RECORD OF CHARTERS 41-42 STATE OF MISSISSIPPI

No. 9421 W

AMENDED CHARTER OF INCORPORATION OF THE MISSISSIPPI DIVISION OF THE UNITED SONS OF CONFEDERATE VETERANS.

Section 1. Pursuant to the constitution and laws of the state of Mississippi, the corporation incorporated as the Mississippi Division of the United Sons of Confederate Veterans, the charter of which was approved by the governor and attorney general of Mississippi on June 3, 1902, and recorded by the secretary of state on June 17, 1902, is continued as a body corporate, without capital, to exist for a period of fifty years from the date of incorporation, with its domicile at Jackson, Mississippi, unless changed by said corporation or its board of directors to another place within this state.

Section 2. Said corporation shall have full power to enjoy and exercise all of the rights, powers, privileges and immunities provided by the laws of said state and such others not inconsistent with law, as it may deem necessary or expedient for the purposes of incorporation, and especially in carrying out within this state the general historical and benevolent principles, purposes, and objects of the general organization of the United Sons of Confederate Veterans, as declared in its constitution, in so far as the same are not inconsistent with the hereinafter mentioned special objects and purposes of this corporate existence.

Section 3. The special purposes of this organization are to own, hold, maintain, preserve and manage all or any portion of Beauvoir, in Harrison county, Mississippi, the residence of Jefferson Davis, the only president of the Confederate States of America, as a perpetual memorial sacred to the memory of Jefferson Davis, his family, and every hallowed recollection of "The Lost Cause". And the said corporation is empowered to dispose of any portion of said property to any person for valuable considerations, whenever it may consider such conveyance conducive to the purposes of this incorporation; but a conveyance to the state of Mississippi may be without considerations, restrictions or limitations, at the discretion of this corporation. Said corporation may receive all kinds of proper contributions and donations and provide such honorable measures as may be deemed expedient for raising funds needful for the aforesaid purposes with full power to so invest and disburse said funds, receive deed or deeds to said property, and, generally, do any and all things, not contrary to law, necessary to carry out the purposes of this corporation.

Section 4. The said corporation shall be governed by a board of five directors, who shall be members of the Mississippi Division of the United Sons of Confederate Veterans, and whose stated terms of office shall expire five years from June 3, 1941, and who shall continue to serve until their successors are selected. A vacancy on said board shall be filled by the remaining members of the board until the Mississippi Division of the United Sons of Confederate Veterans is in annual session, and at said annual session an election may be held for a director to take said place, and if at said reunion no such election is held the members of the board as then constituted, including the one selected by the board, shall make the selection. At all times when the Mississippi Division of the United Sons of Confederate Veterans fails to elect the members of the board shall proceed to elect. Members of the retiring board shall be eligible for selection on the new board. Any three members of said board shall constitute a quorum for the transaction of business. All terms of directors, regardless of when they commence, shall expire at the same time, and such expiration dates shall run in multiples of five from June 3, 1941. The board of directors shall meet as often as they deem necessary and at such place as it may select.

Section 5. Except for the special purposes herein enumerated, this incorporation of the Mississippi Division in no sense dissolves its union and cooperation with the general organization of the United Sons of Confederate Veterans and otherwise retains the full faith and allegiance thereto. All members of the said Mississippi Division in good standing are declared to be members of this corporation and those who hereafter become members of said Division ipso facto become members hereof so long as they retain good standing in said Division.

Section 7. The officers of this corporation shall be a president, vice-president, secretary and treasurer, and they shall be elected by the board of directors from their own number or from the membership of the Division in good standing. The board of directors shall prescribe the several duties and powers and determine what bonds shall be made and name the amount. All bonds shall be made in guaranty companies.

Section 8. The control, use and management of Beauvoir is vested in the officers, boards and persons provided in Chapter 315 of the General Acts of the Mississippi Legislature Regular Session 1940, and any amendments and changes that may be made thereto by the Legislature or by the Mississippi Division of the United Sons of Confederate Veterans. After the return of said property to this corporation, unless the law or this corporation may otherwise provide, the control, use and management of Beauvoir shall be vested in a board of five trustees, three of whom shall be selected by the board of directors of this corporation and two by the Mississippi Division of the United Daughters of the Confederacy. The said board of trustees shall operate under powers granted them by this corporation or the board of directors thereof, and the said board of directors shall provide suitable by-laws for the control, use and management of said property according to the powers conferred and in accordance with the true spirit of this charter.

raised on leased premises; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. At least 90 per cent of the preferred stock outstanding at any one time shall be owned or held by producers eligible to own common stock.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each holder of common stock shall be entitled to only one vote in transacting business at meetings of the stockholders of the association. The preferred stock of the association shall not entitle the holders thereof to any vote or voice in the management of the association, except that in the election of directors of the association each such holder of preferred stock shall be entitled to one vote for each share of preferred stock held by him, as required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. Holders of preferred stock shall be entitled to receive, if earned in any year, a dividend of 6 per cent, or so much thereof as the earnings for that year may warrant on the par value of each share; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or who ceases to be eligible to hold membership in the Association, unless transferred to some producer or organization eligible to hold same, shall be called and retired as of the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided, that the association shall have the right to retire such certificates earlier at the discretion of the board of directors; said certificates to bear interest at a rate determined by the board of directors, not to exceed six per cent per annum, payable annually. In the event the Association terminates a membership agreement for cause, it shall retire the stock of such member in the above manner, provided, however, that any certificates issued for such retirement shall be subject to a lien in favor of the Association to secure the payment of any liquidated damages for which such member is liable for the remainder of the initial period of his membership contract.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided, the preferred stock of non-producers shall be retired, in the order originally issued, before any preferred stock of members is retired. In retiring preferred stock of the members, the Board of Directors shall endeavor to call such stock as will tend to equalize the ownership of the members in proportion to their patronage. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value; and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

TO THE SECRETARY OF STATE, OF THE STATE OF MISSISSIPPI:

Herewith presented are proposed amendments to the Charter of Incorporation of White System of Meridian, Inc., (domicile at Meridian, Mississippi), whose Charter of Incorporation was heretofore duly approved February 2, 1933; which said amendments consist of a resolution (hereinafter duly certified) of the stockholders of said corporation adopting and approving said proposed amendments.

