AMENDMENT OF BY-LAWS

TO ALL MEMBERS OF THE NEWTON COUNTY RURAL HEALTH SERVICES ASSOCIATION, INC.;

Experience has demonstrated that it is desirable to change the fiscal year of the Association so that it will be the calendar year. In order to do this, it will be necessary to amend Section 1 of Article II of the By-Laws, which now provides that the fiscal year shall begin on July 1st.

A number of persons, who are residents of Newton County, Mississippi, but who are not engaged in agricultural pursuits, have signified their desire to become members of the Association and participate in its services. In order to allow them to share these privileges and benefits, it will be necessary to amend Sections 1, 2 and 4 of Article V of the By-Laws.

For the purpose of saving the time, trouble and expense which would be incurred by the members of the Association in attending a membership meeting to consider these suggested amendments of the By-Laws, we have prepared, and there is enclosed herewith a form of ballot containing the present reading of the said provisions of the By-Laws, and the proposed amendments thereof.

If you are in favor of the proposed amendments, please sign your name on the line provided for your signature on the ballot. If you wish to vote against the proposed amendments, please change the word "for" to "against" in the sentence immediately preceding your signature.

Please sign and return the enclosed ballot within twelve (12) days from the date upon which you receive this letter, so that steps may be taken to make the necessary amendments effective before the beginning of the new fiscal year.

ARTICLES OF ASSOCIATION AND INCORPORATION
OF
Crowder Gin Association (A. A. L.)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be Crowder Gin Association (A. A. L.).

ARTICLE II

The domicile of the association shall be at Crowder, Panola County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cottonseed and cottonseed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers provided the business transacted with such nonmembers is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$75,000.00, of which the sum of \$2000.00 shall be common stock, divided into 200 shares of a par value of \$10.00 each, and \$73,000.00 shall be preferred stock, divided into 7300 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on accounts of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the bylaws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the bylaws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval

RECORD OF CHARTERS, 43-44, STATE OF MISSISSIPPI

of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the bylaws.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

CHARTER OF INCORPORATION

BE IT KNOWN, That Rev. M. L. Young, T. R. Robertson, Mrs. Laura E. Young, Rev. F. M. Dickey, Miss Lena P. Johnson, are hereby constituted a body politic and corporate by the name & style of

MUTUAL ASSOCIATION OF THE COLORED PEOPLE SOUTH

The general purpose for which this charter is sought is the advancement of the colored people in every way, especially to promote good will among the races, to retain the colored man in the south, where he can best help his white brother win the war, to discourage racial strife, and to promote patriotism & good will and Christian relations among both white & black during the period of the war as well as the period of reconstruction & post war, and to advance & promote education among the colored people, and the main office of this corporation shall be in Union City, Tennessee.

The general powers of said corporation shall be, to sue and be sued by the corporate name; to have and use a common seal, which it may alter at pleasure; if no common seal, then the signature of the name of the corporation by any duly authorized officer shall be legal and binding; to purchase and hold or receive by gift, bequest or devise, in addition to the personal property owned by said corporation, real estate necessary for the transaction of the corporate business, and also to purchase or accept any real estate in payment or in part payment of any debt due to the corporation, and sell the same; to establish by-laws, and make all rules and regulations not inconsistent with the laws and Constitution deemed expedient for the management of corporate affairs, and to appoint such subordinate officers and agents in addition to a President and Secretary or Treasurer, as the business of the corporation may require, designate the name of the office and fix the compensation of the officer.

The said five or more incorporators shall, within a convenient time after the registration of this charter in the office of the Secretary of State, elect from their number a President, Secretary and Treasurer or the last two officers may be combined into one; said officers and the other incorporators to constitute the first Board of Directors. In all elections each member to be entitled to one vote, either in person or by proxy, and the result to be determined by a majority of the votes cast. Due notice of any election must be given by advertisement in a newspaper, personal notice to the members, or a day stated on the minutes of the Board six months preceding the election. The Board of Directors shall keep a record of all their proceedings, which shall be at all times subject to the inspection of any member. The Corporation may establish branches in any other county in the State.

The Board of Directors may have the power to increase the number of Directors from seven to ten, if they deem the interest of the corporation requires such increase. And the first or any subsequent Board of Directors may have the power to elect other members, who, on acceptance of membership, shall become corporators equally with the original corporators. The Board of Directors shall have the right to determine what amount of money paid into the treasury shall be prerequisite for membership, or, if necessary, what amount shall be thus annually paid, and failure thus to pay shall, in the discretion of the Directors, justify the expulsion of said defaulting member. The term of all officers may be fixed by the by-laws, the said term not, however, to exceed three years. All officers held over until their successors are duly elected and qualified.

