ARTICLE I

The name of the association shall be Farmers Service (A. A. L.)

ARTICLE II

The domicile of the Association shall be Summer, Tallahatchie County, Mississippi, where its principal office will be located.

ARTICLE III

The period of existence of the Association shall be fifty (50) years from and after the date of its incorporation.

ARTICLE IV

The Association shall be organized and operated under the provisions of Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, being Sections 4475 through 4493, inclusive, and amendments thereto.

ARTICLE V

The purpose of the Association shall be, primarily, to engage in the business of buying, selling and distributing gasoline, distillate, coal oil, tractor fuel, lubricating oil, grease, and all kinds of petroleum products to, for, and on account of its members; to maintain and operate stores, warehouses, offices and facilities of all kinds necessary to the conduct of its business; however, in addition to the above it may engage in any and all other kinds of business with, for, and on account of its members, including, but not limited to, the purchase, sale, marketing, processing, and distribution for and on account of its members all kinds of farm products, supplies, and equipment; its powers being extended to include any and every kind of business granted, authorized, or permitted to associations organized and operated under the provisions of said Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, and amendments thereto. The Association may also engage in any part or all of its activities with producers of agricultural products who are not members, provided that the agricultural products of nonmembers shall not be of greater value than such as are handled by it for its members, and provided that the supplies and equipment purchased for nonmembers shall not be of greater value than such as are purchased by it for its members.

ARTICLE VI

The Association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of said Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the laws under which the Association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the Association shall be One Hundred Thousand and no/100 Dollars (\$100,000.00), of which the sum of Two Thousand and no/100 Dollars (\$2,000.00) shall be common stock divided into Two Hundred (200) shares of Ten and no/100 Dollars (\$10.00) each, and Ninety-eight Thousand and no/100 Dollars (\$98,000.00) shall be preferred stock divided into Nine Hundred Eighty (980) shares of a par value of One Hundred and no/100 Dollars (\$100.00) each.

Section 2. The common stock of the Association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the Association; and no person, firm, or corporation shall own or hold more than one (1) share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations, or corporations, organized under said Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 20 per cent of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the Association only on surrender of the certificate evidencing the same, properly endorsed by the holder thereof or by attorney duly authorized in writing, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the Association unless the recipient thereof is eligible, as herein defined, to hold such stock and such transfer is approved by the board of directors.

Section 4. Each full paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders, provided, however, that holders of preferred stock shall have only such voting rights on account of such

MISSISSIPPI PTG. CO., VICKSBURG 27930

stock as are required by Section 194 of the Mississippi Constitution of 1890 and by Sections 4485 and 5326 of the Mississippi Code of 1942. The provisions of all of said sections, as amended, in effect at the time of the assertion of voting rights by the holders of such preferred stock shall govern the existence of such voting rights.

Section 5. The common stock of the Association shall not bear dividends. The preferred stock of the association shall bear such non-cumulative dividends as the board of directors may declare, if earned, not exceeding eight per cent (8%) per annum, and such dividends shall have preference over any and all other dividends or distributions made in any year. In the discretion of the board of directors all dividends on preferred stock or any part thereof may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The Association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the Association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired at the end of the current fiscal year or as soon thereafter as may be decided upon by the directors. All such stock so retired shall be paid for at its par value, or at the option of the Association, at appraised value, such value to be conclusively fixed by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the Association shall have the right to retire such certificates earlier at the discretion of the board of directors, such certificates to bear interest at a rate determined by the board of directors, not to exceed six per cent (6%) per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the provisions or conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the Association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the Association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws, subject to the provisions of Section 4485 of the Mississippi Code of 1942, as the same may provide as of the date of such dissolution.

ARTICLE VIII

The Association, by action of its board of directors, may establish equity accounts to evidence ownership in the Association in addition to the ownership evidence of issued and outstanding capital stock. Such equity accounts shall be carried on the books of the Association as book credits, shall carry no voting rights, and shall be transferable only upon approval of the board of directors. Such book credits may be evidenced by certificates of equity in such form as may be prescribed by the board of directors consistent with the conditions therein contained and may bear such rate of interest, not to exceed eight per cent (8%) per annum as the board of directors may prescribe from time to time, or year to year, without any obligation on the part of the board to declare or the Association to pay interest thereon. In the discretion of the board of directors such interest as may be authorized or any part thereof may be paid by crediting the same to the respective equity accounts of the patrons.