Said amendments so proposed and adopted, which likewise set forth in full said resolution of said stockholders adopting and approving same, follow:

" Resolved;

The Charter of Incorporation of the White System of Meridian, Inc. shall be amended by cancelling the provisions of Item 4 and 5 of the original Charter of Incorporation relating to the amount of capital stock and particulars as to class or classes thereof, and the number of shares for each class and par value thereof, and by substituting the following provisions therefor and in lieu thereof:

4. Amount of capital and particulars as to class or classes thereof; The amount of authorized capital stock of said corporation shall be: (a) Two hundred and fifty (250) shares of Class A. Common Stock of the par value of One Hundred Dollars (\$100.00) for each share, amounting to a total sum of Twenty-five Thousand Dollars (\$25,000.00) par value. (b) One thousand shares of Class B. Common Stock, without nominal or par value, the sale price and consideration per share of which, however, is hereby fixed at One Dollar (\$1.00) per share, and the Board of Directors of said Corporation is hereby authorized to fix or change from time to time, hereafter, such sale price and consideration per share of said Class B Common Stock. Voting powers of each above series or class of stock shall be full and equal and comply with Section 194 of the Constitution of Mississippi of 1890.

In the event of liquidation of said corporation, or the dissolution or the winding up in any manner provided by law of same, all assets, bills receivable, choses in action and money shall accrue to the holders of Class A. Common Stock, except for the corporate charter, franchises of said corporation, the business and good will thereof, the records and files thereof, and other similar or like intangible assets thereof, each and all of which exceptions shall accrue to the holders of Class B. Common Stock.

The Board of Directors of said corporation shall determine in their sole discretion the participation, if any, or rate of participation of the above respective classes or series of stock in any dividend or dividends of said corporation.

All presently outstanding stock, and certificates evidencing same, shall be cancelled and surrendered by the holders thereof. Upon such surrender said holders shall respectively receive therefor and in consideration thereof an equal amount in value of the above designated Class A. Common Stock; the basis to be used in such transfer in determining the value of said originally authorized stock to be the designated sale price thereof of \$1.00 a share, and the basis for determining such value of said Class A. Common Stock to be its aforesaid par value of \$100.00 per share.

5. Number of shares for each class and par value thereof: As aforesaid, the number of shares of stock shall be: (a) Two hundred and fifty (250) shares of Class A. Common Stock, of the par value of One Hundred Dollars (\$100.00) for each share; and, (b) One thousand (1,000) of Class B. Common Stock, without nominal or par value, the sale price and consideration per share of which, however, is hereby fixed at One Dollar per share, and the Board of Directors of this said Corporation is hereby authorized to fix or change, from time to time, hereafter, such sale price and consideration per share of said Class B. Common Stock."

And the undersigned secretary and treasurer of said White System of Meridian, Inc., do, by their signature below, also hereby certify that the above and foregoing proposed amendments to the Charter of Incorporation of said White System of Meridian, Inc., constitute and are a true, correct, exact and full copy of a resolution of the stockholders of said corporation adopting and approving said proposed amendments, same being adopted at a proper and legal meeting of such stockholders, held at the principal office of said corporation at 2217 4th Street, Meridian, Mississippi, at 5 o'clock P.M. Proper approval and allowance of said amendments is hereby requested.

ARTICLE I

The name of the association shall be South Delta Refrigerated Service (A A L).

ARTICLE II

The domicile of the association shall be Rolling Fork, Sharkey County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be to engage in the business of operating a refrigerated food storage plant for its members, including such services in connection therewith as it may from time to time deem advisable. It may also engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$30,000.00, of which the sum of \$5000.00 shall be common stock, divided into 500 shares of a par value of \$10.00 each, and \$25,000.00 shall be preferred stock, divided into 1000 shares of a par value of \$25.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the Association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

The preferred stock shall bear non-cumulative dividends not exceeding 6 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. ARTICLE I

The name of the association shall be Mound Bayou Gin Association (AAL).

ARTICLE II

The domicile of the association shall be at Mound Bayou, Bolivar County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such nonmembers is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$20,000.00, of which the sum of \$1000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$19,000.00 shall be preferred stock, divided into 1900 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof,

plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Be it further resolved that L. A. Watkins, Chairman, and G. W. No. 9680 W

PROPOSED AMENDMENTS TO ARTICLES OF INCORPORATION
OFHOLMES COUNTY BANK & TRUST COMPANY
LEXINGTON, HOLMES COUNTY, MISSISSIPPI

RESOLVED FIRST; That the capital of this Corporation be increased in the sum of \$22,500 by the issuance and sale, at par, of \$15,000 aggregate par value of additional preferred stock and \$7,500 par value of additional common stock, making the total capital of the Corporation \$107,500, of which \$50,000 is preferred and \$57,500 is common stock.

RESOLVED SECOND; That the Articles of Incorporation, as amended, be further amended by striking out Sections, 1, 3, 5, 6 and 13 of Article 4 and inserting in the place thereof the following:

Article 4 (1) Amount, classes and shares of capital stock.

The amount of capital stock of the Corporation shall be \$107,500, divided into classes and shares as follows:

(a) \$50,000 par value of preferred stock (subject to retirement as hereinafter provided), divided into 800 shares of the par value of \$62.50 each; and

(b) \$57,500 par value of common stock (subject to increase upon retirement of preferred stock as provided in the second paragraph of section 4 of this article 4). divided into 1,150 shares of the par value of \$50 each.

(3) Dividends on preferred stock.— The holders of preferred stock, in preference to the holders of common stock, shall be entitled to receive when and as declared by the Board of Directors, out of net profits of the Corporation (determined as provided in section 5 of this article 4) accruing after March 26, 1934 (hereinafter referred to as the "Recapitalization Date"), cash dividends thereon at the rate of 4% per annum of the par value thereof to and including January 31, 1935, and thereafter at the rate of 3½% per annum to and including January 31, 1940, and thereafter at the rate of 4% per annum of the par value thereof, and no more. Such dividends shall be payable semiannually on each February 1 and August 1, and shall accrue, as to any given share of such stock, from the date of original issuance of such share. Such dividends shall be cumulative, so that if dividends at the full rates required by this section 3 to be paid on the preferred stock shall not have been paid upon or declared and set apart for such preferred stock, the deficiency shall be fully paid or declared and set apart before any dividend or other distribution, whether in cash, property, stock or otherwise, shall be declared, ordered, set apart, paid or made in respect of the common stock. Dividends on the preferred stock shall be deemed to accrue from day to day.

