders of said corporation deliver to the Secretary of said corporation the shares of stock now held by each and all of them and that upon the delivery of said shares of said stock as provided for herein that the President and Secretary of Staub-Stewart Hardware Company do issue to each of said stockholders new certificates of capital stock in said corporation in the amount of \$100.00 each up to the actual value of the shares of stock now held in said corporation, each of said stockholders in accepting said new shares of stock to bear his proportionate part of the decrease in the total amount of said stock from \$23,500.00 to \$11,750.00, the actual value of said stock as appears from the inventory of the assets and liabilities of said Staub-Stewart Hardware Company, Inc., as of this date and attached hereto.

Be it further resolved that upon the issuance of said new shares of stock as above provided that the shares of stock now outstanding upon surrender to the proper officers of this corporation be and the same are hereby ordered cancelled and destroyed by said officers.

Be it further resolved that a copy of these resolutions is hereby ordered sent by the President and Secretary of the corporation to the Secretary of State together with a copy of the amendment to the charter herein above provided for and attached hereto for filing and approval with the Secretary of State of the State of Mississippi.

Resolved in special meeting of the stockholders and directors of the Staub-Stewart Hardware Company, Inc., in special meeting jointly assembled on this the 4th day of March, 1941, at 7 P.M.

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of forming and incorporating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the "Agricultural Association Law", and any amendments thereto, with all the benefits, rights, powers, privileges, and immunities given or allowed by said statute, or other laws of the State of Mississippi, in relation to corporations so formed, or amendments thereto; and for that purpose hereby adopt the following Articles of Association and Incorporation:

ARTICLE I.

The name of the association shall be Central Mississippi Livestock Association, (A.A.L.).

ARTICLE II.

The domicile of the association shall be at Pickens, Holmes County, Mississippi.

ARTICLE III.

The period of existence of the association shall be fifty years from date hereof.

ARTICLE IV.

The association shall be organized and operated under Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V.

The purpose of the association shall be, primarily, to engage in the business of selling livestock of all kinds at auction, and otherwise buying and selling livestock for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI.

The association shall have all the powers granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or other laws of the State of Mississippi, or amendments thereto, granting corporate powers to cooperative associations.

ARTICLE VII.

Section 1. The authorized capital stock of the association shall be \$26,000.00 of which the sum of \$1,000.00 shall be common stock, divided into 1,000 shares of a par value of \$1.00 each, and \$25,000.00 shall be preferred stock, divided into 5,000 shares of a par value of \$5.00 each.

Section 2. No person, firm or corporation shall own or hold at any time more than 20% of the preferred stock outstanding.

Section 3. All transfers of stock shall be made on the books of the association by surrender of the certificate covering the same by the holder thereof, or by attorney properly authorized, but only with the consent and approval of the board of directors, and when the stockholder is free from indebtedness to the association. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association, the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 8% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends or distributions, or any part thereof may be paid in certificates of preferred stock and/or credit on preferred stock, or ad interim certificates representing fractional parts thereof, subject to conversion into full shares.

Section 6. The common stock of any member who shall die or whose membership is terminated by the board of directors or, if a corporation, shall be dissolved, shall be taken up by the association at par value or, at the option of the association, at appraised value, such value to be conclusively fixed by the board of directors of the association, and the association may pay therefor in cash or by certificate of indebtedness to be thereafter paid from the income of the association, unless said shares of such member or corporation shall have been promptly transferred to some producer or organization eligible to hold the same. The preferred stock, or any part thereof, may be redeemed or retired from time to time, provided said stock is retired in the same order as originally issued. All such preferred stock so retired shall be paid for in cash at the par value thereof, plus any dividend declared thereon and unpaid. No stock shall bear dividends or be eligible for voting after it has been called for retirement.

Section 7. In the event of dissolution or liquidation of the association, no holder of preferred stock shall receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock.

Each of the parties hereto subscribe for one share of common stock of the association and agrees to pay therefor at the par value of \$1.00 in cash, at the first meeting to be held after the issuance of the association's charter by the Secretary of State.

ARTICLE I

The name of the association shall be Sumner Gin Association, (A.A.L.)

ARTICLE II

The domicile of the association shall be at Sumner, Tallahatchie County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$25,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$24,000.00 shall be preferred stock, divided into 2,400 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. ARTICLES OF ASSOCIATION AND INCORPORATION  
OF  
DELTA GRAIN AND SEED ASSOCIATION (AAL)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be Delta Grain and Seed Association (AAL).

ARTICLE II

The domicile of the association shall be at Marks, Quitman County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of cleaning, processing, preparing for market, storing and marketing, and buying, selling, shipping and otherwise handling, grains, seeds, beans and other agricultural products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$25,000.00, of which the sum of \$2500.00 shall be common stock, divided into 250 shares of a par value of \$10.00 each, and \$22,500.00 shall be preferred stock, divided into 2250 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 8 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 8% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the certificate of Incorporation has been issued by the Secretary of State.

IN TESTIMONY WHEREOF, we each have hereunto set our hands in duplicate this 30th day of June, 1941.

## PETITION FOR AMENDMENT OF CHARTER

Comes now LOUISVILLE HOSPITAL, a Mississippi corporation, and files this its application for an amendment to its charter and would show the following facts:

That this corporation was duly organized on the 1st day of February, 1941 at which time officers and directors were elected and by-laws duly adopted; that the by-laws contains, among other things, the following provision: "This shall be a non-profit sharing corporation, and no dividends shall be declared on any stock" That the corporation has operated since its organization without profit and it is the purpose of its officers and directors to so continue the operation thereof, and that being true the directors and stockholders of the corporation deem it best to amend the charter thereof by inserting the above provision as an amendment thereto under Section 7 of the Charter. That the directors who also own all the stock of the corporation held a meeting in the office of the corporation at 10 o'clock A. M. on the 2nd day of June, 1941 at which time a proper resolution was adopted amending the charter, copy of which resolution is hereby attached and made a part of this application. Wherefore the petitioner submits this its application for amendment as is provided by Section 4144 of the Mississippi Code of 1930 and prays that the amendment be allowed as provided by law, the proposed amendment being only to the extent that the following language be inserted under Paragraph 7 of the corporation, to-wit: "This shall be a non-profit sharing corporation and no dividends shall be declared on any stock."

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

## ARTICLE I

The name of the association shall be Hale Ginning Association, (A. A. L.).

## ARTICLE II

The domicile of the association shall be at Shaw, Bolivar County, Mississippi, where its principal business will be transacted.

## ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

## ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

## ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

## ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

## ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$11,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$10,000.00 shall be preferred stock, divided into 1,000 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control of management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

The preferred stock shall bear non-cumulative dividends not exceeding 6 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed ~~or redeemed~~ or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of

ARTICLES OF ASSOCIATION AND INCORPORATION  
OF  
PLANTERS GIN ASSOCIATION OF SUMNER (A. A. L.)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these articles of Association and Incorporation:

ARTICLE I

The name of the association shall be Planters Gin Assn. of Sumner (A. A. L.).

ARTICLE II

The domicile of the association shall be at Sumner, Miss., where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$25,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$24,000.00 shall be preferred stock, divided into 2400 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any members who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock

# RECORD OF CHARTERS 40-41 STATE OF MISSISSIPPI

shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.