ARTICLE IX

There shall be no personal liability of any officer, stock-holder, or director for any of the obligations of the Association.

ARTICLES OF ASSOCIATION AND INCORPORATION
OF
QUITMAN COUNTY FARMERS ASSOCIATION (A.A.L.)
MARKS, MISSISSIPPI

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article I, Chapter 5, Title 19, being Sections 4475 through 4493, of the Mississippi Code of 1942, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be QUITMAN COUNTY FARMERS ASSOCIATION (A. A. L.)

ARTICLE II

The domicile of the Association shall be at Marks, Quitman County, Mississippi, where its principal office will be located.

ARTICLE III

The period of existence of the Association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The Association shall be organized and operated under the provisions of Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, and amendments thereto.

ARTICLE V

The purpose of the Association shall be, primarily, to engage in the business of buying, selling and distributing gasoline, distillate, coal oil tractor fuel, lubricating oil, grease and all kinds of petroleum products to, for and on account of its members; to maintain and operate stores, warehouses, offices and facilities of all kinds necessary to the conduct of its business; however, in addition to the above it may engage in any and all other kinds of business with, for and on account of its members including but not limited to the purchase, sale, marketing, processing and distribution for and on account of its members all kinds of farm products, supplies and equipment; its powers being extended to include any and every kind of business granted, authorized or permitted to associations organized and operated under the provisions of Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, and amendments thereto. The Association may also engage in any part or all of its activities with nonmembers provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The Association shall have all the powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the Association shall be \$50,000.00, of which the sum of \$1,000.00 shall be common stock divided into 1000 shares of \$1.00 each and \$49,000.00 shall be preferred stock divided into 4900 shares of a par value of \$10.00 each.

Section 2. The common stock of the Association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the Association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations, organized under Article I, Chapter 5, Title 19, of the Mississippi Code of 1942, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 20 per cent of the preferred stock outstanding at any one time.

Section 3. All transfers of Stock shall be made on the books of the Association only on surrender of the certificate evidencing the same properly endorsed by the holder thereof or by attorney duly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control of management of the Association unless the recipient thereof is eligible, as herein defined, to hold such stock and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stockholders, provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the Association shall not bear dividends. The preferred stock of the association shall bear non-cumulative dividends as the board of directors may declare, if earned, of 6 percent per annum, and such dividends shall have

MISSISSIPPI FTG. CO., VICKSBURG 27930

preference over any and all other dividends or distributions made in any year. In the discretion of the board of directors all dividends on preferred stock or any part thereof may be paid in additional certificates of preferred stock and/or credits on preferred stock.

Section 6. The Association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the Association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the bylaws, unless transferred to some producer or organization eligible to hold same, shall be called and retired at the end of the current year or as soon there-after as may be decided upon by the directors. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retireable at the time such stock would normally have been retired as hereinafter provided in these articles and in the bylaws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, such certificates to bear interest at a rate determined by the board of directors, not to exceed 6 per cent per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock if called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the Association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the Association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, shall be distributed on a patronage basis as provided in the bylaws.

ARTICLE VIII

The Association, by action of its board of directors, may establish equity accounts to evidence ownership in the Association in addition to the ownership evidenced by issued and outstanding capital stock. Such equity accounts shall be carried on the books of the Association as book credits, shall carry no voting rights, and shall be transferable only upon approval of the board of directors. Such book credits may be evidenced by certificates of equity in such form as may be prescribed by the board of directors consistent with the conditions therein contained and may bear such rate of interest not to exceed 8 per cent per annum as the board of directors may prescribe from time to time or year to year without any obligations on the part of the board to declare or the Association to pay interest thereon. In the discretion of the board of directors such interest as may be authorized or any part thereof may be paid by crediting the same to the respective equity accounts of the patrons.

ARTICLE IX

There shall be no personal liability on any officer, stockholder or director for any of the obligations of the Association.

WITNESS the signatures of the hereinafter named incorporators this the 28th day of March, 1946.

2. "Sec. 1. The purposes for which the association is created are primarily to engage in the business of ginning and wrapping cotton, buying, selling, storing, shipping, and otherwise handling cotton, cotton seed, cotton seed products, and other agricultural products, co-operatively for its members, and the doing of any and all other things necessary or incident thereto."