The general welfare of society, not individual profit, is the object for which this charter is granted, and hence the members are not stockholders in the legal sense of the term, and no dividends or profits shall be divided among the members. The members may at any time voluntarily dissolve the corporation by a conveyance of its assets and property to any other corporation holding a charter from the State for the purposes not of individual profit, first providing for corporate debts.

A violation of any of the provisions of this charter shall subject the corporation to dissolution at the instance of the State.

This charter is subject to modification or amendment; and in case said modification or amendment is not accepted, corporate business is to cease, and the assets and property, after payment of debts, are to be conveyed, as aforesaid, to some other corporation holding a charter for purposes not connected with individual profit. Acquiescence in any modification thus declared shall be determined in a meeting specially called for that purpose, and only those voting in favor of the modification shall thereafter compose the corporation.

The means, assets, income or other property of the corporation shall not be employed directly or indirectly for any other purpose whatever than to accomplish the legitimate objects of its creation, and by no implication shall it possess the power to issue notes or currency, deal in currency, notes or coin, buy or sell products, or engage in any kind of trading operation, nor hold any more real estate than is necessary for legitimate purposes.

ARTICLES OF ASSOCIATION AND INCORPORATION
OF
Covington County Cooperative Gin (A. A. L.)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be Covington County Cooperative Gin (A. A. L.)

ARTICLE II

The domicile of the association shall be at Collins, Covington County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV.

The association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cottonseed and cottonseed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with non members provided the business transacted with such non members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$52,000.00, of which the sum of \$2000.00 shall be common stock, divided into 2000 shares of a par value of \$1.00 each, and \$50,000.00 shall be preferred stock, divided into 5000 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article 1 of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 25% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on accounts of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6 per cent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the bylaws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the bylaws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 3 % per annum, payable annually, and to be transferable only upon approval of said board of directors.

RECORD OF CHARTERS, 43-44, STATE OF MISSISSIPPI

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the bylaws.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$1.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

ARTICLE I

The name of the association shall be Farmers Gin Association (A. A. L.).

ARTICLE II

The domicile of the association shall be at Gunnison, Bolivar County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Title 19, Chapter 5 of the Mississippi Code of 1942, and amendments thereto.

ARTICLE V

The purpose of the association shall be, primarily, to engage in the business of ginning and wrapping cotton, and buying, selling, storing, shipping and otherwise handling cotton seed and cotton seed products for its members; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Title 19, Chapter 5 of the Mississippi Code of 1942, and amendments thereto. The association may also engage in any part or all of its activities with non-members, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Title 19, Chapter 5 of the Mississippi Code of 1942, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$35,000.00, of which the sum of \$1000.00 shall be common stock, divided into 100 shares of a par value of \$10.00 each, and \$34,000.00 shall be preferred stock, divided into 3400 shares of a par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by those producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Title 19, Chapter 5 of the Mississippi Code of 1942, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 10% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding six percent per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be Five County Farmers Association, (A. A. L.).

ARTICLE II

The domicile of the Association shall be at Clarksdale, Coahoma County, Mississippi, where its principal office will be located.

ARTICLE III

The period of existence of the Association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The Association shall be organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the Association shall be, primarily, to engage in the business of buying, selling and distributing gasoline, distillate, coal oil, tractor fuel, lubricating oil, grease and all kinds of petroleum products to, for and on account of its members; to maintain and operate stores, ware-houses, offices and facilities of all kinds necessary to the conduct of its business; however, in addition to the above it may engage in any and all other kinds of business with, for and on account of its members including but not limited to the purchase, sale, marketing, processing and distribution for and on account of its members all kinds of farm products, supplies and equipment; its powers being extended to include any and every kind of business granted, authorized or permitted to associations organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930 and amendments thereto. The Association may also engage in any part or all of its activities with non-members provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all the powers, privileges and rights granted, authorized or allowed to association organized and operated under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the Association shall be \$101,000.00 of which the sum of \$1,000.00 shall be common stock divided into 1,000 shares of \$1.00 each and \$100,000.00 shall be preferred stock divided into 10,000 shares of a par value of \$10.00 each.

Section 2. The common stock of the Association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the Association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 20% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the Association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 8% per annum, the rate of dividend to be fixed by majority vote of the stockholders, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The Association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired at the end of the current fiscal year or as soon thereafter as may be decided upon by the directors. All such stock so retired shall be paid for at its par or

RECORD OF CHARTERS, 43-44, STATE OF MISSISSIPPI

book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws; provided, that the association shall have the right to retire such certificates earlier at the discretion of the board of directors; such certificates to bear interest at a rate determined by the board of directors, not to exceed 8% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

ARTICLE VIII

The Association may begin business when \$1,000.00 of stock shall have been paid in either in cash or property.

ARTICLE IX

There shall be no personal liability on any officer, stockholder or director for any of the obligations of the Association.