(5) Determination of net profits.— For the purpose of this article 4, the net profits or net loss (as distinguished from usage of the terms "net profits" and "net loss" in the reports required by the State Comptroller) of the Corporation shall be determined for each six months' period ending on December 31 or June 30 by deducting from the gross earnings from all sources for such period;

(a) All expenses for such period;

(b) All interest accrued during such period;

(c) All losses determined during such period, and such chargeoffs and write-downs of assets and transfers to reserves (whether from income, undivided profits or surplus) for such period (including all charge-offs, write-downs and transfers to reserve requested by the State Comptroller for such period) as may be reasonably necessary to make proper provision for doubtful assets, depreciation and undetermined losses, but to the extent only that such losses, determined or undetermined, charge-offs and write-downs of assets exceed reserves previously set up therefor in such period or any prior period, or available unallocated reserves;

(d) Provision for all taxes for such period, including taxes measured by income and taxes based on the ownership of stock in the Corporation, paid or payable by the Corporation for the account of its shareholders;

(e) Such transfers for such period to surplus as may be required by law: Provided, however, That transfers to earned surplus as required by section 7-(b) of Senate Bill No. 227, Laws of 1934, shall not be deducted from gross earnings in determining net profits available for the dividend and retirement requirements of the preferred stock; and

(f) The net loss, if any, determined in accordance with the provisions of this section 5, accrued since the Recapitalization Date, accumulated to and existing at the beginning of such period: Provided, however, That no deduction from gross earnings for any period or periods ending on or after June 30, 1943, shall be made by reason of any net loss accrued since the Recapitalization Date, accumulated to and existing on December 31, 1942.

All recoveries over net book value on assets previously charged off or written down or against which reserves have been set up, and all transfers from reserves to surplus or undivided profits (other than transfers made to reflect recoveries already treated as gross earnings), and all transfers to surplus, undivided profits or reserves made on account of contributions to the Corporation or on account of reductions in common stock or decreases in the par value of the preferred stock of any class (other than retirements), shall be considered gross earnings for the respective periods during which such recoveries or transfers are effected.

(6) Application of net profits.— As long as any shares of preferred stock are outstanding, the Corporation, on each February 1 and August 1, shall apply the net profits of the Corporation for the six months' period ending on the next preceding December 31 or June 30, as the case may be, to the following purposes and in the following order of priority:

(a) To the payment of dividends on the outstanding preferred stock accrued to such February 1 or August 1, as the case may be;

(b) To the payment into the preferred stock retirement fund (referred to in section 8 of this article 4) of a sum equal to one-half of one per cent of the aggregate par value of the preferred stock at the time outstanding. In the event that the net profits of the Corporation shall on any such February 1 or August 1 be insufficient to permit the payment into such preferred stock retirement fund of the full amount hereinabove provided for, the deficiency shall be fully paid before any net profits of the Corporation shall be thereafter applied to any of the purposes hereinafter specified in this section 6;

(c) To the payment into the preferred stock retirement fund (referred to in section 8 of this article 4) of a sum equal to 40% of the remainder, if any, of such net profits: Provided, however, That the aggregate amount paid into the preferred stock retirement fund in any one year in accordance with the requirements of this paragraph (c) need not exceed \$2,500: Provided, further, however, That unless otherwise elected, from time to time, by the Corporation by action of its Board of Directors, it shall not be required to make the payments into the preferred stock retirement fund required by paragraphs (b) and (c) of this section (6) except from such net profits as may have accrued from and after June 30, 1942; and

(d) To such other lawful purposes as may be determined by the Board of Directors, subject, however, to the provisions of section 7 of this article 4, and to compliance with the provisions of section 7-(b) of Senate Bill No. 227, Laws of 1934.

(13) Other voting rights.— If at any time while the Reconstruction Finance Corporation shall hold not less than 25% of the total number of shares of preferred stock at the time outstanding--

(a) The Corporation shall be in arrears in the payment of as many as two semiannual dividend payments (whether or not consecutive and whether or not earned or declared) on the preferred stock (exclusive of any such dividend which may be payable at any time within three (3) months from the date of issuance of the preferred stock); or

(b) The amounts paid into the preferred stock retirement fund (referred to in section 8 of this

article 4) subsequent to June 30, 1942, in accordance with the requirements of paragraph (c) of section 6 of this article 4, or transferred to such retirement fund subsequent to June 30, 1942, in accordance with the provisions of section 8 of this article 4 from surplus or undivided profits accumulated from net profits since the Recapitalization Date, shall not on August 1, 1943, or on any August 1 thereafter, have amounted in the aggregate to at least \$2,500 multiplied by the number of full calendar years which shall have elapsed since January 1, 1942; or

(c) The fair value of the assets of the Corporation, as determined by an examination of the Corporation by the Reconstruction Finance Corporation (which may be made by the Reconstruction Finance Corporation once in each calendar year if the Reconstruction Finance Corporation shall so elect), or as determined by the State Comptroller, shall be less than an amount equal to all of its liabilities, including all capital stock outstanding; or

(d) The Corporation shall violate or fail to observe any of the terms, provisions or conditions of its Articles of Incorporation -- then after written notice from Reconstruction Finance Corporation, of the existence of any of the said conditions and as long as any of the said conditions in (a), (b), (c), and (d) above shall continue:

(1) All directors, officers and employees of the Corporation shall receive compensation at rates not exceeding such maximum limitations as may be fixed by the vote of the holders of a majority of the shares of preferred stock at the time outstanding.

(2) In case Reconstruction Finance Corporation, with the approval of the State Comptroller, at any time shall notify the Corporation that any director, officer or employee of the Corporation is regarded by Reconstruction Finance Corporation as unsatisfactory, and in case such director, officer or employee is not removed from office (and, if requested by Reconstruction Finance Corporation, replaced with a director, officer or employee satisfactory to it) within thirty days after receipt by the Corporation of such notice, then, and until such removal and replacement shall have been effected, the holders of preferred stock at the time outstanding shall be entitled, as a class, to vote on all matters twice the number of the votes to which the holders of common stock, as a class, are at the time entitled, and each holder of preferred stock shall be entitled to a pro rata share of the votes to which his class is entitled.

(3) The Corporation shall not directly or indirectly purchase or otherwise acquire any real estate for its own use, or lease any real estate for its own use for a term longer than one year, without in each case the affirmative vote of the holders of a majority of the preferred stock at the time outstanding, or a written waiver of voting rights with respect thereto by the holders of such majority: Provided, however, That this limitation shall not apply to real estate acquired under the provisions of subdivisions 2 and 3 of Section 53 of Senate Bill 227, Laws of 1934.

ARTICLES OF ASSOCIATION & INCORPORATION
OF
GUNNISON GIN ASSOCIATION, (A.A.L.)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be GUNNISON GIN ASSOCIATION, (A.A.L.).