"Sec. 2. In addition to the foregoing and without limitation, the association shall have all the powers granted, authorized or allowed to associations organized under Article II of Chapter 99 of the Mississippi Code of 1930, or other laws of the state of Mississippi or amendments thereto granting corporate powers to cooperative associations."

Article 4 is hereby amended so as to read as follows:

4. "Sec. 1. The authorized capital stock of the association is Thirty-five Thousand Dollars (\$35,000.00) divided into seven hundred fifty (750) shares of the par value of Fifty Dollars (\$50.00) each, all common stock, and said shares may be paid for in money or

property."

"Sec. 2. The capital stock shall bear non-cumulative dividends not exceeding eight per cent per annum if earned and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the Board of Directors, all dividends or distributions or any part thereof, may be paid in additional certificates of capital stock or capital contributions to be used as credits upon the payment for stock."

"Sec. 3. All transfers of stock shall be made on the books of the association upon surrender of the certificate or certificates evidencing the same, by the holder thereof or by attorney properly authorized, but only with the consent and approval of the Board of Directors, and when the stockholder is free from indebtedness to the association. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association, unless the recipient thereof is eligible as herein defined to hold such stock and such transfer is approved by the Board of Directors."

"Sec. 4. The shares of any member who shall die or whose membership is terminated by the Board of Directors shall be retired by the association at its par or book value whichever is less, and the association may pay therefor in cash or by certificates of indebtedness payable within one year from the date thereof in the discretion of the Board of Directors."

"Sec. 6. All share holders shall be members of the association, but there may also be members who are not share holders. Members who are not share holders shall have no vote in the management of the association; but they shall be entitled to all other benefits of the association equally with members who are share holders, as if it were organized without capital stock, except that they shall have no right to stock dividends."

"Sec. 7. If any share holder shall attempt to transfer his shares except as permitted, such shares may at the option of the association be taken up as in case of the death of a share holder."

Article 6 is hereby amended so as to read as follows:

Article 7 is hereby amended so as to read as follows:

7. "Sec. 1. At the close of each fiscal year, the net earnings of the association shall be ascertained, and after having created proper and adequate reserves for depreciation, losses and contingencies, and said net earnings shall have been reduced to money, the same shall be paid out and distributed as follows:

"Sec. 2. A dividend of eight per centum shall be paid upon the capital stock outstanding to the registered holders thereof, and the balance of any such net earnings, if any, shall then be distributed and paid to the members, (a) in proportion to the total weights of all cotton and cotton seed from the bales of cotton ginned by them respectively, at the gins of the association during the fiscal year next preceeding, and (b) the net profits resulting from the purchase and sale of all other products shall be distributed in the proportion the net profits bear to the sales of such other products for each member respectively; but not in proportion to the amount of capital stock owned by such members respectively."

"Sec. 3. Membership in the association shall be a privilege to be enjoyed by producers of agricultural products furnished to the corporation for processing or marketing. Membership in the corporation shall consist first, of those persons who own one or more shares of the capital stock of the corporation and second, of those persons who are not stock holders but who upon application to the corporation for membership agree to become patrons of the gin and to have their agricultural products processed or sold through the corporation."

Article 8 is hereby amended so as to read as follows:

8. "Sec. 1. Upon the dissolution of the association any assets remaining after the payments of the debts and the retiring of the outstanding capital stock at par value in addition to any accrued dividends upon said stock, shall be divided among the members whether share holders or not, pro rata according to the patronage furnished by them respectively as provided for in Article 7, Section 2 for the respective seasons during which its properties are acquired or accumulated, but no member shall have any right or interest in any property acquired or reserves created prior to his admission as a stockholder or member."

ARTICLES OF ASSOCIATION AND INCORPORATION
OF
BAIRD GIN & SEED ASSOCIATION (A. A. L.)

WE, THE UNDERSIGNED, all of whom are engaged in the production of agricultural products, do hereby voluntarily associate ourselves together for the purpose of organizing, incorporating and operating a cooperative association with capital stock under the provisions of Article 1 of Chapter 99 of the Mississippi Code of 1930, known as the Agricultural Association Law, and amendments thereto, with all the rights, powers, privileges and immunities given or permitted by said statute, or by other laws of the State of Mississippi relating to such corporations; and for that purpose hereby adopt these Articles of Association and Incorporation:

ARTICLE I

The name of the association shall be Baird Gin & Seed Association (A. A. L.).

