After said proposed amendments had been read and duly considered and motion made that the same be adopted, and that the president and secretary of the corporation be duly authorized and directed to sign said amendments, to execute a certificate, and to take all steps necessary to procure the approval of said amendments, said motion was duly seconded and the amendments were each submitted to a separate vote and when so submitted all of the stockholders and all of the directors voted unanimously for the adoption of said motion.

IN THE MATTER OF AMENDING THE CHARTER OF
MCCLURE SUPPLY COMPANY, INCORPORATED.

Mr. M. P. Moore introduced and moved the adoption of the following resolution by the Board of Directors and the Stockholders, to-wit:

RESOLVED, That whereas article eight (d) of the articles of Incorporation of the McClure Supply Company, Incorporated, a corporation organized and existing under the laws of the State of Mississippi reads as

follows:

"The number of shares of each class to be subscribed to and paid for before the corporation may begin business: One hundred and fifty (150) shares of the common stock of the Corporation shall be subscribed to and paid for in full before the corporation shall commence business."

WHEREAS, It is desireable and for the best interest of the corporation that said article be amended to read: The number of shares of each class to be subscribed to and paid for before the corporation may begin business: Thirty (30) shares of the common stock of the Corporation shall be subscribed to and paid for in full before the corporation shall commence business. Said amendment to articles of Incorporation being necessary due to error and oversight in filing original application for charter as article five (5) of said Charter provides as follows: "There shall be sixty (60) shares of common stock with a par value of Five Hundred Dollard (\$500.00) per share. The Board of Directors shall have the authority to fix the sale price per share of stock, and to change the sale price of stock per share." Said Article Five (5) showing that compliance with Article Eight (8), would not be possible and that the intent of the Incorporation was as shown by the resolution for the proposed amendment.

Be it resolved that the charter of incorporation of McClure Supply Company, Incorporated as originally issued and/or as originally issued and amended, be amended to read as follows:

That Article 8 be amended to read as follows:

The number of shares of each class to be subscribed to and paid for before the corporation may begin business: Thirty (30) shares of the common stock of the corporation shall be subscribed to and paid for in full before the corporation shall commence business.

That the other articles be and the same remain as originally granted including any and all amendments thereto.

Be it further resolved that the president and/or the president and secretary be authorized to execute an amendment to the articles of incorporation.

The motion to adopt said resolution being duly seconded, the question of the adoption or rejection of said resolution was submitted to the vote of the directors and the stockholders, and said resolution was unanimously adopted.

I, L. B. McClure, Secretary of the above corporation, do hereby certify that the above and foregoing is a true and correct copy of the resolution passed by the stockholders of said corporation as same appears in the minutes of the corporation of which I am the official custodian.

Minutes of Lebanon Baptist Church
Feb. 19, 1958.

317

On Sunday Morning February 19, 1958.

Lebanon Baptist Church was held into special conference for the purpose of considering the recommendations of the building Committee with reference to plans for a new building, and to select trustees necessary for the incorporation of the church.

In the absence of the pastor Brother E. J. Neely Chairman of Business was elected to act as moderator pro tem for the conference.

The order of business was a report of the building Committee which recommended that the General Specifications as adopted August 7, 1949 be changed to the following:

1. Roofing - asphalt shingles (best grade)
2. Outside walls - white asbestos shingles
3. Inside walls - plywood instead of plaster board
4. Floor - concrete instead of hardwood
5. Ceiling - acoustical ceiling
6. Foundation - according to plans
7. Steps and gutters - concrete
8. Windows and door - as shown to blue print as possible

9. Jan - installed in ceiling
10. Heat - boiler
11. wall height - according to blueprint

After a lengthy discussion of these recommendations a motion was made by J. R. Haynes Chairman of Building Committee that these changes be accepted and the above specifications be adopted. This motion was duly seconded and unanimously adopted by the church.

The next order of business was the hiring of an architect to draw up the plans and specifications and blue prints for the construction of the building. After some discussion of the proposition made the church by Mr. Frank Fisher of Como, Mississippi, J. R. Haynes moved that Mr. Fisher be authorized to complete the plans and specifications and that the church commit itself to pay him \$100.00 for this job. The motion was seconded by D. A. Bishop and the church voted without objection in favor of the motion.

The church then went into the election of members. The matter having been discussed in previous meetings.

Russell Still made the motion that nominations be made from the floor, and that three trustees be elected. Nominations were then called for by the chair, and W. C. Jamnall, J. R. Haynes, W. F. Still, D. A. Bishop and Russell Still were nominated. The church agreed that each member should vote for three, and that the three getting the highest number of votes be declared elected. This resulted in J. R. Haynes, W. F. Still, and W. C. Jamnall being elected. There being no other business, conference was adjourned.

I, Mary E. Blakely, Church Clerk, do hereby certify that these minutes have been read, approved and adopted by the Stearns Baptist Union.