ARTICLE II

The domicile of the association shall be at Gunnison, Bolivar County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$25,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$24,000.00 shall be preferred stock, divided into 2,400 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificates evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear cumulative dividends not exceeding 8% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remain-

Thereupon Frieda C. Land offered the following resolution:

"BE IT RESOLVED by the stockholders of New Dixie Chevrolet Company, a corporation of Clarksdale, Mississippi, that the charter of the corporation be amended as follows: That the corporate title of said company be changed from 'New Dixie Chevrolet Company' to 'Dixie Chevrolet Company'.

BE IT FURTHER RESOLVED that Dorothy W. Kyle, secretary of the corporation, be and is hereby authorized and empowered to apply to the Secretary of State of Mississippi at Jackson for said amendment."

Upon motion duly made and seconded thereto that the resolution be adopted, a vote was thereupon taken and the stockholders present representing all of the capital stock of the corporation issued and outstanding all voted in favor of the passage of the resolution and it was thereupon declared by the President to be unanimously passed, approved and adopted.

PROPOSED AMENDMENTS TO ARTICLES OF INCORPORATION
OF
MERCHANTS & MARINE BANK OF PASCAGOULA
PASCAGOULA, MISSISSIPPI

RESOLVED FIRST, That, upon the valid adoption of this resolution, the preferred stock of this Corporation be designated preferred stock "A"; that such preferred stock "A" shall have the respective rights, preferences, privileges, powers, restrictions, limitations and qualifications of the preferred stock "A" hereinafter set forth in the amended Articles of Incorporation; that certificates representing one share of preferred stock "A" of the par value of \$31.25 for each share of preferred stock of the par value of \$31.25, represented by certificates now outstanding, shall be issued in exchange for such outstanding certificates upon the surrender for cancellation of the outstanding certificates for such preferred stock, in transferable form, and, if required, properly stamped for transfer; that until such certificates are exchanged as aforesaid the outstanding certificates for shares of preferred stock of the par value of \$31.25 per share shall be deemed to represent a like number of shares of preferred stock "A" of the par value of \$31.25 each; that all amounts heretofore paid by this Corporation into its preferred stock retirement fund, pursuant to the provisions of the present Articles of Incorporation, as amended, shall be transferred to the preferred stock "A" retirement fund and applied in accordance with the pertinent provisions of the amendments to the Articles of Incorporation hereinafter set forth;

RESOLVED SECOND, That the capital of this Corporation be increased in the sum of \$50,000 by the issuance of \$50,000 preferred stock "B" under the provisions of Section 52, Chapter 146, Laws of 1934, making the total capital of the corporation \$120,000, of which \$45,000 is preferred stock "A", \$50,000 is preferred stock "B" and \$25,000 is common stock;

RESOLVED THIRD, That the Articles of Incorporation, as amended, be further amended by striking therefrom Articles 3-A, 6 and 7 and inserting in lieu thereof the following:

ARTICLE 3-A. (1) Amount, classes and shares of capital stock. The amount of capital stock of the Corporation shall be \$120,000, divided into classes and shares as follows:

(a) \$45,000 par value of preferred stock "A" (subject to retirement as hereinafter provided), divided into 1,440 shares of the par value of \$31.25 each;

(b) \$50,000 par value of preferred stock "B" (subject to retirement as hereinafter provided), divided into 1,000 shares of the par value of \$50 each; and

(c) \$25,000 par value of common stock (subject to increase upon retirement of preferred stock as provided in the second paragraph of Section 5 of this Article 3-A), divided into 1,000 shares of the par value of \$25 each.

(2) Assessability of stock. The holders of preferred stock "A" and the holders of preferred stock "B", as such, shall not be held individually responsible as such holders for any debts, contracts, or engagements of the Corporation, and shall not be liable for assessments to restore impairments in the capital of the Corporation.

(3) Dividends on preferred stock "A". The holders of preferred stock "A", in preference to the holders of preferred stock "B" and common stock, shall be entitled to receive, when and as declared by the Board of Directors, out of the net profits of the Corporation (determined as provided in Section 6 of this Article 3-A) accruing after May 28, 1935 (hereinafter referred to as the "Recapitalization Date"), cash dividends thereon to and including January 31, 1940, at the rate of three and one-half per cent per annum of the par value thereof, and no more, and thereafter at the rate of four per cent per annum of the par value thereof, and no more. Such dividends shall be payable semi-annually on each February 1 and August 1, and shall accrue, as to any given share of such stock from the date of issuance of such share. Such dividends shall be cumulative, so that if dividends at the full rates required by this Section 3 to be paid on the preferred stock "A" shall not have been paid upon or declared and set apart for such preferred stock "A", the deficiency shall be fully paid or declared and set apart before any dividend or other distribution, whether in cash, property, stock, or otherwise, shall be declared, ordered, set apart, paid or made in respect of the preferred stock "B" or the common stock. Dividends on the preferred stock "A" shall be deemed to accrue from day to day.

(4) Dividends on preferred stock "B". Subject to the provisions of Sections 3 and 7 of this Article 3-A, the holders of preferred stock "B" shall be entitled to receive, when and as declared by the Board of Directors, out of net profits of the Corporation (determined as provided in Section 6 of this Article 3-A) accruing after the date of issuance thereof, cash dividends thereon at the rate of not exceeding five per cent per annum of the par value thereof and no more. Such dividends shall be payable semi-annually on each February 1 and August 1, and shall accrue, as to any given share of such stock, from the date of issuance on such share. Such dividends shall be cumulative, so that if dividends at the full rate or rates per annum required by this Section 4 to be paid on the preferred stock "B" shall not have been paid upon or declared and set apart for such stock, the deficiency shall be fully paid or declared and set apart before any dividend or other distribution, whether in cash, property, stock, or otherwise, shall be declared, ordered, set apart, paid, or made in respect of the common stock. Dividends on the preferred stock "B" shall be deemed to accrue from day to day.

(5) Dividends on common stock. Dividends or other distributions whether in cash, property, stock or otherwise, shall, so long as any share of preferred stock "A" or preferred stock "B" are outstanding, be declared, ordered, set apart, paid, or made in respect of the common stock only out of the net profit of the Corporation (determined as provided in Section 6 of this Article 3-A) accruing after the Recapitalization Date.

If any retirement of preferred stock "A" or preferred stock "B" would decrease the outstanding capital of the Corporation below the minimum amount required by law, the Board of Directors, prior to or simultaneously with such retirement, shall transfer an amount equal to the aggregate par value of the preferred stock "A" or preferred stock "B" so retired from reserves set up for the retirement of such preferred stock to a special reserve fund for the payment of common stock dividends, and shall declare on the common stock, out of such special reserve fund, a dividend payable in common stock in an amount equal to the aggregate par value of the preferred stock "A" or preferred stock "B" so retired, and the shares of common stock required for the payment of any such stock dividend shall be issuable without any further vote on the part of the holders of stock of any class or any further approval on the part of the State Comptroller.