ARTICLE II

The domicile of the association shall be at Baird, Sunflower County, Mississippi, where its principal business will be transacted.

ARTICLE III

The period of existence of the association shall be fifty years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article I of Chapter 99 of the Mississippi Code of 1930, and amendments thereto.

ARTICLE V

The purpose of the association shall be, to own, lease, rent, operate and maintain cotton gins; to engage in the business of ginning and wrapping cotton; to buy, sell, store, ship, process and otherwise handle cotton, cotton-seed, cottonseed products, fertilizer, poison, fuels, and other agricultural products and agricultural seeds; to breed, produce, warehouse and process certified, pedigreed or other agricultural seeds; to do and perform any and all acts auxiliary to, or advisable in carrying into completion the corporate purposes for which this cooperative is formed; however, it may engage in any other business granted, authorized, or allowed to associations organized and operated under the provisions of Article I of Chapter 99 of the Mississippi Code of 1930, or amendments thereto. The association may also engage in any part or all of its activities with nonmembers, provided the business transacted with such non-members is not greater in value than that transacted with its members.

ARTICLE VI

The association shall have all powers, privileges and rights granted, authorized or allowed to associations organized and operated under the provisions of Article I of Chapter 99 of the Mississippi Code of 1930, and amendments thereto, and all other powers authorized or allowed to corporations by other laws of the State of Mississippi, insofar as they are not in conflict with the express provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$50,000.00, of which the sum of \$2,000.00 shall be common stock, divided into 200 shares of a par value of \$10.00 each, and \$48,000.00 shall be preferred stock, divided into 4800 shares of par value of \$10.00 each. However, the association may begin operations as soon as \$10,000.00 in capital stock has been paid in.

Section 2. The common stock of the association shall only be issued or transferred to, or held by producers of agricultural products who make use of the services and facilities of the association; and no person, firm or corporation shall own or hold more than one share of such common stock at any one time. The preferred stock shall be held only by producers qualified to hold common stock, and by agricultural associations, organizations, federations or corporations organized under Article I of Chapter 99 of the Mississippi Code of 1930, or whose purposes and operations are in harmony with the purposes of that act. No person, firm or corporation shall own or hold more than 49% of the preferred stock outstanding at any one time.

Section 3. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same by the holder thereof, or by attorney properly authorized, and only upon the approval of the board of directors. No purported transfer of stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock, and such transfer is approved by the board of directors.

Section 4. Each fully paid-up share of stock shall entitle the holder thereof to one vote in transacting business at meetings of the stock-holders; provided, however, that holders of preferred stock shall have only such voting rights on account of such stock as are required by Section 194 of the Mississippi Constitution of 1890.

Section 5. The common stock of the association shall not bear dividends. The preferred stock shall bear non-cumulative dividends not exceeding 6% per annum, if earned and when declared by the board of directors; and such dividends shall have preference over any and all other dividends or distributions declared in any year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in additional certificates of preferred stock and/or credits on preferred stock.

RECORD OF CHARTERS, 46-47, STATE OF MISSISSIPPI

Section 6. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association.

Section 7. The stock of any member who shall die or whose membership is terminated as provided in the by-laws, unless transferred to some producer or organization eligible to hold same, shall be called and retired before the end of the current fiscal year. All such stock so retired shall be paid for at its par or book value, whichever is less, as determined by the board of directors. The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stocks and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00, in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

MINUTES OF A SPECIAL MEETING OF THE STOCKHOLDERS OF THE CITIZENS STATE
BANK OF TUPELO, MISSISSIPPI

Be it remembered that a special meeting of the stockholders of the Citizens State Bank of Tupelo, Mississippi, was held at its Banking house at 2:00 o'clock P. M. on the 24th day of May, 1946, pursuant to call of the Board of Directors and ten days notice of the meeting stating the business to be transacted thereat having been given by mail as shown by the affidavit of H. L. McCain, Vice President and Cashier presented and approved; meeting was called to order and R. F. Reed, a stockholder, acted as Chairman of the meeting and H. L. McCain, a stockholder, acted as Secretary of the meeting.