(6) Determination of net profits. For the purpose of this Article 3-A the net profits or net loss (as distinguished from usage of terms "net profits" and "net loss" in reports required by the State Comptroller) of the Corporation shall be determined for each six months' period ending on December 31 or June 30 by deducting from the gross earnings from all sources for such period:

(a) All expenses for such period;

(b) All interest accrued during such period;

(c) All losses determined during such period, and such charge offs and write downs of assets and transfers to reserves (whether from income, undivided profits or surplus) for such period (including all charge-offs, write-downs and transfers to reserves requested by the State Comptroller for such period) as may be reasonably necessary to make proper provision for doubtful assets, depreciation and undetermined losses, but to the extent only that such losses, determined or undetermined, charge-offs, and write-downs of assets exceed reserves previously set up therefor in such period or any prior period, or available unallocated reserves;

(d) Provision for all taxes for such period, including taxes measured by income and taxes based

on the ownership of stock in the Corporation paid or payable by the Corporation for the account of its shareholders, without prejudice to such right as the Corporation may have to recover the same;

(e) Such transfers for such period to surplus as may be required by law; Provided, however, that transfers to earned surplus as required by Section 7-(b) of Senate Bill No. 227, Laws of 1934, shall not be deducted from gross earnings in determining net profits available for the dividend and retirement requirements of the preferred stock; and

(f) The net loss, if any, determined in accordance with the provisions of this Section 6, accrued since the Recapitalization Date, accumulated to and existing at the beginning of such period; Provided, however, that no deductions from gross earnings for the six months period ending June 30, 1935, need be made by reason of any charge-offs or write-downs of assets or transfers to reserves required by the State Comptroller and approved in writing by Reconstruction Finance Corporation made on account of loss incurred prior to or depreciation in assets existing at the Recapitalization Date.

All recoveries over net book value on assets previously charged off or written down or against which reserves have been set up, and all transfers from reserves to surplus or undivided profits (other than transfers made to reflect recoveries already treated as gross earnings), shall be considered gross earnings for the respective periods during which such recoveries or transfers are effected.

(7) Application of net profits. (a) As long as any shares of preferred stock "A" are outstanding, the Corporation on each February 1 and August 1 shall apply the net profits of the Corporation for the six months' period ending on the next preceding December 31 or June 30, as the case may be, to the following purposes and in the following order of priority:

(1) To the payment of dividends on the outstanding preferred stock "A" accrued to such February 1 or August 1, as the case may be;

(2) To the payment into the preferred stock "A" retirement fund (referred to in Section 9 of this Article 3-A) of a sum equal to one-half of one per cent of the aggregate par value of preferred stock "A" at the time outstanding. In the event that the net profits of the Corporation shall on any such February 1 or August 1 be insufficient to permit the payment into such preferred stock "A" retirement of the full amount hereinabove provided for, the deficiency shall be fully paid before any profits of the Corporation shall be thereafter applied to any of the purposes hereinafter specified in this Section 7.

(3) ~~To~~ The payment into the preferred stock "A" retirement fund (referred to in Section 9 of this Article 3-A) of a sum equal to 40% of the remainder, if any, of such net profits; Provided, however, that the aggregate amount paid into the preferred stock "A" retirement fund in any one year in accordance with the requirements of this subparagraph (3) need not exceed \$2,500; Provided further, however, that, unless otherwise elected from time to time by the Corporation by action of its Board of Directors, it shall not be required to make the payments into the preferred stock "A" retirement fund required by subparagraphs (2) and (3) of this Section 7, except from such net profits as may have accrued from and after June 30, 1942;

(4) Subject to the provisions of Section 4 of this Article 3-A, to the payment of dividends on the outstanding preferred stock "B" accrued to such February 1 or August 1, as the case may be; and

(5) Subject to compliance with the provisions of Section 7-(b) of Senate Bill No. 227, Laws of 1934, any balance of net profits for such period may be applied from time to time to such lawful purposes as may be determined by the Board of Directors, subject, however, to the provisions of Section 8 of this Article 3-A.

(b) After all shares of preferred stock "A" shall have been retired and as long as any shares of preferred stock "B" are outstanding, the Corporation on each February 1 and August 1 shall apply such net profits to the following purposes and in the following order of priority, and not otherwise:

(1) To the payment of dividends on the outstanding preferred stock "B" accrued to such February 1 or August 1, as the case may be;

(2) To the payment into the preferred stock "B" retirement fund (referred to in Section 9 of this Article 3-A) of a sum equal to forty per cent of the remainder, if any, of such net profits; Provided, however, that the aggregate amount paid into the preferred stock "B" retirement fund in any one year need not exceed five per cent of the maximum aggregate par value of the preferred stock "B" at any time outstanding, whether or not any such stock shall have been subsequently retired or the aggregate par value thereof reduced in any manner whatsoever; and

(3) Subject to compliance with the provisions of Section 7-(b) of Senate Bill No. 227, Laws of 1934, any balance of net profits for any such period may be applied from time to time to such lawful purposes as may be determined by the Board of Directors, subject, however, to the provisions of Section 8 of this Article 3-A.

(8) Limitations on retirement of stock. Except with the approval of the State Comptroller, no preferred stock "A" or preferred stock "B" shall be called or purchased for retirement by the Corporation unless the then unimpaired capital, surplus and undivided profits of the Corporation, and the retirement funds provided for herein (after giving effect to the proceeds of the issuance of any stock issued to provide funds for such retirement) exceed \$95,000 by an amount at least equal to the sum necessary to effect such retirement. No shares of preferred stock "A" or preferred stock "B" shall be called or purchased for retirement unless all accrued dividends (whether or not earned or declared) to the dividend payment date next preceding the date of such retirement shall have been paid on all then outstanding shares of preferred stock of the class to be retired. So long as any shares of preferred stock "A" are outstanding, the Corporation shall not call or purchase for retirement any shares of preferred stock "B".

(9) Retirement of preferred stock by purchase. Subject to the provision of Section 8 of this Article 3-A, whenever the balance in the preferred stock "A" retirement fund shall amount to as much as \$1,000, the Corporation shall (unless the Board of Directors shall elect to use the entire amount of such balance in the preferred stock "A" retirement fund for the retirement of preferred stock "A" by call, as provided in Section 10 hereof) within ten days thereafter mail, first-class postage prepaid, to all holders of record of preferred stock "A" at their respective addresses as shown on the books of the Corporation, a notice specifying the balance in such fund and stating that the same is available for the purchase for retirement of preferred stock "A" at the lowest prices (not in excess of the par value thereof and accrued dividends thereon, whether or not earned or declared, to the date of purchase) offered within twenty days after the date of such notice. At the expiration of such twenty days, the Corporation shall apply such balance to the purchase for retirement of preferred stock "A", if obtainable, in accordance with the terms of such notice. Within ten days after such expiration, subject to the provisions of Section 8 of this Article 3-A, the Corporation shall call for retirement, in the manner provided in Section 10 hereof, the largest number of shares of preferred stock "A" which can be retired from the balance in such retirement fund remaining after deducting the amount paid or to be paid for the purchase for retirement of preferred stock "A" as aforesaid, and shall set aside from such retirement fund the sum necessary to effect such retirement; Provided, however, that the minimum capital shall in no event be reduced below the minimum amount required by law. Whenever the balance in the preferred stock "B" retirement fund shall amount to as much as \$1,000, such balance shall be used for the retirement of preferred stock "B" by purchase or call in the manner herein provided for the retirement of preferred stock "A". Subject to the provisions of Section 8 of this Article 3-A, at any time, and from time to time, the Corporation may make such lawful transfers from its surplus and/or undivided profits to the preferred stock "A" retirement fund or (after all shares of preferred stock "A" shall have

been retired to the preferred stock "B" retirement fund, as the Board of Directors may determine. All shares of preferred stock "A" or preferred stock "B" purchased for retirement by the Corporation, whether from the retirement funds or otherwise, shall be cancelled forthwith and shall not be reissued.

(10) Retirement of preferred stock by call. Subject to the provisions of Section 8 of this Article 3-A, the Corporation may at any time, at its election, as expressed by resolution of the Board of Directors, retire the outstanding preferred stock "A" or preferred stock "B", or both, as a whole, or from time to time in part, pro rata or by lot in such equitable manner to carry out the purpose of this Section 10 as the Board of Directors of the Corporation in its discretion shall from time to time determine (and provided always that the capital shall in no event be reduced below the minimum amount of capital required by law) by paying for each share to be retired a retirement price equal to the par value thereof plus all unpaid dividends thereon, whether or not earned or declared, accrued to the date of such retirement. At least thirty days' prior written notice of every such retirement, stating the retirement date and the retirement price, and the place of payment thereof, shall be mailed, first-class postage prepaid, to the holder of record of each share to be retired, at the address of such holder as shown on the books of the Corporation. Such notice having been so mailed, each holder of shares so called for retirement shall be entitled to receive payment of the retirement price of such shares (without interest) upon surrender to the Corporation, on or after the retirement date, at the place designated in such notice, of the certificate or certificates therefor in transferable form and, if required, properly stamped for transfer. In case less than all of the shares represented by any such certificate are retired, a new certificate shall be issued representing the unretired shares. From and after the retirement date (unless the Corporation shall default in payment of the retirement price), all dividends on shares called for retirement shall cease to accrue, such shares shall be deemed to be no longer outstanding, and all rights of the holders thereof as shareholders of the Corporation, except the right to receive the retirement price, shall terminate. All shares so retired shall be cancelled forthwith and shall not be reissued.

(11) Increase or decrease of capital stock; amendments of Articles of Incorporation, etc. By the affirmative vote of the holders, voting by classes, of at least two-thirds of the shares of each class of stock at the time outstanding and not otherwise, and subject to such approval by the State Comptroller and such other conditions as at the time may be required by law --

(a) The capital stock of the Corporation may be increased at any time, and from time to time, through issuing additional shares of preferred stock "A", preferred stock "B", and/or common stock, and/or through the creation of one or more additional classes of stock; Provided, however, that

(1) No vote of the holders of preferred stock "A" shall be required with respect to any issue of additional shares of preferred stock "B" and/or common stock if the entire proceeds of such issue are to be used for the retirement of shares of preferred stock "A";

(2) No vote of the holders of preferred stock "B" shall be required with respect to any issue of additional shares of common stock if the entire proceeds of such issue are to be used for the retirement of shares of preferred stock "A" and/or preferred stock "B";

(3) No vote of the holders of stock of any class shall be required with respect to any issue of additional shares of common stock as a stock dividend, pursuant to the second paragraph of Section 5 of this Article 3-A, in connection with the retirement of shares of preferred stock "A" and/or preferred stock "B";

(b) The capital stock of the Corporation may be decreased at any time, and from time to time, to any amount not below the amount at the time required by law; Provided, however, that no vote of the holders of stock of any class shall be required with respect to the retirement of preferred stock "A" or preferred stock "B";

(c) The name of the Corporation and/or the place where its operations of discount and deposit are to be carried on may be changed, but this clause shall not be construed to abridge the powers of the Board of Directors under applicable law with reference to the establishment or change of location or closing of branches;

(d) These Articles of Incorporation may be amended at any time, and from time to time, in any other respect;

(e) The Corporation may be consolidated or merged into or with any other bank, or may acquire all or substantially all of the assets and business of any banking corporation or trust company;

(f) All or substantially all of the assets and business of the Corporation may be sold or otherwise disposed of;

(g) The Corporation may go into voluntary liquidation; and

(h) Any plan of reorganization of the Corporation may be carried into effect; Provided, however, that, if, and as long as the voting rights of the preferred stock "A" and/or the preferred stock "B" are increased in accordance with the provisions of Section 13 or 14 of this Article 3-A, or the fair value of the assets of the Corporation as determined by the State Comptroller shall be less than an amount equal to all its liabilities, including all capital stock outstanding, any of the actions specified in the foregoing paragraphs (a) to (h), inclusive, of this Section 11 may be taken by the affirmative vote of two-thirds of the votes to which the holders of all classes of stock, voting as one class, are at the time entitled, and not otherwise, except that the Corporation may not be put into voluntary liquidation without the approval of the State Comptroller.

(12) Preemptive rights. In case of any increase in the capital stock of the Corporation of any class other than by way of a stock dividend, the new shares shall be offered for subscription to the holders of record of all shares of stock of that class at the time outstanding, in proportion to the number of shares of such stock of that class held by them respectively, by mailing, first-class postage prepaid, to such holders, at their respective addresses as shown on the books of the Corporation, transferable subscription warrants exercisable at any time on or before thirty days from the date of such mailing. If at the expiration of such subscription rights, any of the new shares have not been subscribed for, such shares shall be offered for subscription to the holders of record of all other shares of stock of all other classes at the time outstanding, in proportion to the number of such shares held by them respectively, and notice shall be given as above provided. If at the expiration of both of such subscription rights any of the new shares have not been subscribed for, such unsubscribed new shares may be issued and sold at such price, not less than the par value thereof, to such persons and on such terms as the Board of Directors may determine.