Roy N. Boggan and L. L. Bethay were appointed to check the shares of stock represented and it appeared that the holders of 225 shares of common stock were present and that the holders of 202 shares of common stock were represented by proxy. A total of 427 shares of common stock were represented at the meeting out of the total outstanding common stock of 500 shares. The holders of preferred stock were not represented and were not notified of the meeting pursuant to the provision of Article 4 Section 10 which provides that the capital stock may be increased without the vote of the holders of preferred stock where all outstanding shares of preferred stock are to be retired.

Thereupon the Secretary read the notice of the meeting and the form of the proxies were examined and said notices and proxies were found to be in due and proper form and were approved and ordered filed. The Chairman then explained the special matters included in the notice and the following resolution was introduced by Roy N. Boggan.

RESOLUTION CONCERNING RETIREMENT OF PREFERRED STOCK:

Whereas Section 9 of Article 4 of the Articles of Incorporation of the Citizens State Bank as amended provide for the retirement of preferred stock at any time provided such retirement meets the approval of the State Banking Department and provided such retirement does not reduce the capital of the Bank below the minimum amount required by law.

And whereas, it is deemed advisable to retire the preferred stock pursuant to the provisions of said Section 9 of Article 4.

Now therefore be it resolved by the stockholders of the Citizens State Bank that the officials of the Bank are authorized and directed to request the approval of the State Banking Department for the retirement of the preferred stock and upon receipt of such approval said officials are authorized and directed to notify the Reconstruction Finance Corporation that said preferred stock will be retired in the manner set out in the said Section 9 of Article 4.

Resolved by the stockholders of the Citizens State Bank, This the 24th day of May, 1946.

After the resolution was read, Mr. L. L. Bethay moved its adoption which motion was duly seconded and unanimously carried.

The following resolution was then introduced by L. L. Bethay:

RESOLUTION AUTHORIZING AMENDMENT TO THE CHARTER OF THE CITIZENS STATE BANK OF TUPELO, MISSISSIPPI:

Whereas, the capital stock of the Citizens State Bank of Tupelo, Mississippi, was fixed by amendment to the original Articles of Incorporation at \$80,000.00 divided into classes and shares as follows:

\$30,000.00 par value of preferred stock divided into 300 shares of the par value of \$100.00 each and \$50,000.00 par value of common stock divided into 500 shares of the par value of \$100.00 each.

And whereas pursuant to Section 9 of Article 4 of the said Articles of Incorporation as amended, steps have been taken to retire all outstanding preferred stock.

And whereas it is deemed advisable to increase the capital stock to \$100,000.00 to be divided into 1000 shares of common stock of the par value of \$100.00 per share.

Now therefore be it resolved that the Charter of Incorporation of the Citizens State Bank as heretofore amended be further amended as follows:

(A) By striking out Article Fourth and inserting in place, thereof the following:

ARTICLE FOURTH: (1) Amount, classes, and shares of capital stock. The amount of capital stock of the corporation shall be \$100,000.00 divided into 1000 shares of common stock of the par value of \$100.00 each.

(B) By striking out the 8th and 9th Articles.

Be it further resolved that the officers of the Bank are directed to have said amendment submitted to the State Banking Department as required by law and to have same approved and seconded in accordance with the provisions of law.

Resolved by the stockholders of the Citizens State Bank, This the 24th day of May, 1946.

After the resolution was read, Mr. O. B. Rogers moved its adoption which motion was duly seconded and unanimously carried.

The following resolution was then introduced by A. K. Reed;

RESOLUTION REGARDING THE SALE OF STOCK:

RECORD OF CHARTERS, 46-47, STATE OF MISSISSIPPI

Whereas the stockholders of the Citizens State Bank have adopted a resolution authorizing the increase of the authorized common stock from \$50,000.00 to \$100,000.00 and from 500 shares to 1000 shares with par value of \$100.00 per share.

Now therefore be it resolved that the additional \$50,000.00 of common stock represented by 500 shares of the par value of \$100.00 per share be offered for sale as follows:

(A) That each shareholder of record may subscribe within 21 days from and after the date of this meeting to such issue of common stock in proportion to the number of shares of common stock of the corporation standing on the books of the corporation in the shareholders name.

(B) All stock not subscribed for within the 21 day period set out above will be offered to the remaining stockholders in proportion to number of shares of common stock owned by each shareholder.

(C) All stock not subscribed for under A. and B above within 30 days from the date of this meeting shall be offered for sale at the discretion of the Board of Directors.

Be it further resolved that all of said stock shall be offered under A. B. and C above at the par value of \$100.00 per share.

Resolved by the stockholders of the Citizens State Bank, This the 24th day of May, 1946.

After the resolution was read, Mr. L. L. Bethay moved its adoption which motion was duly seconded and unanimously carried. There being no other business the meeting was adjourned on motion duly made, seconded and carried.

3. The domicile is at Ackerman, Mississippi.
4. The amount of the authorized capital stock is Fifty Thousand Dollars (\$50,000).

The capital stock is to consist of Five Hundred (500) shares which are to be classified so that Two Hundred (200) shares, with a par value of One Hundred Dollars (\$100.00) each, shall be Common, and Three Hundred (300) shares, with a par value of One Hundred Dollars (\$100.00) each, shall be preferred.

The designations, preferences, privileges and voting powers or restrictions or qualifications of the shares of each class are as follows:

The holders of the shares of Preferred Stock shall be entitled to receive, and the corporation shall be bound to pay thereon, preferential non-cumulative dividends, as and when declared by the Board of Directors, out of funds legally available therefor, at the rate of Six per centum (6%) per annum, payable annually on such dates as the Board of Directors shall determine, before any dividends shall be declared or paid upon or set apart for the holders of the shares of Common Stock.

After full dividends at the rate of Six per centum (6%) per annum for the then current year, shall have been declared or paid upon or set apart for the holders of the shares of Preferred Stock, additional dividends may be declared or paid or set apart during such year. Such additional dividends if declared shall be set apart for or paid exclusively to the holders of the shares of Common Stock, share and share alike.

The corporation, through its Board of Directors and conformable with the General Corporation Law, may from time to time redeem the whole or any part of the Preferred Stock at the price of One Hundred Ten Dollars (\$110.00) per share. The notice of such redemption shall be mailed not less than thirty (30) days prior to the date upon which the stock is to be redeemed to each holder of stock so to be redeemed, at his address as it appears on the books of the corporation. In the event that less than all of the outstanding Preferred Stock of the corporation is to be redeemed, the amount to be redeemed and the method of effecting such redemption, whether by lot or pro rata or otherwise, may be determined by the Board of Directors. On and after the date fixed for such redemption, the holders of shares so called for redemption shall cease to be entitled to any further dividends and the respective holders thereof shall have no right or interest thereon or therein, by reason of the ownership of such shares except to receive the said redemption price without interest, upon presentation and surrender of their certificates therefor.

In the event of any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, the holders of the shares of Preferred Stock shall be entitled to receive out of the assets of the corporation (whether from capital or surplus or both) the par amount of their Preferred Shares before any distribution shall be made to the holders of the shares of Common Stock, and thereafter the holders of the shares of Common Stock shall be entitled to the exclusion of the holders of the shares of Preferred Stock, to share ratably in all assets of the corporation remaining after such payment to the holders of the shares of Preferred Stock. If, upon such liquidation, dissolution or winding up of the corporation, the assets of the corporation shall be insufficient to permit the payment in full to the holders of the shares of Preferred Stock of the amount distributable as aforesaid, then the entire assets of the corporation shall be distributed ratably among the holders of the shares of Preferred Stock. The foregoing provisions of this paragraph shall not, however, be deemed to require the distribution of assets among the holders of the shares of Preferred Stock and the holders of the shares of Common Stock in the event of a consolidation, merger, lease or sale, which does not in fact result in the liquidation or winding up of the enterprise.

The payment for such retirement of common stock may be made by a certificate of indebtedness payable without interest within one year from date thereof, and the preferred stock shall be converted into such a certificate, or certificates, retirable at the time such stock would normally have been retired as hereinafter provided in these articles and in the by-laws, provided that the association shall have the right to retire such certificates earlier at the discretion of the board of directors, said certificates to bear interest at a rate determined by the board of directors, not to exceed 6% per annum, payable annually, and to be transferable only upon approval of said board of directors.

Section 8. The preferred stock, or any part thereof, may be redeemed or retired upon call of the board of directors from time to time, provided said stock is called and retired in the same order as originally issued. All such preferred stock so retired shall be paid for at the par value thereof, plus any dividend declared thereon and unpaid. No stock called for retirement under any of the conditions set out above shall bear dividends or carry any voting rights after the date fixed in the call for its retirement, and upon failure of the holder to deliver the certificate or certificates evidencing such stock the association may cancel same on its books by providing for the payment thereof as set forth.