(13) Voting rights. (a) Except as otherwise provided in Section 11 and 14 of this Article 3-A and in this Section 13, each holder of stock of any class shall be entitled to vote on all matters one vote for each share of stock of any class held by him.

(b) In all elections of directors, each holder of stock of any class shall have the right to vote the votes allocable to the number of shares owned by him for as many persons as there are directors to be elected, or to cumulate such votes and give one candidate as many votes as the number of directors multiplied by the number of votes allocable to his shares shall equal, or to distribute such votes on the same principle among as many candidates as he shall think fit.

(c) In case as many as two semi-annual dividend payments (whether or not consecutive and whether or not earned or declared) on the preferred stock "B" shall be in arrears (exclusive of any such dividend which may be payable at any time within three (3) months from date of issuance of the preferred stock "B") then, and until all arrears of dividends upon the preferred stock "B" shall have been paid and the full dividend on the outstanding preferred stock "B" for the then current semi-annual dividend period shall have been declared and funds set apart for the payment thereof, the holders of preferred stock "B" at the time outstanding shall be entitled, as a class, to vote on all matters twice the number of the votes to which the holders of common stock, as a class, are at the time entitled, and the holders of preferred stock "A" at the time outstanding shall be entitled, as a class, to such

increased number of votes on all matters as will maintain the proportionate voting power of the preferred stock "A" and the preferred stock "B" in the same proportions as would have existed in the absence of such increase in the number of the votes to which the holders of preferred stock are entitled, and each holder of preferred stock "A" or preferred stock "B" shall be entitled to a pro rata share of the votes to which his class is entitled.

(d) In case as many as two semi-annual dividend payments (whether or not consecutive and whether or not earned or declared) on the preferred stock "A" shall be in arrears (exclusive of any such dividend which may be payable at any time within three (3) months from the date of issuance of the preferred stock "A") then, and until all arrears of dividends upon the preferred stock "A" shall have been paid and the full dividend on the outstanding preferred stock "A" for the then current semi-annual dividend period shall have been declared and funds set apart for the payment thereof, the holders of preferred stock "A" at the time outstanding shall be entitled, as a class, to vote on all matters twice the number of votes to which the holders of preferred stock "B" (whether or not the votes of the preferred stock "B" shall have been increased as provided in paragraph (c) of this Section 13) and of common stock, as classes, are at the time entitled, and each holder of preferred stock "A" shall be entitled to a pro rata share of the votes to which his class is entitled.

(e) At any time while the votes of the preferred stock "A" and/or of the preferred stock "B" are increased as provided in paragraphs (c) or (d) of this Section 13 or in subparagraph (2) of Section 14 of this Article 3-A, any one or more of the directors, officers, or employee of the Corporation may be removed at any annual or special meeting of the shareholders, for or without cause, and their successors elected by the affirmative vote of two-thirds of the votes to which the holders of all classes of stock, voting as one class, are at the time entitled.

(14) Other voting rights. If at any time while the Reconstruction Finance Corporation shall hold not less than twenty-five per cent of the total number of shares of preferred stock "A" at the time outstanding --

(a) The Corporation shall be in arrears in the payment of as many as two semi-annual dividend payments (whether or not consecutive and whether or not earned or declared) on the preferred stock "A" (exclusive of any such dividend which may be payable at any time within three (3) months from the date of issuance of the preferred stock "A"); or

(b) The amounts paid into the preferred stock "A" retirement fund (referred to in Section 9 of this Article 3-A) in accordance with the requirements of subparagraph (3) of paragraph (a) of Section (7) of this Article 3-A on and after February 1, 1944, shall not have amounted in the aggregate to \$2,500, multiplied by the number of calendar years which shall have elapsed since January 1, 1943; or

(c) The fair value of the assets of the banking corporation as determined by an examination of the banking corporation by the Reconstruction Finance Corporation (which may be made by the Reconstruction Finance Corporation once in each calendar year if the Reconstruction Finance Corporation shall so elect), or as determined by the State Comptroller, shall be less than an amount equal to all of its liabilities, including all capital stock outstanding; or

(d) The Corporation shall violate or fail to observe any of the terms, provisions, or conditions of its Articles of Incorporation --

then after written notice from Reconstruction Finance Corporation of the existence of any of said conditions and so long as any of said conditions in (a), (b), (c) and (d) above shall continue:

(1) All directors, officers, and employees of the Corporation shall receive compensation at rates not exceeding such maximum limitations as may be fixed by the vote of the holders of a majority of the shares of preferred stock "A" at the time outstanding;

(2) In case Reconstruction Finance Corporation, with the approval of the State Comptroller, at any time shall notify the Corporation that any director, officer, or employee of the Corporation is regarded by Reconstruction Finance Corporation as unsatisfactory and in case such director, officer, or employee is not removed from office (and, if requested by Reconstruction Finance Corporation, replaced with a director, officer, or employee satisfactory to it) within thirty days after receipt by the Corporation of such notice, then, and until such removal and replacement shall have been effected, the holders of preferred stock "A" at the time outstanding shall be entitled, as a class, to vote on all matters twice the number of votes to which the holders of preferred stock "B" (whether or not the votes of the Preferred stock "B" shall have been increased as provided in paragraph (c) of Section 1 of this Article 3-A) and of common stock, as classes, are at the time entitled, and each holder of preferred stock "A" shall be entitled to a pro rata share of the votes to which his class is entitled;

(3) The Corporation shall not directly or indirectly purchase or otherwise acquire any real estate for its own use, or lease any real estate for its own use for a term longer than one year, without in each case the affirmative vote of the holders of majority of the preferred stock "A" at the time outstanding, or a written waiver of voting rights with respect thereto by the holders of such majority; Provided, however, that this limitation shall not apply to real estate acquired under the provisions of sub-divisions 2 and 3 of Section 53 of Senate Bill No. 227, Laws of 1934;

(4) The Corporation shall not incur indebtedness maturing more than one year from the creation thereof, without the affirmative vote of the holders of a majority of the preferred stock "A" at the time outstanding or a written waiver of voting rights with respect thereto by the holders of such majority; Provided, however, that the indebtedness herein referred to shall not be construed to include the acceptance of time deposits, which may continue to be accepted by the Corporation under such conditions as may be provided by law.