Section 9. In the event of the dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid. Upon such distribution, the holders of preferred stock shall be entitled to receive the par value of their preferred stock, plus any dividend declared thereon and unpaid, before any distribution is made on the common stock. Any assets remaining after the payment of all debts, the retirement of all stock and credits on stock, at par value, and the unexhausted interest of the patrons in the general reserves, shall be distributed on a patronage basis as provided in the by-laws.

Each of the parties hereto hereby subscribes for one share of common stock of the association and agrees to pay therefor at the par value of \$10.00 in cash, at the first meeting of the incorporators to be held after the Certificate of Incorporation has been issued by the Secretary of State.

G. L. Gilbert	Jackson, Mississippi
Ralph B. Avery	Jackson, Mississippi
John M. Putnam	Jackson, Mississippi

3. The domicile is at Jackson, Mississippi.

4. Amount of capital stock and particulars as to class or classes thereof:

The amount of the capital stock shall be the sum of \$100,000.00, of which \$10,000.00 shall be Common stock, being 2000 shares of the par value of \$5.00 per share, and \$90,000.00 shall be Preferred stock, being 900 shares of the par value of \$100.00 per share.

The powers, preferences, rights, qualifications, limitations or restrictions thereof are as follows:

The holders of the Preferred stock shall be entitled, in preference to the Common stock, to receive, when and as declared by the Board of Directors, from the annual net profits or from surplus of assets over liabilities, including capital, annual dividends at the rate of four (4%) per centum per share, payable at such periods as the Directors may determine. The dividends on the Preferred stock shall be non-cumulative, but shall be payable in preference and priority to any payment of any dividends on the Common stock for said fiscal year. Dividends may be paid upon Common stock only when dividends have been paid, or funds have been set apart for the payment of dividends as aforesaid, on the Preferred stock.

In the event of any liquidation or dissolution or winding up, either voluntary or involuntary, of the corporation, the holders of the Preferred stock shall be entitled to be paid in full, the par value of their shares and any unpaid dividends accrued thereon for the current fiscal year, before any amount shall be paid to the holders of Common stock; and after such payments to the holders of the Preferred stock, the remaining assets and funds shall be divided and paid to the holders of the Common stock, according to their respective shares.

The corporation may, from time to time, resell any of its own stock, purchased or otherwise acquired by it, as herein provided, at such price as may be fixed by its Board of Directors. The corporation, in order to acquire funds with which to redeem any Preferred stock, may issue and sell stock of any class then authorized but unissued, bonds, notes, evidence of indebtedness, or other security.

Upon the vote of a majority of the directors of the corporation, and of a majority of the total numbers of shares of stock then issued and outstanding, and entitled to vote on such question, the corporation may from time to time, create or authorize one or more other classes of stock with such preferences, designations, rights, privileges, powers, restriction, limitations, and qualifications, as may be determined by such vote, which may be the same as or different from the preferences, designations, rights, privileges powers, restrictions, limitations, and qualifications of the classes of stock of the corporation then authorized; capital stock without nominal or par value, whether Common or Preferred, may be issued by the corporation from time to time, for such consideration as may, from time to time, be fixed by the Board of Directors; provided however, that no new class of stock shall be hereinafter created which is entitled to dividends or shares in distribution of assets in priority to the Preferred stock hereinabove authorized, or changing the express terms and provisions of such preferred stock in any manner substantially prejudicial to the holders thereof, unless the stockholders voting for the creation of such new class of stock or for such amendment, shall include the holders of record of not less than 2/3 of the number of shares of said non-cumulative Preferred stock then outstanding, or unless the holders of 2/3 of the number of shares of said non-cumulative Preferred stock then outstanding; shall consent thereto in writing.

The association may also engage in any part or all of its activities with nonmembers, provided that such business shall not be greater in value than such as is handled by it for its members.

ARTICLE VI. The association shall have all the powers, privileges, rights, and immunities granted, authorized, or allowed to associations organized and operated under the provisions of said Article 1, Chapter 5, Title 19 of the Mississippi Code of 1942 and amendments thereto; and all other powers, authorized or allowed to corporations by other laws of the State of Mississippi, in so far as they are not in conflict with the expressed provisions of the law under which the association is organized.

No purported transfer of common stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock and such transfer is approved by the board of directors. The voting rights of any holder of common stock which ceases to be eligible to hold such stock shall be suspended immediately upon the finding by the board of directors that such holder is ineligible to hold such stock; and the voting rights of any holder of common stock which fails to patronize the association for a period of two consecutive years, or which violates any of the terms and conditions of the uniform membership agreement, bylaws or rules and regulations of the association, may be suspended by a majority vote of the board of directors. The preferred stock shall carry no voting rights and such stock, or any part thereof, may be called and/or redeemed or retired by order of the board of directors from time to time provided said stock is called and retired in the order of original issue by fiscal years, in whole or in part on a prorata basis. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets on such stock in excess of the par value thereof, plus any dividend declared thereon and unpaid.

Section 5. The association, by action of its board of directors, may establish accounts to evidence ownership in the association in addition to the ownership evidenced by issued and outstanding capital stock. The association may also retain for any corporate purposes, all or any part of the net savings which may be allocated to the patrons in accordance with provisions for allocating and distributing the net savings, which shall be provided in the bylaws. Be it resolved by the stockholders of Egger's Department Store, a corporation chartered, organized and existing under and by virtue of the Laws of the State of Mississippi and domiciled at Columbus, Mississippi:

Section 1. That Article 4 of the original Charter of Incorporation of Egger's Department Store, a corporation aforesaid, be amended so as to read as follows:

"4. Amount of capital stock and particulars as to class or classes thereof: \$100,000.00 of common stock and \$50,000.00 of four per cent cumulative preferred stock. The voting power of shares shall be vested wholly in the holders of common capital stock and the holders of the preferred capital stock shall have no voting power whatever, except as is otherwise provided by Section 194 of the Mississippi Constitution of 1890. The company reserves the right to increase the preferred stock at any time subject to the approval of the holders of a majority of all its common stock. The holders of the preferred stock shall be entitled to receive, when and as declared by the Board of Directors, dividends from the surplus or net profits of the corporation at the rate of four per cent per annum, payable semi-annually. The holders of the preferred stock shall be entitled to no dividends from the surplus or net profits of the company beyond the four per cent aforesaid. Dividends on the preferred stock shall be payable before any dividends shall be paid upon, or set apart for, the common stock of the corporation and shall be cumulative, so that if in any semi annual dividend period, dividends at the rate of four per cent per annum shall not have been paid upon or set apart for the preferred stock, the deficiency (but without interest) shall be fully paid or set apart for payment, before any dividends shall be paid upon, or set apart for, the common stock. The corporation may, at any time, and from time to time, at the option of the Board of Directors, redeem the whole or any part of the outstanding preferred stock on any dividend payment date after the issuance thereof, by paying \$102.00 for each share thereof, together with a sum equivalent to all unpaid dividends accrued thereon, upon 30-day notice thereof by mail addressed to each holder of record of the shares to be redeemed at his last known post-office address as shown by the records of the corporation. In the event of the liquidation, dissolution or winding up of the corporation, whether voluntarily or involuntarily, the holders of the preferred stock shall be entitled, after the debts of the corporation shall have been paid, to be paid in full the par value thereof, together with all dividends thereon accrued or in arrears, whether earned or declared, before any payment is made or set apart for payment to the holders of the common stock, but shall not participate in any further distribution of the surplus assets of the corporation, and after the payment to the holders of the preferred stock of the amount payable to them as hereinbefore provided, the remaining assets and funds of the corporation shall be divided and paid to the holders of the common shares according to their respective shares. If the assets remaining after payment of the corporate debts be insufficient to pay the holders of the preferred stock in full such assets as remain shall be divided among the holders of the preferred stock in proportion to the number of shares of the preferred stock held. Two hundred and fifty shares of the common stock shall be subscribed and paid for before the corporation shall commence business. The common stock shall consist of 1,000 shares of the par value of \$100.00 per share. The preferred stock shall consist of 500 shares of the par value of \$100.00 per share."

Section 2. That Article 5 of the original Charter of Incorporation of Egger's Department Store, a corporation aforesaid, be amended so as to read as follows:

"5. The sale price per share of both common and preferred stock shall be \$100.00 per share."