(15) Rights of preferred stock "A" on liquidation. In the event of any receivership, conservatorship, liquidation, dissolution, or winding up of the Corporation, whether voluntary or involuntary, before any payment or other distribution, whether in cash, property, or otherwise shall be made to the holders of preferred stock "B" or common stock, the holders of preferred stock "A" shall be entitled to receive, for each share of such stock held by them, an amount equal to the par value thereof, plus an amount equal to all unpaid dividends thereon, whether or not earned or declared, accrued to the date of payment, but shall not be entitled to any other or further payment; Provided, however, that a merger or consolidation in accordance with law and these Articles of Incorporation, shall not be deemed a liquidation, dissolution, or winding up of the Corporation within the meaning of this Section 15.

(16) Rights of preferred stock "B" on liquidation. ARTICLES OF ASSOCIATION AND INCORPORATION
OF
COLUMBUS GIN ASSOCIATION (AAL)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of forming and incorporating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the "Agricultural Association Law", and any amendments thereto, with all the benefits, rights, powers, privileges and immunities given or allowed by said statute, or other laws of the State of Mississippi, in relation to corporations so formed, or amendments thereto; and for that purpose hereby adopt the following Articles of Association and Incorporation:

ARTICLE I.

The name of the association shall be Columbus Gin Association (AAL)

ARTICLE II.

The domicile of the association shall be at Shaw, Bolivar County, Mississippi.

ARTICLE III.

The period of existence of the association shall be fifty years from the date hereof.

ARTICLE IV.

The association shall be organized and operated under Article 1 of Chapter 99 of the Mississippi Code of 1930 and amendments thereto.

ARTICLE V.

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton-seed and cotton-seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non-members, provided that the business transacted with such non-members is not greater than that transacted with its members.

ARTICLE VI.

The association shall have all the powers granted, authorized, or allowed to associations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or other laws of the State of Mississippi, or amendments thereto, granting corporate powers to cooperative associations.

ARTICLE VII.

Section 1. The authorized capital stock of the association shall be \$30,000.00, of which the sum of \$1,000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$29,000.00 shall be preferred stock, divided into 1160 shares of a par value of \$25.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm, or corporation shall own or hold at any one time more than one share of such common stock. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations, or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm, or corporation shall own or hold at any one time more than 40% of the preferred stock outstanding.

Section 3. All transfers of stock shall be made on the books of the association on surrender of the certificate covering the same by the holder thereof, or by attorney duly authorized, but only with the consent and approval of the board of directors, and when the stockholder is free from indebtedness to the association. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each share of stock shall entitle the holder thereof to one vote, provided, however, that holders of preferred stock shall have only such voting rights as are granted under Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 10% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends or distributions, or any part thereof, may be paid in certificates of preferred stock and/or ad interim certificates representing fractional parts thereof, subject to conversion into full shares.

Section 6. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be retired at its par or book value, whichever is less; and the association may pay therefor in cash or by certificates of indebtedness payable within one year from date thereof. The preferred stock, or any part thereof, may be redeemed or retired from time to time, provided said stock is retired in the same order as issued. All such preferred stock shall be paid for in cash at the par value thereof, plus any dividend declared thereon and unpaid. No stock shall bear dividends or be eligible for voting after it is called for retirement.

Section 7. In the event of the dissolution or liquidation of the association, no holder of stock shall receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock.

ARTICLE VIII.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor the par value of \$10.00, in cash, at the first meeting to be held after the issuance of the association's charter by the Secretary of State.

ARTICLES OF ASSOCIATION AND INCORPORATION
OF
SANDY BAYOU GIN ASSOCIATION (A. A. L.)
DREW, MISSISSIPPI

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99, of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the Association shall be SANDY BAYOU GIN ASSOCIATION (A. A. L.)

ARTICLE II

The domicile of the Association shall be at Drew, Sunflower County, Mississippi, where its principal business shall be transacted.

ARTICLE III

The period of existence of the Association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The Association shall be organized and operated under the provisions of Article 1, of Chapter 99, of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the Association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cottonseed and cottonseed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1, of Chapter 99, of the Mississippi Code of 1930, or amendments thereto. The Association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The Association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1, of Chapter 99, of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other Laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the Association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the Association shall be \$40,000.00, of which the sum of \$2,000.00 shall be common stock, divided into 200 shares of a par value of \$10.00 each, and \$38,000.00 shall be preferred stock, divided into 3,800 shares of a par value of \$10.00 each.

Section 2. The common stock of the Association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the Association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1, of Chapter 99, of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act.

Section 3. All transfers of stock shall be made on the books of the Association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the Association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194, of the Mississippi Constitution of 1890.

Section 5. The common stock of the Association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding six per centum per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The Association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the Association.

Section 7. The common stock of any member who shall die or whose membership is terminated by the board of directors shall be called for retirement immediately following the termination of such membership and retired within thirty days from date thereof. All such common stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors, and payment therefor may be made by a certificate of indebtedness payable within one year from the date thereof. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement shall bear dividends or carry any voting rights after the date fixed in the call for its retirement. Upon failure of the holder to deliver the certificate or certificates evidencing stock called for retirement the Association may cancel same on its books by providing for the payment thereof on demand.

Section 8. In the event of dissolution or liquidation of the Association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividends declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, and the retirement of all stock and credits on stock, at par value, and the unexhausted interests of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribes for one share of common stock of the Association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be Duncan Co-operative AAL.

ARTICLE II

The domicile of the association shall be at Inverness, Sunflower County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purposes of the association shall be, primarily; to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; and to engage in the business of processing, storing, buying, selling, shipping, and otherwise handling small grains, soya beans; and other agricultural seed, seed products, or other agricultural products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such nonmembers is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$60,000.00 of which the sum of \$2500.00 shall be common stock, divided into 250 shares of a par value of \$10.00 each, and \$57,500.00 shall be preferred stock, divided into 5750 shares of a par value of \$10.00 each

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers, qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

SECTION 4 Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

RECORD OF CHARTERS 41-42 STATE OF MISSISSIPPI

Section 8. The preferred stock or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribe for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$25,000.00, of which the sum of \$2500.00 shall be common stock, divided into 250 shares of \$10.00 each, and \$22,500.00 shall be preferred stock, divided into 2250 shares of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by, producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 8% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless promptly transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness

payable without interest within one year from date thereof, and the preferred stock shall be converted into such certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 8 per cent per annum payable annually; and to be transferred only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividends declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividends declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividends declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interests of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribe for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State,

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association: and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificates evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6% (per cent) per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the Board of Directors all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the Board of Directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.
